

Highlands Energy should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest is May 5, 2006.

Absent a request to be heard in opposition by the deadline above, Highlands Energy is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Highlands Energy, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Highlands Energy's issuances of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. Enter the docket number excluding the last three digits in the docket number filed to access the document. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

[Docket No. RP98-18-020]

Iroquois Gas Transmission System, L.P.; Notice of Negotiated Rates

April 6, 2006.

Take notice that on March 31, 2006, Iroquois Gas Transmission System, L.P. (Iroquois) tendered for filing the following revised sheets to its FERC Gas

Tariff, First Revised Volume No. 1, to be effective on March 1, 2006 and April 1, 2006:

Fifth Revised Sheet No. 6
First Revised Sheet No. 6G
First Revised Sheet No. 6H
Second Revised Sheet No. 7
Original Sheet No. 7A
Original Sheet No. 7B

Iroquois states that copies of its filing were served on all jurisdictional customers and interested state regulatory agencies and all parties to the proceeding.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of § 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). Iroquois Gas Transmission System, L.P.; Notice of Filing

April 6, 2006.

Take notice that on March 29, 2006, Iroquois Gas Transmission System, L.P. (Iroquois), One Corporate Drive, Suite 600, Shelton, CT 06484-6211, filed an abbreviated application pursuant to section 7(c) of the Natural Gas Act (NGA) and part 157 of the Commission's Rules and Regulations, for an amendment to the certificate of public convenience and necessity issued in this proceeding on October 31, 2002. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. Iroquois requests authority to modify certain facilities previously certificated in this docket and to construct limited additional facilities in order to provide 100,000 dekatherms per day (dth/d) of new firm transportation service to Consolidated Edison Company of New York, Inc. (Con Edison). Iroquois requests to: (1) Reduce the proposed size of the compressor unit, located in Brookfield, Connecticut, from 10,000 horsepower to 7,700 horsepower; (2) install new cooling facilities at Brookfield; and (3) install new cooling facilities at Iroquois's existing compressor station at Dover, New York. The estimated cost of these facilities is approximately \$41,600,000. Iroquois also requests a predetermination that the costs associated with the project will receive rolled-in rate treatment to Iroquois's Eastchester rates in its first NGA section 4 rate proceeding to become effective after the in-service date for the proposed facilities. In order to meet Co Edison's requested November 1, 2007 in-service date, Iroquois proposes to commence construction by April, 2007.

Any questions regarding the application are to be directed to M. Lisanne Crowley, Troutman Sanders LLP, 401 9th Street, NW., Suite 1000, Washington, DC 20004-2134; phone number (202) 274-2814.

On November 30, 2005, the Commission staff granted Iroquois's request to utilize the National Environmental Policy Act (NEPA) Pre-Filing Process and assigned Docket No. PF06-6-000 to staff activities involving the Market Access Project. Now, as of the filing of this application on March 29, 2006, the NEPA Pre-Filing Process for this project has ended. From this time forward, this proceeding will be conducted in Docket No. CP02-31-002, as noted in the caption of this Notice.

Any person wishing to obtain legal status by becoming a party to the proceeding for this project should, on or before the below listed comment date, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

Persons may also wish to comment further only on the environmental review of this project. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of environmental documents issued by the Commission, and will be notified of meetings associated with the Commission's environmental review process. Those persons, organizations, and agencies who submitted comments during the NEPA Pre-Filing Process in Docket No. PF06-6-000 are already on the Commission staff's environmental mailing list for the proceeding in the above dockets and may file additional comments on or before the below listed comment date. Environmental commenters will not be required to serve copies of filed documents on all other parties. However, environmental commenters are also not parties to the proceeding and will not receive copies of all documents filed by other parties or non-environmental documents issued by the Commission. Further, they will not have the right to seek court review of any final order by Commission in this proceeding.

Motions to intervene, protests and comments may be filed electronically

via the Internet in lieu of paper, see, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

Comment Date: 5 p.m. Eastern Time on April 27, 2006.

J-W Pipeline Company; Notice of Shortened Comment Period

April 6, 2006.

Take notice that on April 4, 2006, J-W Pipeline Company filed an Offer of Settlement in the above-docketed proceeding. Included in its filing was a request to shorten the period for filing initial and reply comments in response to the Offer of Settlement.

Because no protests were filed in this docket and the Commission Staff supports the Offer of Settlement, we are shortening the date for filing initial comments to and including April 11, 2006. Reply comments should be filed on or before April 13, 2006.
