AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) have agreed on a final rule amending the Federal Acquisition Regulation (FAR) to provide language that is consistent with OMB Circular A–76 (Revised), *Performance of Commercial Activities*, dated May 29, 2003.

DATES: *Effective Date:* May 19, 2006.

SUPPLEMENTARY INFORMATION:

A. Background

DoD, GSA, and NASA published a proposed rule in the **Federal Register** at 70 FR 43107, July 26, 2005. One commenter submitted two comments in response. The first comment is that “7.302(a)(4) [sic] and 52.207–1(d) reference ‘contest(s)’... Should that be protests?” The word “contest” was meant, not “protest.” The A–76 Circular created an additional procedure called a “contest”, discussed at Attachment B, paragraph F.

The second comment says that there is a conflict between the language in paragraph (c) of the provision at FAR 52.207–1 which states that, if a performance decision resulting from standard competition favors a private

sector offeror, a contract will be awarded, and paragraph (c) of the provision at FAR 52.207–2 which states that, if a performance decision resulting from a streamlined competition favors private sector performance, the contracting officer will either award a contract or issue a competitive solicitation. The Councils see no conflict and note that the language is consistent with the Circular. In a streamlined competition, an agency may estimate the cost of private sector performance by conducting market research or by soliciting cost proposals in accordance with the FAR (OMB Circ. A–76, Att. B, para. C.1.b.). If the performance decision favors private sector performance, the contracting officer may either award a contract resulting from the solicitation of cost proposals or issue a competitive solicitation to determine a private sector provider (OMB Cir. A–76, Att. B, para. C.3.d.(1).) Therefore, the final rule adopts the proposed rule language without change.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule does not impose any costs on either small or large businesses.

C. Paperwork Reduction Act

The Paperwork Reduction Act (Pub. L. 96–511) does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
