

**DEPARTMENT OF THE INTERIOR****Bureau of Indian Affairs****Notice of Intent To Prepare an Environmental Impact Statement for the Proposed Los Coyotes Band of Cahuilla and Cupeño Indians and the Big Lagoon Rancheria's Fee-to-Trust Transfer and Casino-Hotel Project, San Bernardino County, CA**

**AGENCY:** Bureau of Indian Affairs, Interior.

**ACTION:** Notice.

**SUMMARY:** This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the National Indian Gaming Commission, Los Coyotes Band of Cahuilla and Cupeño Indians and Big Lagoon Rancheria as cooperating agencies, intends to gather information necessary for preparing an Environmental Impact Statement (EIS) for a proposed 45 acre fee-to-trust transfer and casino and hotel project to be located in San Bernardino County, California. The purpose of the proposed action is to help improve the tribal economy of the Los Coyotes Band of Cahuilla and Cupeno Indians and Big Lagoon Rancheria (hereinafter collectively referred to as the Tribes) and assist tribal members to attain economic self-sufficiency. This notice also announces a public scoping meeting to identify potential issues, concerns and alternatives to be considered in the EIS.

**DATES:** Written comments on the scope and implementation of this proposal must arrive by May 19, 2006. The public scoping meeting will be held May 4, 2006, from 6 p.m. to 9 p.m. (local time), or until the last public comment is received.

**ADDRESSES:** You may mail or hand carry written comments to Clay Gregory, Regional Director, Pacific Regional Office, Bureau of Indian Affairs, 2800 Cottage Way, Sacramento, California 95825. Please include your name, return caption, address and "DEIS Scoping Comments, Los Coyotes Band of Cahuilla and Cupeno Indians and Big Lagoon Rancheria, 45 Acre Fee to Trust Casino/Hotel Project, San Bernardino County, California," on the first page of your written comments.

The public scoping meeting will be held in the Barstow Community College Gymnasium, 2700 Barstow Road, Barstow, California 92311.

**FOR FURTHER INFORMATION CONTACT:** John Rydzik, (916) 978-6042.

**SUPPLEMENTARY INFORMATION:** The Tribes propose that approximately 45 acres of

land be taken into trust and subsequently, two casinos, two hotels, parking and other facilities supporting the casinos be constructed on the proposed trust acquisition property. The subject property is located within the incorporated boundaries of the City of Barstow, San Bernardino County, California, just east of Interstate 15. State Highways 58 and 247 and Interstate 40 are located nearby.

The site is predominantly undeveloped, bounded on the north by Mercantile Way, on the west by Lenwood Road and commercial/light industrial development, on the south by vacant Bureau of Land Management land and on the east by vacant land. The proposed project is to develop two adjacent casinos of approximately 49,000 square feet each. Associated facilities which would be constructed include food and beverage services, retail space, banquet/meeting space and administration space. Food and beverage facilities would include two full service restaurants, two food courts of four venues each, two coffee shops and two lounge bars. Two five-story hotels, each having approximately 100 rooms, would also be constructed. Approximately 3,900 parking spaces would be provided, of which about one-fourth would be in two equally sized garages. Regional access to the project site is via Interstate 15 and State Highway 247. Lenwood Road and Mercantile Way would provide direct access to the proposed casino resort.

Areas of environmental concern to be addressed in the EIS include land resources, water resources, biological resources, cultural resources, traffic and transportation, noise, air quality, public health/environmental hazards, public services and utilities, hazardous waste and materials, socio-economics, environmental justice and visual resources/aesthetics. In addition to the proposed action, a reasonable range of alternatives, including the no-action alternative, will be analyzed in the EIS. Other possible alternatives currently under consideration are two reduced-intensity alternatives and two alternate sites. The range of issues and alternatives may be expanded based on comments received during the scoping process.

Each sealed bid shall be accompanied by a deposit in the form of a certified check, money order, bank draft, or cashier's check made payable in U.S. dollars to the order of the Bureau of Land Management, for not less than 10 percent or more than 30 percent of the amount bid. The highest qualified sealed bid for each parcel will become the starting bid at the oral auction. If no sealed bids are received, oral bidding will begin at the FMV, as determined by the authorized officer. All sealed bids will be opened and recorded at 12 noon PST on July 31, 2006 at the BLM office on 4701 N. Torrey Pines Drive in Las Vegas. The high sealed bid amount will be posted on the auction order list and will be the starting bid amount at the oral auction.

11. All parcels will be offered for competitive sale by oral auction beginning at 10 a.m., PDT, August 2, 2006, at Cashman Theater located inside Cashman Center at 850 Las Vegas Boulevard North, Las Vegas, NV. Interested parties who will not be bidding are not required to register and may proceed directly to the Cashman Theater. If you are at the auction to conduct business with the high bidders or are there to observe the process, should seating become limited, you may be asked to relocate to the balcony or another area in order to provide seating in the theater for all bidders before the auction begins. We will try to provide an audio/visual transmission outside the theater for your convenience.

12. All oral bidders are required to register. Registration for oral bidding will begin at 8 a.m. PDT on the day of the sale and will end at 10 a.m. PDT. You are encouraged to pre-register by mail or fax by completing the form located in the Sale Packet. The form is also available at the BLM LVFO.

13. Prior to receiving a bidder number on the day of the sale, all registered bidders must submit a certified check, bank draft, or cashier's check in the amount of \$10,000. The check must be made payable in U.S. dollars to the order of the Bureau of Land

Management. On the day of the sale, pre-registered bidders may go to the Express Registration Desk, present their Photo Identification, the required \$10,000 check, and receive a bidder number. All other bidders must go to the standard Registration Line where additional information will be requested along with your Photo Identification and the required \$10,000 check. Upon completion of registration you will be given a bidder number. If you are a successful bidder, the \$10,000 will be applied to your required deposit.

14. If you purchase one or more parcels and default on any single parcel, the default may be against all of your parcels. BLM may retain your \$10,000 and the sale of *all* parcels to you may be cancelled. Following the auction, checks will be returned to the unsuccessful bidders upon presentation of their Photo Identification at the designated area.

15. The highest qualifying bid for any parcel will be declared the high bid. The apparent high bidder must submit a deposit of not less than 20 percent of the successful bid by 3 p.m. PDT on the day of the sale in the form of cash, personal check, bank draft, cashiers check, money order or any combination thereof, made payable in U.S. dollars to the Bureau of Land Management. Funds must be delivered no later than 3 p.m. PDT the day of the sale to the BLM Collection Officers at the Cashman Theater. Funds will NOT be accepted at the LVFO.

16. Oral bids will be considered only if received at the place of sale and made at least for the FMV as determined by the BLM authorized officer.

17. The remainder of the full bid price for each parcel must be paid within 180 calendar days of the competitive sale date in the form of a certified check, money order, bank draft, or cashier's check made payable in U.S. dollars to the Bureau of Land Management. *Personal checks will not be accepted.* Arrangements for Electronic Fund Transfer (EFT) to BLM for the balance which is due on or before February 1, 2006, should be made a minimum of two weeks prior to the date you wish to make payment. Failure to pay the full price within the 180 days will disqualify the apparent high bidder and cause the entire bid deposit to be forfeited to the BLM.

18. All sales are made in accordance with and subject to the governing provisions of law and applicable regulations. In general, the BLM may accept or reject any or all offers, or withdraw any parcel of land or interest therein from sale, if, in the opinion of the BLM authorized officer,

consummation of the sale would not be fully consistent with FLPMA or other applicable laws or is determined not to be in the public interest.

19. Federal law requires bidders to be U.S. citizens 18 years of age or older; a corporation subject to the laws of any State or of the United States; a State, State instrumentality or political subdivision authorized to hold property or an entity legally capable of conveying lands or interests therein under the laws of the State of Nevada. Certification of qualification, including citizenship or corporation or partnership, must accompany the bid deposit and is subject to verification by the BLM prior to consummation of the sale.

#### Additional Information

If not sold, any parcel described above in this Notice may be identified for sale at a later date without further legal notice. Unsold parcels may be offered for sale in a future online Internet auction. Internet auction procedures will be available at <http://www.auctionrp.com>. If unsold on the Internet, parcels may be put up for sale at future oral and online Internet auctions without additional legal notice. Upon publication of this Notice and until the completion of the sale, the BLM is no longer accepting land use applications affecting any parcel identified for sale, including parcels that have been published in a previous NORA. However, land use applications may be considered after completion of the sale for parcels that are not sold through oral or online Internet auction procedures provided the authorization will not adversely affect the marketability or value of the parcel.

In order to determine the value, through appraisal, of the parcels of land proposed to be sold, certain extraordinary assumptions may have been made of the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this Notice, the Bureau of Land Management gives notice that these assumptions may not be endorsed or approved by units of local government. It is the buyer's responsibility to be aware of all applicable Federal, state, and local government laws, regulations and policies that may affect the subject lands, including any required dedication of lands for public uses. It is also the buyer's responsibility to be aware of existing or projected use of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the

applicable local government for proposed future uses. It will be the responsibility of the purchaser to be aware of those laws regulations, and policies, and to seek any required local approvals pursuant to them. Buyers should also make themselves aware of any Federal or state law or regulations that may impact the future use of the property. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

*Environmental Assessment.* The SNPLMA parcels proposed for sale were analyzed in an Environmental Impact Statement (EIS), entitled "Las Vegas Land Disposal Boundary EIS", approved December 23, 2004. This EIS is available for public review at the BLM LVFO. An Environmental Assessment (EA) for this sale, which tiers to the EIS, has also been prepared for public review and comment at the BLM LVFO. BLM will be accepting public comment on the EA during the time for comment on the proposed sale up to June 5, 2006.

Other information concerning the sale, including the appraisals, reservations, sale procedures and conditions, CERCLA and other environmental documents will be available for review at the BLM LVFO, or by calling (702) 515-5000 and asking to speak to a member of the Sales Team. Most of this information also will be available on the Internet at <http://propertydisposal.gsa.gov>.

*Public Comments:* The general public and interested parties may submit comments regarding the proposed sale to the Field Manager, BLM LVFO, up to 45 days after publication of this Notice in the **Federal Register**. Any adverse comments regarding the proposed sale will be reviewed by the Nevada BLM State Director, or other authorized official of the Department of the Interior who may sustain, vacate, or modify this realty action in whole or in part, if applicable. Any comments received during this process, as well as the name and address of the commenter, will be available to the public in the administrative record and/or pursuant to a Freedom of Information Act request. You may indicate for the record that you do not wish to have your name and/or address made available to the public. Any determination by the Bureau of Land Management to release or withhold the names and/or addresses of those who comment will be made on a case-by-case basis. A request from a commenter to have their name and/or address withheld from public release will be honored to the extent permissible by law.

### Termination of Portions of R&PP Classification—SNPLMA Withdrawal

A portion of the following lease granted under the Recreation and Public Purposes (R&PP) Act, 43 U.S.C. 869 et. seq.) has been relinquished: N–63336 (68FR47929). The Notice officially terminates the R&PP classification and segregation of a portion of that parcel. A portion of R&PP application, N–78724 has been withdrawn by the applicant. This notice serves to inform you that land previously leased and previously requested for R&PP purposes is no longer required and is now part of this sale. It does not serve as an opening order because those parcels are within the disposal boundary set by Congress in SNPLMA. Pursuant to section 4(c) of SNPLMA, these parcels are withdrawn, subject to valid existing rights, from entry and appropriation under the public land laws, location and entry under the mining laws and from operation under the mineral leasing and geothermal leasing laws, until such time as the Secretary of the Interior terminates the withdrawal or the lands are conveyed.

**SUPPLEMENTARY INFORMATION:** This investigation was instituted on October 26, 2005, based on a complaint filed by Symbol Technologies Inc. (“Symbol”) of Holtsville, New York. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain laser bar code scanners or scan engines, components thereof, or products containing the same by reason of infringement of various claims of United States Patent Nos. 5,457,308 (“the ‘308 patent”), 5,545,889 (“the ‘889 patent”), 6,220,514 (“the ‘514 patent”), 5,262,627, and 5,917,173. 70 FR 61841 (Oct. 26, 2006). The complaint named two respondents: Metro Technologies Co., Ltd. of Suzhou, China, and Metrologic Instruments, Inc. of Blackwood, New Jersey (collectively, “Metrologic”).

On March 9, 2006, Symbol filed a motion for leave to amend the complaint and notice of investigation to add claims 10 and 11 of the ‘308 patent, claims 8 and 11 of the ‘889 patent, and claims 3, 7, 9, and 10 of the ‘514 patent. Metrologic filed an opposition to Symbol’s motion, asserting that Symbol failed to show good cause for its amendment and that Metrologic would be unduly prejudiced by an amendment to the complaint just one month before the close of discovery. The Commission investigative attorney supported Symbol’s motion.

On March 22, 2006, the ALJ issued an ID (Order No. 9) granting Symbol’s motion to amend the complaint and notice of investigation. The ALJ found that, pursuant to Commission Rule 210.14(b)(1) (19 CFR 210.14(b)(1)), there was good cause to add claims 10 and 11 of the ‘308 patent, claims 8 and 11 of the ‘889 patent, and claims 3, 7, 9, and 10 of the ‘514 patent to the complaint and notice of investigation. The ALJ found that Symbol had obtained new
