Multilayered Wood Flooring From the People's Republic of China: Preliminary Results of the Antidumping Duty Administrative Review, Preliminary Determination of No Shipments, and Rescission of Review, in Part; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty order on multilayered wood flooring (MLWF) from the People's Republic of China (China). The period of review (POR) is December 1, 2015, through November 30, 2016. The review covers two mandatory respondents, Jiangsu Senmao Bamboo and Wood Industry Co., Ltd. (Jiangsu Senmao) and Jilin Forest Industry Jinqiao Flooring Group Co., Ltd. (Jinqiao Flooring).

We preliminarily determine that sales of subject merchandise by Jiangsu Senmao have not been made at prices below normal value (NV) and that Jinqiao Flooring is not eligible for a separate rate and, therefore, remains part of the China-wide entity. In addition, we are preliminarily granting separate rates to 70 producers/exporters, including Jiangsu Senmao, and determine that 16 producer/exporters made no shipments of subject merchandise during the POR. Finally, we are rescinding the review with

respect to Dalian Penghong Floor Products Co., Ltd. (Dalian Penghong). We invite interested parties to comment on these preliminary results.

DATES: Applicable January 16, 2018.

FOR FURTHER INFORMATION CONTACT: Sergio Balbontin or Michael Bowen, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–6478 and (202) 482–0768, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The product covered by the Order is wood flooring from China. For a complete description of the scope of this administrative review, *see* the Preliminary Decision Memorandum.¹

Partial Rescission of Review

Commerce initiated a review of 116 companies in this administrative review.² The requests for review of Dalian Penghong were timely withdrawn.³ Accordingly, we are rescinding the administrative review with respect to this company.⁴

Preliminary Determination of No Shipments

Sixteen companies submitted timely-filed certifications that they had no exports, sales, or entries of subject merchandise during the POR. Accordingly, Commerce, consistent with its practice, requested that U.S. Customs and Border Protection (CBP)

Commerce notes that the *Second Initiation Notice* contained a typographical error in the spelling of "Dun Hua Sen Tai Wood Co., Ltd." This determination corrects the second notice of initiation and reflects the accurate spelling.

³ See Letters from the Coalition for American Hardwood Parity, "Partial Withdrawal of Request for Administrative Review: Multilayered Wood Flooring from the People's Republic of China," and Dalian Penghong, "Multilayered Wood Flooring from the People's Republic of China; Withdrawal of Request for Review," both dated March 27, 2017.

conduct a query of potential shipments made by these companies. Based on an analysis of the CBP information and the no shipment certifications, Commerce preliminarily determines that these 16 companies had no shipments during the POR.⁵ For additional information regarding this determination, see the Preliminary Decision Memorandum.

Consistent with our practice in non-market economy (NME) cases, Commerce is not rescinding this administrative review with respect to these companies but, rather, intends to complete the review and issue appropriate instructions to CBP based on the final results of the review.⁶

Separate Rates

Commerce preliminarily determines that 70 respondents are eligible for separate rates in this review.⁷

Separate Rates for Eligible Non-Selected Respondents

In accordance with the U.S. Court of Appeals for the Federal Circuit’s decision in *Albemarle Corp. v. United States*,⁸ we assigned to eligible non-selected respondents the separate rate we assigned to Jiangsu Senmao⁹ for the preliminary results of this review.

China-Wide Entity

Commerce’s policy regarding conditional review of the China-wide entity applies to this administrative review.¹⁰ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the

entity. Because no party requested a review of the China-wide entity, the entity is not under review and the entity’s rate is not subject to change. Aside from the no shipments companies discussed above, and the company for which the review is being rescinded, Commerce considers all other companies for which a review was requested and which did not preliminarily qualify for a separate rate, to be part of the China-wide entity.¹¹ For additional information, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a) (1) (B) of the Tariff Act of 1930, as amended (the Act). We calculated export price for Jiangsu Senmao in accordance with section 772 of the Act. Because China is a NME within the meaning of section 771(18) of the Act, we calculated NV in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and in the Central Records Unit, Room B8024 of the main Commerce building. In

addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content. A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice.

Preliminary Results of Review

In this administrative review, we preliminarily calculated a weighted-average dumping margin for Jiangsu Senmao of zero.¹² We assigned this rate to the companies subject to this review who established their eligibility for a separate rate.

Commerce preliminarily finds that Jinqiao Flooring did not establish eligibility for a separate rate, and is therefore considered to be part of the China-wide entity.¹³ Because no party requested a review of the China-wide entity, the entity is not under review, and the China-wide entity’s rate of 25.62 percent from the investigation is not subject to change. For additional information regarding this determination, see the Preliminary Decision Memorandum.

For companies subject to this review that have established their eligibility for a separate rate, Commerce preliminarily determines that the following weighted-average dumping margins exist for the period December 1, 2015, through November 30, 2016:

Exporters	Weighted-average dumping margin (percent)

after the date of publication of these preliminary results of review.¹⁴ Rebuttals to case briefs may be filed no later than five days after the written comments are filed, and all rebuttal

comments must be limited to comments raised in the case briefs.¹⁵

Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are encouraged to submit with each

argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review, in accordance with 19 CFR 351.212(b). For the company for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions with respect to the companies for which this review is rescinded to CBP 15 days after the publication of this notice.

For the remaining companies subject to review, and for which we do not make a final determination of no shipments, Commerce will direct CBP to assess rates based on the per-unit (*i.e.*, per square meter) amount on each entry of the subject merchandise during the POR. For the respondents that were not selected for individual examination in this administrative review but qualified for a separate rate, the assessment rate will be equal to the weighted-average dumping margin assigned to Jiangsu Senmao in the final results of this

review.¹⁶ If Jiangsu Senmao's weighted-average dumping margin is zero or *de minimus* (*i.e.*, less than 0.5 percent), Commerce will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. Commerce intends to issue assessment instructions to CBP 15 days after the publication date of the final results of review. For entries that were not reported in the U.S. sales databases submitted by the companies individually examined during this review, Commerce will instruct CBP to liquidate such entries at the China-wide rate. In addition, if we continue to find no shipments of subject merchandise for the 16 companies that reported no such shipments during the POR,¹⁷ any suspended entries of subject merchandise from those companies will be liquidated at the China-wide rate.¹⁸

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be that rate established in the final results of this review (except, if the rate is *de minimis*, then a cash deposit rate of zero will be required); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity, which is 25.62 percent; and (4) for all non-China exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to China exporter(s) that supplied that non-China exporter. These

cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Carbon and Alloy Steel Wire Rod From the Republic of South Africa: Affirmative Final Determination of Sales at Less Than Fair Value and Affirmative Finding of Critical Circumstances

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines that imports of carbon and alloy steel wire rod (wire rod) from the Republic of South Africa (South Africa) are being, or are likely to be, sold in the United States at less than fair value (LTFV). The final estimated weighted-average dumping margins of sales at LTFV are listed below in the section entitled "Final Determination." The period of investigation (POI) is January 1, 2016, through December 31, 2016.

DATES: Applicable January 16, 2018.

FOR FURTHER INFORMATION CONTACT: Moses Song or John McGowan, AD/CVD Operations, Office VI, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5041 or (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 31, 2017, Commerce published the *Preliminary Determination* in the **Federal Register**.¹ The petitioners in this investigation are Gerdau Ameristeel US Inc., Nucor Corporation, Keystone Consolidated Industries, Inc., and Charter Steel (collectively, the petitioners). The three mandatory respondents in this investigation are: (1) ArcelorMittal South Africa Limited (AMSA); (2) Scaw South Africa (Pty) Ltd. (also known as Scaw Metals Group) (Scaw); and (3) Davsteel Division of Cape Gate (Pty) Ltd. (Cape Gate). At the *Preliminary Determination*, Commerce determined that AMSA, Scaw, and Consolidated Wire Industries (CWI) are affiliated and

constituted a single entity, *i.e.*, AMSA/Scaw/CWI. Furthermore, we preliminarily found that the application of facts available with an adverse inference (AFA) to the collapsed entity, due to Scaw's failure to participate in this investigation, was warranted. Commerce also preliminarily determined that critical circumstances existed for AMSA/Scaw/CWI and for all-other exporters/producers of wire rod. Concerning Cape Gate, Commerce preliminarily determined not to further examine Cape Gate as part of this investigation because Cape Gate timely certified that it did not make any sales of subject merchandise in the United States during the POI and there is no record evidence to the contrary.

A summary of the events that occurred since Commerce published the *Preliminary Determination*, as well as a full discussion of the issues raised by parties for this final determination, may be found in the accompanying Issues and Decision Memorandum.² The Issues and Decision Memorandum is a public document, and is on file electronically *via* Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov>. The signed and electronic versions of the Issues and Decision Memorandum are identical in content.

Scope of the Investigation

The product covered by this investigation is wire rod from South Africa. For a complete description of the scope of this investigation, *see* Appendix I.

Scope Comments

During the course of this investigation, Commerce received numerous scope comments from interested parties. Prior to the *Preliminary Determination*, Commerce issued a Preliminary Scope Decision Memorandum to address these comments. As a result of these comments, Commerce made no changes
