

Basis section, the Exchange does not believe that the proposed changes represent a significant departure from its current fee structure.

The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because, while different fees are assessed in some circumstances, these different fees are not based on the type of Member entering the orders that match but on the type of order entered and all Members can submit any type of order. Further, the proposed fee changes continue to be intended to encourage market participants to bring increased order flow to the Exchange, which benefits all market participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii)¹⁸ of the Act.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁹ of the Act to determine whether the proposed rule change should be approved or disapproved.

Summary of the Application

1. An Adviser will serve as the investment adviser to the Subadvised Funds pursuant to an investment advisory agreement with the Oppenheimer Investment Companies (each, an "Investment Management Agreement").¹ An Adviser will provide the Subadvised Funds with continuous and comprehensive investment management services subject to the supervision of, and policies established by, each Subadvised Funds' board of directors or trustees (the "Board").²

¹ Applicants request that the relief apply to the named Applicants, as well as to any future Fund and any other existing or future registered open-end management investment company or series thereof that intends to rely on the requested order in the future and that (i) is advised by the Adviser, its successors, and any entity controlling, controlled by or under common control with an Adviser or its successors (included in the term "Adviser"), (ii) uses the multi-manager structure described in this application, and (iii) complies with the terms and conditions of this application (each, a "Subadvised Fund"). For the purposes of the requested order, "successor" is limited to an entity resulting from a reorganization into another jurisdiction or a change in the type of business organization.

² The term "Board" includes the board of trustees or directors of a future Subadvised Funds.

Each Investment Management Agreement permits the Adviser, subject to the approval of the Board, to delegate to one or more Sub-Advisers the responsibility to provide the day-to-day portfolio investment management of each Subadvised Funds, subject to the supervision and direction of the Adviser.³ The primary responsibility for managing the Subadvised Funds will remain vested in an Adviser. An Adviser will hire, evaluate, allocate assets to and oversee the Sub-Advisers, including determining whether a Sub-Adviser should be terminated, at all times subject to the authority of the Board.

2. Applicants request an exemption to permit an Adviser, subject to Board approval, to hire a Non-Affiliated Sub-Adviser or a Wholly-Owned Sub-Adviser, pursuant to Sub-Advisory Agreements and materially amend Sub-Advisory Agreements with Non-Affiliated Sub-Advisers and Wholly-Owned Sub-Advisers without obtaining the shareholder approval required under section 15(a) of the Act and rule 18f-2 under the Act.⁴ Applicants also seek an exemption from the Disclosure Requirements to permit a Subadvised Fund to disclose (as both a dollar amount and a percentage of the Subadvised Fund's net assets): (a) The

³ A "Sub-Adviser" for a Fund is (1) an indirect or direct "wholly-owned subsidiary" (as such term is defined in the Act) of the Adviser for that Fund, or (2) a sister company of the Adviser for that Fund that is an indirect or direct "wholly-owned subsidiary" (as such term is defined in the Act) of the same company that, indirectly or directly, wholly owns the Adviser, or (3) a company of which the Adviser for that Fund is an indirect or direct "wholly-owned subsidiary" (as such term is defined in the 1940 Act) (each of (1), (2) and (3) a "Wholly-Owned Sub-Adviser" and collectively, the "Wholly-Owned Sub-Advisers"), or (4) an investment sub-adviser for that Funds that is not an "affiliated person" (as such term is defined in Section 2(a)(3) of the Act) of the Funds, any Feeder Fund, (as defined below) invested in a Master Fund (as defined below), the Funds, or the Adviser, except to the extent that an affiliation arises solely because the Sub-Adviser serves as a sub-adviser to one or more Funds (each a "Non-Affiliated Sub-Adviser" and collectively, the "Non-Affiliated Sub-Advisers").

Certain Oppenheimer Investment Companies are operated in a master-feeder structure pursuant to Section 12(d)(1)(E) of the 1940 Act. In such a structure, certain Funds (each, a "Feeder Fund") may invest substantially all of their assets in a Fund (a "Master Fund") pursuant to Section 12(d)(1)(E) of the 1940 Act. No Feeder Fund will engage any sub-advisers other than through approving the engagement of one or more of the Master Fund's sub-advisers.

⁴ The requested relief will not extend to any sub-adviser, other than a Wholly-Owned Sub-Adviser, who is an affiliated person, as defined in section 2(a)(3) of the Act, of the Subadvised Funds or the Manager, other than by reason of serving as a sub-adviser to one or more of the Subadvised Funds or to any existing or future registered open-end management company or series thereof advised by an Advisor ("Affiliated Sub-Adviser").

aggregate fees paid to the Adviser and any Wholly-Owned Sub-Advisers; (b) the aggregate fees paid to Non-Affiliated Sub-Advisers; and (c) the fee paid to each Affiliated Sub-Adviser.

3. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions provide for, among other safeguards, appropriate disclosure to Subadvised Funds' shareholders and notification about sub-advisory changes and enhanced Board oversight to protect the interests of the Subadvised Funds' shareholders.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or any rule thereunder, if such relief is necessary or appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policy and provisions of the Act. Applicants believe that the requested relief meets this standard because, as further explained in the application, the Investment Management Agreements will remain subject to shareholder approval, while the role of the Sub-Advisers is substantially equivalent to that of individual portfolio managers, so that requiring shareholder approval of Sub-Advisory Agreements would impose unnecessary delays and expenses on the Subadvised Funds. Applicants believe that the requested relief from the Disclosure Requirements meets this standard because it will improve the Adviser's ability to negotiate fees paid to the Sub-Advisers that are more advantageous for the Subadvised Funds.

For the Commission, by the Division of Investment Management, under delegated authority.

Brent J. Fields,
Secretary.

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2017-0340]

Hours of Service of Drivers: Application for Exemption; Cudd Energy Services

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of application for exemption; request for comments.

SUMMARY: FMCSA announces that it has received an application from Cudd Energy Services (CES) (incorporated as Cudd Pressure Control Inc., and Cudd Pumping Services Inc.) requesting an exemption from the electronic logging device (ELD) requirements for their specially trained drivers of specially constructed commercial motor vehicles (CMVs) used in oilfield operations. The exemption would allow drivers of these infrequently-driven CMVs to complete paper records of duty status (RODS) instead of using an ELD device. These drivers are prohibited by regulation from using the short-haul exceptions to the hours-of-service (HOS) rules. CES believes that the exemption would not have any adverse impacts on operational safety because drivers would remain subject to the HOS regulations as well as the requirements to maintain paper RODS. FMCSA requests public comment on CES' application for exemption.

DATES: Comments must be received on or before February 1, 2018.
