

be kept confidential under exemption 4 of the Freedom of Information Act, which protects from disclosure trade secrets and commercial or financial information (5 U.S.C. 552(b)(4)).

**Current actions:** On February 21, 2018, the Federal Reserve published a notice in the **Federal Register** (83 FR 7474) requesting public comment for 60 days on the extension, with revision, of the Reports of Deposits (FR 2900; OMB No. 7100-0087). The Board proposes raising the nonexempt deposit cutoff to \$1 billion, substantially increasing the cutoff from its indexed amount of \$457.5 million that is set to take effect in September 2018. This proposed increase in the nonexempt deposit cutoff would reduce reporting burden on depository institutions while maintaining accurate measurements of the money and reserves aggregates. With this increase, the Board estimates that approximately 1,000 depository institutions would become newly eligible to elect to shift from weekly to quarterly FR 2900 reporting. However, consistent with current policy, newly eligible institutions for quarterly reporting may elect to continue reporting weekly. There are no changes proposed for the FR 2910a, FR 2915, or FR 2930. The comment period for this notice expired on April 23, 2018. The Federal Reserve did not receive any comments. The revisions will be implemented as proposed.

The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Final approval under OMB delegated authority of the extension for three years, without revision, of the following report:

**Report title:** Senior Loan Officer Opinion Survey on Bank Lending Practices.

**Agency form number:** FR 2018.

**OMB control number:** 7100-0058.

**Frequency:** Up to six times a year.

**Respondents:** Domestically chartered large commercial banks and large U.S. branches and agencies of foreign banks.

**Estimated number of respondents:** 104.

**Estimated annual burden hours:** 1,248 hours.

**General description of report:** The FR 2018 is conducted with a senior loan officer at each respondent bank, generally through electronic submission, up to six times a year. The purpose of the survey is to provide qualitative and limited quantitative information on credit availability and demand, as well as evolving developments and lending practices in the U.S. loan markets. A portion of each survey typically covers special topics of timely interest. There is the option to survey other types of respondents (such

as other depository institutions, bank holding companies, or other financial entities) should the need arise. The FR 2018 survey provides crucial information for monitoring and understanding the evolution of lending practices at banks and developments in credit markets.

**Legal authorization and confidentiality:** The Board's Legal Division has determined that the Senior Loan Officer Opinion Survey on Bank Lending Practices is authorized by Sections 2A, 11, and 12A of the Federal Reserve Act (12 U.S.C. 225a, 248(a), and 263) and Section 7 of the International Banking Act (12 U.S.C. 3105(c)(2)) and is voluntary. Individual survey responses from each respondent can be held confidential under section (b)(4) of the Freedom of Information Act (5 U.S.C. 552(b)(4)). ## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Administration for Children and Families

#### Agency Recordkeeping/Reporting Requirements Under Emergency Review by the Office of Management and Budget (OMB); Comment Request

**Title:** Sponsorship Review Procedures for Approval for Unaccompanied Alien Children.

**OMB No.:** 0970-0278.

**Description:** The Administration for Children (ACF), Office of Refugee Resettlement (ORR) requests the use of emergency processing procedures in accordance with 5 CFR Section 1320.13 to expand the scope of an existing information collection under OMB control number 0970-0278, Reunification Procedures for

Unaccompanied Alien Children, renamed to Sponsorship Review Procedures for Approval of Unaccompanied Alien Children. The information collection will allow ACF to conduct suitability assessments to vet potential sponsors of unaccompanied alien children in accordance with a Memorandum of Agreement (MOA) between ORR and the Department of Homeland Security. Specifically, the information collection allows ORR to obtain biometric and biographical information from sponsors, adult

members of their household, and adult care givers identified in a sponsor care plan, where applicable. ORR in turn shares the information collected with other federal departments to conduct background checks. ORR intends the instruments used in this submission to be available for use by mid-May 2018.

ACF cannot reasonably comply with the normal clearance procedures because the use of normal clearance procedures is reasonably likely to prevent the collection of needed information in a timely manner.

Complying with the normal clearance procedures would delay or disrupt ORR's ability to expand the background checks in order to more comprehensively evaluate the suitability of potential sponsors of unaccompanied alien children, and to ensure safe and appropriate placement of children. The information collection is essential to the mission of the agency.

**Respondents:** Sponsors, adult household members, parents or legal guardians of unaccompanied alien children.

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Family reunification application .....	50,000	1	0.5	25,000
Authorization for Release of Information .....	90,000	1	0.25	22,500
Fingerprint Instructions .....	90,000	1	1	90,000
Letter of Designation .....	25,000	1	0.25	6,250

*Estimated Total Annual Burden per Respondent:* 143,750.

**Additional Information:**

ACF is requesting that OMB grant approval for this information collection under procedures for emergency processing through October 31, 2018, the expiration date for the already approved information collection. ACF requests approval of the expanded information collection by May 11, 2018. Although ACF is seeking immediate approval of the specific aspects of the information collection described above, ACF is also soliciting public comment on these aspects of the information collection and on the information collection more generally.

Copies of the proposed collection of information for emergency processing and public comment can be obtained at [reginfo.gov](http://reginfo.gov) by searching for OMB Control No. 0970-0278. Comments may be forwarded by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 330 C Street SW, Washington DC 20201. Attn: ACF Reports Clearance Officer. Email address: [infocollection@acf.hhs.gov](mailto:infocollection@acf.hhs.gov). All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the

collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.
