

and duty-free treatment under the ATPDEA of such fabrics, for use in the manufacture of shirts, trousers, nightwear, robes and dressing gowns and woven underwear in one or more ATPDEA beneficiary countries for export to the United States.

On November 25, 2005, CITA requested public comment on the petition. **See Request for Public Comment on Commercial Availability Petition under the Andean Trade Promotion and Drug Eradication Act (ATPDEA)**, 70 FR 71089 (November 25, 2005). On December 13, 2005, CITA and the U.S. Trade Representative (USTR) sought the advice of the Industry Trade Advisory Committee (ITAC) for Textiles and Clothing and the ITAC for Distribution Services. No advice was received from either ITAC. On December 13, 2005, CITA and USTR offered to hold consultations with the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate (collectively, the Congressional Committees). No consultations were requested regarding this petition. USTR requested the advice of the U.S. International Trade Commission (ITC). On January 9, 2006, the ITC provided advice on the petition.

Based on the information and advice received and its understanding of the industry, CITA determined that the fabrics set forth in the petition cannot be supplied by the domestic industry in commercial quantities in a timely manner. On January 13, 2006, CITA and USTR submitted a report to the Congressional Committees that set forth the action proposed, the reasons for such action, and the advice obtained. A period of 60 calendar days since this report was submitted has expired, as required by the ATPDEA.

CITA hereby designates as eligible to enter free of quotas and duties, under HTSUS subheading 9821.11.10, if used in shirts, trousers, nightwear, robes and dressing gowns and woven underwear that are sewn or otherwise assembled in one or more eligible ATPDEA beneficiary countries, from certain 100 percent cotton woven flannel fabrics, made from 21 through 36 NM single ring-spun yarns, of 2 x 2 twill weave construction, weighing not more than 200 grams per square meter, classified in HTSUS subheading 5208.43.0000, not formed in the United States. The referenced apparel articles are eligible provided that all other fabrics are wholly formed in the United States from yarns wholly formed in the United States, including fabrics not formed from yarns, if such fabrics are classifiable under HTS heading 5602 or

5603 and are wholly formed in the United States, subject to the special rules for findings and trimmings, certain interlinings and de minimis fibers and yarns under section 204(b)(3)(B)(vi) of the ATPDEA, and that such articles are imported directly into the customs territory of the United States from an eligible ATPDEA beneficiary country.

An "eligible ATPDEA beneficiary country" means a country which the President has designated as an ATPDEA beneficiary country under section 203(a)(1) of the Andean Trade Preference Act (ATPA) (19 U.S.C. 3202(a)(1)), and which has been the subject of a finding, published in the Federal Register, that the country has satisfied the requirements of section 203(c) and (d) of the ATPA (19 U.S.C. 3202(c) and (d)), resulting in the enumeration of such country in U.S. note 1 to subchapter XXI of Chapter 98 of the HTSUS.

BILLING CODE 3510-DS-S

COURT SERVICES AND OFFENDER SUPERVISION AGENCY FOR THE DISTRICT OF COLUMBIA

Privacy Act of 1974; Notice of Amended System

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), the Court Services and Offender Supervision Agency for the District of Columbia (CSOSA) gives notice of proposed amendments to its previously published system of records on the Supervision Offender Case File (CSOSA-9).

The system of records is being amended to add to the existing categories of records and make editorial or organization changes, to add other identifiers that may be used to retrieve information, and to update the provisions for storage and safeguards and the citation for the authority for maintenance of the system.

More specifically, the categories of records would be amended to include electronic monitoring information (for example, Global Positioning System (GPS) data) and United States Parole Commission decisions. In addition, the routine use provision in Section B, which applies to the disclosure of information to "any civil or criminal law enforcement agency, whether Federal, state, or local or foreign, which requires information relevant to a civil

or criminal investigation unless prohibited by law or regulation" would be amended by adding the qualifying phrase "to the extent necessary to accomplish their assigned duties" to conform with the language set forth in the comparable routine use provision in CSOSA's system of records for Supervision & Management Automated Record Tracking (CSOSA-11). The routine uses would also be amended for stylistic reasons to make use of parallel construction and to redesignate Section I. The Retrievability provision is being amended to note that Metropolitan Police Department, D.C. Department of Corrections, and Federal Bureau of Investigation identification numbers can be used to retrieve information.

Finally, the Storage provisions and the Safeguards provisions are being amended to note the special requirements for electronic monitoring information. The citation for the authority for maintenance of the system would be amended to include CSOSA's enabling legislation which is the underlying programmatic authority for collecting, maintaining, and using the information.

In accordance with Title 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment on this notice; and the Office of Management and Budget (OMB), which has oversight responsibilities under the Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments to Renee Barley, FOIA Officer, Office of the General Counsel, Court Services and Offender Supervision Agency for the District of Columbia, 633 Indiana Avenue, NW., Washington, DC 20004 by April 26, 2006. The amended system of records will be effective, as proposed, on May 11, 2006 unless CSOSA determines, upon review of the comments received, that changes should be made. In that event, CSOSA will publish a revised notice in the **Federal Register**.

In accordance with Privacy Act requirements, CSOSA has provided a report on the amended systems to OMB and Congress.

The amended system of records is given below in its entirety for the convenience of the reader.

Dated: March 22, 2006.

The LEAP and SLEAP programs, authorized under Title IV, Part A, Subpart 4 of the Higher Education Act of 1965, as amended (HEA), assist States in providing aid to students with substantial financial need to help them pay for their postsecondary education costs through matching formula grants to States. Under section 415C(a) of the HEA, a State must submit an application to participate in the LEAP and SLEAP programs through the State agency that administered its LEAP Program as of July 1, 1985, unless the Governor of the State has subsequently designated, and the Department has approved, a different State agency to administer the LEAP Program.

DATES: To assure funding under the LEAP and SLEAP programs for Award Year 2006-2007, a State must meet the applicable deadline date. Applications submitted electronically must be received by 11:59 p.m. (Eastern time) May 31, 2006. Paper applications must be received by May 24, 2006.
