Title of Proposal: Public Housing Financial Management Template.

OMB Control Number: 2535-0107.

Description of the need for the information and proposed use: To meet the requirements of the Public Housing Assessment System (PHAS) rule, the Department has developed the financial condition template that public housing agencies (PHAs) use to annually submit electronically specific financial condition information to HUD. Estimation of the total number of hours needed to prepare the information collection including number of respondents: The estimated number of respondents is 4,238 PHAs that submit one audited financial condition template annually and one unaudited financial condition template annually. The average number for each PHA response is nine hours, for a total reporting burden of 38,864 hours.

Status of the proposed information collection: Revision of a currently approved collection.
