SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53519; File No. SR-Amex-2006-26]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Extension of Time for Exercising Expiring Options and Submitting Contrary Exercise Advices

March 20, 2006.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 14, 2006, the American Stock Exchange LLC (“Amex” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Amex filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex, pursuant to section 19(b)(1) of the Act⁵ and Rule 19b-4 thereunder,⁶ proposes to amend Amex Rule 980 “Exercise of Options Contracts” to add two additional minutes to the time frame within which one may make a final decision to exercise or not exercise an option, or to deliver a contrary exercise advice (“CEA”) ⁷ to the Exchange. The proposal

⁴ 17 CFR 240.19b-4(f)(6).

⁵ 15 U.S.C. 78s(b)(1).

⁶ 17 CFR 240.19b-4.

⁷ Amex Rule 980(b)(ii) defines a CEA as a communication either: (A) To not exercise an option that would be automatically exercised under the Options Clearing Corporation's (“OCC”) Ex-by-Ex procedure, or (B) to exercise an option that would not be automatically exercised under the OCC's Ex-by-Ex procedure.

is intended to conform Amex Rule 980 to the recent industry-wide change in the close of trading for equity options and narrow-based index options from 4:02 p.m. to 4 p.m. (EST).⁸ The Exchange further proposes to amend the text of Amex Rule 980 to correspond to the more appropriate classification of Eastern Time ("ET") rather than New York Time ("NY Time"). The text of the proposed rule change is available on the Amex's Web site at (<http://www.amex.com>), at the Amex's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposal. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend Amex Rule 980 to add two additional minutes to the time frame within which one may make a final decision to exercise or not exercise an option, or to deliver a CEA to the Exchange. This proposal is intended to conform Amex Rule 980 to the recent industry-wide change to the close of trading for equity and narrow-based index options from 4:02 p.m. to 4 p.m. (ET). The Exchange further proposes to amend the text of Amex Rule 980 to correspond to the more appropriate classification of ET rather than NY Time.

Currently, Amex Rule 980(c) establishes that on the business day immediately prior to an expiration date, option holders may make final decisions to exercise or not exercise options, and members and member organizations may accept exercise instructions and submit a CEA to the Exchange as late as 5:30 p.m. or 6:30 p.m. NY Time,

pursuant to the circumstances set forth in Rule 980(c). Amex Rule 980(g) establishes that where, on the last business day before the day of expiration, the Exchange provides advance notice of a modified time for the close of trading in equity options, the deadline to make a final decision to exercise or not exercise an expiring option and to deliver a CEA to the Exchange will be 1 hour 28 minutes or 2 hours 28 minutes after the announced modified closing time, instead of the 5:30 p.m. or 6:30 p.m. (ET). The Exchange proposes to add two minutes to each of these timeframes to correspond to the two-minute difference in trading time created by the change in the close of trading time from 4:02 p.m. to 4 p.m. (ET).

This proposal seeks only to change the exercise timeframes for equity options, not index options, because Amex Rule 980C governing index options does not have pre-set times.⁹ According to the Exchange, the proposed rule change is based on similar rule changes submitted by the Pacific Exchange, Inc., the Philadelphia Stock Exchange, Inc., the International Securities Exchange, Inc., and the Chicago Board Options Exchange, Incorporated.¹⁰

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act¹¹ in general, and furthers the objectives of section 6(b)(5) of the Act¹² in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose

any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Amex has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30-days after the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to section 19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(6) thereunder.¹⁴

A proposed rule change filed under Rule 19b-4(f)(6)¹⁵ normally does not become operative prior to 30-days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Amex has asked the Commission to waive the 30-day operative delay and the 5-day pre-filing requirement. The Commission believes that waiving the 30-day operative delay and the 5-day pre-filing requirement is consistent with the protection of investors and the public interest because such waiver will allow the Amex to immediately clarify its rule and conform it to the industry-wide close of trading times now in effect. Accelerating the operative date will allow for a more efficient and effective market operation by offering clarity and internal consistency with existing Amex rules. For these reasons, the Commission designates the proposed rule change as effective and operative immediately upon filing with the Commission.¹⁶

At any time within 60-days after the filing of the proposed rule change, the Commission may summarily abrogate

⁸ See Securities Exchange Act Release No. 53244 (February 7, 2006), 71 FR 8008 (February 15, 2006) (approving SR-Amex-2006-003, which amended Amex Rules 1.918-ANTE, 936C-ANTE and 903C to adjust the close of normal trading hours in equity options and narrow-based index options from 4:02 p.m. to 4:02 p.m. (ET)).

⁹ Amex Rule 980C provides that a memorandum to exercise any American-style index option must be received or prepared by the member organization no later than five (5) minutes after the close of trading on that day and must be time stamped at the time it is received or prepared.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53525; File No. SR-Amex-2005-117]

Self-Regulatory Organizations; American Stock Exchange LLC; Order Granting Approval of Proposed Rule Change and Amendment Nos. 1 and 2 Thereof Relating to Amendments to the Amex Membership Corporation's Certificate of Incorporation

March 21, 2006.

I. Introduction

On November 23, 2005, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend the Amex Membership Corporation's ("AMC")³ Restated Certificate of Incorporation ("AMC Certificate") and AMC Constitution. On January 24, 2006, Amex filed Amendment No. 1 to the proposed rule change.⁴ On February 1, 2006, Amex filed Amendment No. 2 to the proposed rule change.⁵ The proposed rule change, as amended, was published for comment in the **Federal Register** on February 16, 2006.⁶ The Commission received no comments on the proposal. This order approves the proposed rule change, as amended.

II. Description and Discussion

Currently, section 6 of the AMC Certificate provides that AMC shall make available one Regular Trading Right for each Regular Member and one Options Principal Trading Right for each Options Principal Member and that such trading rights shall not be

transferred or leased apart from those memberships. In addition, section 7(a)(ii) of the AMC Certificate requires the consent of the AMC members (*i.e.*, the Amex members) to authorize, grant, or issue trading rights other than Regular Trading Rights, Options Principal Trading Rights, or Limited Trading Permits.

The proposed rule change would amend the AMC Certificate to: (i) Eliminate the reference in section 6 to one trading right, thus allowing the issuance of more than one right to Regular Members and Options Principal Members; (ii) eliminate the prohibition in section 6 on such trading rights being transferred or leased apart from Regular and Options Principal Memberships; and (iii) eliminate the requirement that a vote of the membership is required for the authorization, grant, or issuance of trading rights as described in section 7(a)(ii).⁷ The AMC Board determined to make these changes to give flexibility to Amex to take prompt action to implement new forms of trading rights designed to enhance Amex's position in an increasingly competitive and fast moving marketplace. AMC membership's consent will still be required for any action taken to increase the number of memberships issued by AMC. The proposed rule change, as amended, also makes other non-substantive changes to the AMC Certificate and the Amex Constitution.

The Commission finds that the proposed rule change, as amended, is consistent with the requirements of section 6 of the Act,⁸ and the rules and regulations thereunder applicable to a national securities exchange.⁹ In particular, the Commission finds that the proposed rule change is consistent with section 6(b)(5) of the Act,¹⁰ which requires, among other things, that the Exchange's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission notes that Amex will still need to obtain AMC Board approval for
