[FHWA Docket No. 2006-23551]

Request for Renewal of Currently Approved Information Collection: Certification of Enforcement of Vehicle Size and Weight Laws

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the requirements in section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, this notice announces the intention of FHWA to request the Office of Management and Budget (OMB) to renew its clearance of the currently approved information collection identified below under Supplementary Information.

DATES: Comments must be submitted on or before March 13, 2006.

ADDRESSES: All signed, written comments should refer to the docket number that appears in the heading of this document and must be submitted to the Docket Clerk, U.S. DOT Dockets, Room PL-401, 400 Seventh Street, SW., Washington, DC 20590-0001. Please identify the specific collection of information that is being commented on by referencing its OMB control number. All comments received will be available for examination at the above address between 10 a.m. to 5 p.m., e.s.t., Monday through Friday, except Federal holidays. Those desiring notification of receipt of comments must include a self-addressed, stamped envelope or postcard.

FOR FURTHER INFORMATION CONTACT: Mr. Bob Davis, (202) 366-2997, Federal Highway Administration, Office of Freight Management and Operations, Department of Transportation, 400 Seventh Street, SW., Washington, DC 20590. Office hours are from 7:45 a.m. to 4:15 p.m., e.s.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Title: Certification of Enforcement of Vehicle Size and Weight Laws.

OMB Number: 2125-0034.

Background: Title 23, U.S.C., section 141, requires each State, the District of Columbia, and Puerto Rico to file an annual certification that they are enforcing their size and weight laws on Federal-aid highways and that their Interstate System weight limits are consistent with Federal requirements to be eligible to receive an apportionment of Federal highway trust funds. Section

141 also authorizes the Secretary to require States to file such information as is necessary to verify that their certifications are accurate. To determine whether States are adequately enforcing their size and weight limits, each must submit an updated plan for enforcing their size and weight limits to the FHWA at the beginning of each fiscal year. At the end of the fiscal year, they must submit their certifications and sufficient information to verify that the enforcement goals established in the plan have been met. Failure of a State to file a certification, adequately enforce its size and weight laws, and enforce weight laws on the Interstate System that are consistent with Federal requirements, could result in a specified reduction of its Federal highway fund apportionment for the next fiscal year. In addition, section 123 of the Surface Transportation Assistance Act of 1978 (Pub. L. 95-599, 92 Stat. 2689, 2701) requires each jurisdiction to inventory (1) its penalties for violation of its size and weight laws, and (2) the term and cost of its oversize and overweight permits.

Respondents: The State Departments of Transportation (or equivalent) in the 50 States, the District of Columbia, and Puerto Rico.

Estimated Total Annual Burden: 4,160 hours. This number has not changed from the last approved OMB clearance.

Frequency: The reports must be submitted annually.

Authority: 23 U.S.C. 141; 44 U.S.C. 3506(c)(2)(A); 23 CFR 657; Section 123, Pub. L. 95-599, 92 Stat. 2701; 49 CFR 1.48.

Issued On: January 6, 2006.

Surface Transportation Board

[STB Finance Docket No. 34809]

Gregory B. Cundiff, Connie Cundiff, CGX, Inc., and Ironhorse Resources, Inc.—Control Exemption—Caney Fork and Western RR, Inc.

Gregory B. Cundiff and Connie Cundiff (together, Cundiffs), CGX, Inc. (CGX), and Ironhorse Resources, Inc. (Ironhorse), noncarriers (together, Applicants), have filed a verified notice of exemption to acquire control of Caney Fork and Western RR, Inc. (CFWR), a Class III railroad.¹ CFWR operates in Tennessee.

The transaction was expected to be consummated on or after December 23, 2005.

The Cundiffs directly control CGX, which in turn directly controls Ironhorse. CGX directly controls three Class III rail carriers: Mississippi Tennessee Holdings, LLC; Lone Star Railroad, Inc.; and Rio Valley Railroad, Inc. Ironhorse directly controls four Class III rail carriers: Mississippi Tennessee Railroad, LLC; Railroad Switching Service of Missouri; Rio Valley Switching Company; and Southern Switching Company.

Applicants state that: (1) The rail lines operated by CFWR, and by rail carriers controlled by CGX and Ironhorse do not connect with each other or any railroad in their corporate family; (2) the transaction is not part of a series of anticipated transactions that would connect the railroads with each other or any railroad in their corporate family; and (3) the transaction does not involve a Class I carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. See 49 CFR 1180.2(d)(2).

The purpose of this transaction is to make the efficiencies and economies of the Applicants' corporate structure available to CFWR.

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for

transactions under sections 11324 and 11325 that involve only Class III rail carriers. Accordingly, the Board may not impose labor protective conditions here, because all of the carriers involved are Class III carriers.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34809, must be filed with the Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Thomas F. McFarland, Thomas F. McFarland, P.C., 208 South LaSalle Street, Suite 1890, Chicago, IL 60604-1112.

Board decisions and notices are available on our Web site at <http://www.stp.dot.gov>.

Decided: January 5, 2006.

By the Board, David M. Konschnik,
Director, Office of Proceedings.

Vernon A. Williams,
Secretary.
