IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Editorial Note: This document was received by the Office of the Federal Register April 4, 2006.

Dated: April 4, 2005.

Madeleine Clayton,

Management Analyst, Office of the Chief Information Officer.

Honey from Argentina: Notice of Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is partially rescinding its administrative review of the antidumping duty order of honey from Argentina for the period December 1, 2004 to November 30, 2005, with respect to 12 companies. This rescission, in part, is based on the timely withdrawal of the request for

review by the respective interested party that requested the review. A complete list of the companies for which the administrative review is being rescinded is provided in the background section below.

EFFECTIVE DATE: April 10, 2006.

FOR FURTHER INFORMATION CONTACT:

David Cordell or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Room 7866, Washington, DC 20230; telephone (202) 482-0408 and (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

BACKGROUND:

On December 1, 2004, the Department published in the **Federal Register** its notice of an opportunity to request a review of the antidumping duty order on honey from Argentina. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 70 FR 72109 (December 1, 2005). In response, on December 30, 2005, the American Honey Producers Association and the Sioux Honey Association (collectively, petitioners) requested an administrative review of the antidumping duty order on honey from Argentina for the period December 1, 2004, through November 30, 2005. The petitioners requested that the Department conduct an administrative review of entries of subject merchandise made by 42 Argentine producers/exporters. In addition, the Department received requests for review from four Argentine exporters included in the petitioners' request. On January 6, 2006, petitioners withdrew their request with respect to 23 companies listed in its original request.

On February 1, 2006, the Department initiated a review on the remaining 19 companies for which an administrative review was requested. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 5241 (February 1, 2006).

On March 10, 2006, petitioners submitted timely withdrawal of requests for review of the following companies: Agroin Las Piedras Ltda., Algodonera Avellaneda S.A., Alimentos Naturales-Natural Foods, Apisur S.A., Baires Logistics SRL, Campos Silvestres S.A., J.L. S.A., Naiman S.A., Nutrin S.A., Pueblanueva S.A.-Miel Emilia, Radix S.r.L., and Ultramar Argentina S.A. *See* Letter from petitioners to the Department, Honey From Argentina,

(March 10, 2006), on file in the Central Records Unit (CRU), room B-099 of the main Department building.

Scope of the Order

The merchandise covered by the order is honey from Argentina. The products covered are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight, and flavored honey. The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form.

The merchandise under the scope of the order is currently classifiable under subheadings 0409.00.00, 1702.90.90, and 2106.90.99 of the *Harmonized Tariff Schedule of the United States* (HTSUS). Although the HTSUS subheadings are provided for convenience and U.S. Customs and Border Protection (CBP) purposes, the Department's written description of the merchandise under this order is dispositive.

Rescission in Part, of Administrative Review:

The applicable regulation, 19 CFR 351.213(d)(1), states that if a party that requested an administrative review withdraws the request within 90 days of the publication of the notice of initiation of the requested review, the Secretary will rescind the review in whole or in part. The petitioners made a timely withdrawal of their requests for an administrative review within the 90-day deadline, for the following companies: Agroin Las Piedras Ltda., Algodonera Avellaneda S.A., Alimentos Naturales-Natural Foods, Apisur S.A., Baires Logistics SRL, Campos Silvestres S.A., J.L. S.A., Naiman S.A., Nutrin S.A., Pueblanueva S.A.-Miel Emilia, Radix S.r.L., and Ultramar Argentina S.A. Because the petitioners were the only party to request the administrative review of these companies, we have accepted the withdrawal requests and we are rescinding this administrative review of the antidumping duty order on honey from Argentina covering the period December 1, 2004, through November 30, 2005 for the aforementioned companies.

The Department will issue appropriate assessment instructions directly to the CBP within 15 days of the publication of this notice. The Department will direct CBP to assess antidumping duties for these companies at the cash deposit rate in effect on the date of entry for entries during the

period December 1, 2004 to November 30, 2005.

Notification to Parties

This notice serves as a reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of time. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties. This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 351.213(d)(4) of the Department's regulations and sections 751(a) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: April 4, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Pure Magnesium from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is conducting the administrative review of the antidumping duty order on pure magnesium from the People's Republic of China ("PRC") covering the period May 1, 2004, through April 30, 2005. We have preliminarily determined that sales have been made below normal value. If these preliminary results are adopted in our final results of this review, we will instruct U.S. Customs

and Border Protection ("CBP") to assess antidumping duties on entries of subject merchandise during the period of review ("POR"), for which the importer-specific assessment rates are above *de minimis*.

Interested parties are invited to comment on these preliminary results. We will issue the final results no later than 120 days from the date of publication of this notice.

EFFECTIVE DATE: April 10, 2006.

FOR FURTHER INFORMATION CONTACT: Hua Lu or Eugene Degnan, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-6478 and (202) 482-0414, respectively.

SUPPLEMENTARY INFORMATION:

Background

On May 2, 2005, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on pure magnesium from the PRC for the period May 1, 2004, through April 30, 2005. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 70 FR 22631. On May 26, 2005, Tianjin Magnesium International, LTD ("TMI") requested that the Department conduct a new shipper review and an administration review of the antidumping duty order covering pure magnesium from the PRC for entries of subject merchandise produced and exported by TMI. On June 28, 2005, the Department determined that TMI did not meet the requirements under which the Department can initiate a new shipper review. *See Letter from Wendy Frankel to David A. Riggle* (June 28, 2005). On June 30, 2005, the Department published in the **Federal Register** a notice of initiation of the antidumping duty administrative review of pure magnesium from the PRC for the period May 1, 2004, through April 30, 2005, with respect to TMI. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 70 FR 37749 ("Initiation Notice"). On July 20, 2005, the Department issued its antidumping duty questionnaire to TMI.

In August and September 2005, TMI submitted its questionnaire responses. The Department issued a letter seeking comments on surrogate country selection and surrogate value on August 9, 2005, to which TMI responded on September 28, 2005. On December 7, 2005, the Department selected India as the primary surrogate country. The

Department issued a supplemental questionnaire to TMI in November 2005, to which TMI responded in December 2005. On December 19, 2005, TMI submitted additional surrogate value data. The Department issued a second supplemental questionnaire to TMI and received a response in February 2006.

On January 13, 2006, the Department published a notice in the **Federal Register** extending the time limit for the preliminary results of review from January 31, 2006, until April 3, 2006. *See Pure Magnesium from the People's Republic of China: Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review*, 71 FR 2188 (January 13, 2006).

Period of Review

The POR is May 1, 2004, through April 30, 2005.

Scope of Order

Merchandise covered by this order is pure magnesium regardless of chemistry, form or size, unless expressly excluded from the scope of this order. Pure magnesium is a metal or alloy containing by weight primarily the element magnesium and produced by decomposing raw materials into magnesium metal. Pure primary magnesium is used primarily as a chemical in the aluminum alloying, desulfurization, and chemical reduction industries. In addition, pure magnesium is used as an input in producing magnesium alloy. Pure magnesium encompasses products (including, but not limited to, butt ends, stubs, crowns and crystals) with the following primary magnesium contents:

(1) Products that contain at least 99.95% primary magnesium, by weight (generally referred to as "ultra pure" magnesium);

(2) Products that contain less than 99.95% but not less than 99.8% primary magnesium, by weight (generally referred to as "pure" magnesium); and

(3) Products that contain 50% or greater, but less than 99.8% primary magnesium, by weight, and that do not conform to ASTM specifications for alloy magnesium (generally referred to as "off-specification pure" magnesium).

"Off-specification pure" magnesium is pure primary magnesium containing magnesium scrap, secondary magnesium, oxidized magnesium or impurities (whether or not intentionally added) that cause the primary magnesium content to fall below 99.8% by weight. It generally does not contain, individually or in combination, 1.5% or more, by weight, of the following alloying elements: aluminum,
