[Doc. No. FV06-372]

Notice of Change in Interest Rate Awarded in Reparation Proceedings Under the Perishable Agricultural Commodities Act

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice.

SUMMARY: The Department of Agriculture (USDA) has changed the method used to calculate the interest to be awarded in reparation awards issued under the Perishable Agricultural Commodities Act (PACA).

Additional Information: Contact Dexter Thomas, Senior Marketing Specialist, PACA Branch, Fruit and Vegetable Programs, AMS, USDA, 1400 Independence Avenue, SW., Room 2095—South Building, Mail Stop 0242, Washington, DC 20250-0242. E-mail—dexter.thomas@usda.gov. This notice will also be posted on the Internet at <http://www.ams.usda.gov/fv/paca.htm>.

SUPPLEMENTARY INFORMATION: Since 1992, reparation awards issued pursuant to the provisions of the Perishable Agricultural Commodities Act, 1930, as amended (7 U.S.C. 499a *et seq.*) (PACA), have included interest at the rate of 10 percent per annum on the basic damage award to provide the injured party the full amount of damages sustained. Public notice is hereby given that the Secretary of Agriculture, through the Judicial Officer, will now assess interest in PACA reparation awards consistent with the methodology set forth in 28 U.S.C. 1961 which sets forth a uniform rate of interest on any monetary judgment in a civil case recovered in district court, as well as final judgments against the United States in the United States Court of Appeals for the Federal circuit, and judgments of the United States Court of Federal Claims.

In an Order on Reconsideration issued on February 21, 2006, in a reparation proceeding under the PACA (*PGB International, LLC, v. Bayche Companies, Inc.*, PACA Docket Number R-05-118, Decision on Reconsideration (2006)), the Judicial Officer noted that there should be consistency in the rate of interest on monetary judgments awarded in all federal forums. Since a claim can be pursued in a federal district court rather than under the PACA, and since the decision of the Secretary is appealable to the Federal district courts, the Judicial Officer found it appropriate for the Secretary to follow the same procedural statute for assessing interest on money judgments as in civil cases recovered in other Federal courts. The Judicial Officer further noted that other federal agencies have also determined that it is appropriate to utilize the formula stated in 28 U.S.C. 1961 to set the interest rate on monetary awards made in an administrative forum.

Accordingly, all reparation awards issued under the PACA subsequent to the Judicial Officer's February 21, 2006, Order shall be calculated in accordance with 28 U.S.C. 1961. The interest rate shall be calculated on the date of the Order, at a rate equal to the weekly average 1-year constant maturity treasury yield, as published by the Board of Governors of the Federal Reserve System, for the calendar week preceding the date of the Order.

Dated: April 24, 2006.

Lloyd C. Day,

Administrator, Agricultural Marketing Service.

SUPPLEMENTARY INFORMATION:

Title: Animal Welfare.

OMB Number: 0579-0093.

Type of Request: Extension of approval of an information collection.

Abstract: The regulations in 9 CFR parts 1 through 3 were promulgated under the Animal Welfare Act (the Act) (7 U.S.C. 2131 *et seq.*) to ensure the humane handling, care, treatment, and transportation of regulated animals under the Act. The Act and regulations are enforced by USDA's Animal and Plant Health Inspection Service (APHIS).

The regulations in 9 CFR part 3, subparts A, D, and E cover dogs and cats, nonhuman primates, and marine mammals, respectively. Subparts B and C cover rabbits, guinea pigs, and hamsters. Subpart F of 9 CFR part 3 covers warmblooded animals other than dogs, cats, nonhuman primates, marine mammals, rabbits, guinea pigs, and hamsters. Regulated facilities are required to keep certain records and provide specific information regarding space, transportation, exercise plan, and perimeter fence requirements. We review this information to evaluate program compliance.

The reporting and recordkeeping requirements of 9 CFR part 3, subparts A, B, C, D, E, and F do not mandate the use of any official government form.

We are asking the Office of Management and Budget (OMB) to approve our use of these information collection activities for an additional 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the information collection, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the information collection on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies, *e.g.*, permitting electronic submission of responses.

Estimate of burden: The public reporting burden for this collection of information is estimated to average 0.3228688 hours per response.

Respondents: Dealers, exhibitors, research facilities, carriers, and intermediate handlers.

Estimated annual number of respondents: 10,217.

Estimated annual number of responses per respondent: 14.198101.

Estimated annual number of responses: 145,062.

Estimated total annual burden on respondents: 46,836 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 24th day of April 2006.

Elizabeth E. Gaston,

Acting Administrator, Animal and Plant Health Inspection Service.
