most significant aspects of such statements.

*A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

1. Purpose

Amex Rule 320 currently requires each office, department or business activity of a member or member organization to be under the supervision and control of the member or member organization, and it also mandates that each member or member organization provide for appropriate supervisory and control procedures and designate appropriately qualified personnel to ensure that its business complies with securities laws and regulations. The purpose of this proposal is to amend Amex Rule 320 to require members and member organizations that have employees to adopt a system of compliance and supervisory controls, including written compliance and supervisory policies and procedures.

Specifically, Amex proposes to add a new section (e) to Amex Rule 320, and consequently re-designate existing section (e) as section (f), to require that members and member organizations with employees must establish, maintain, enforce and keep current compliance and supervisory control systems appropriate to their business size, structure, customer accounts, transactions and business activities. Proposed Amex Rule 320(e) would require that the written compliance and supervisory procedures be amended, as appropriate and within a reasonable time, to reflect changes in applicable securities laws and regulations, Exchange rules, and the member's or member organization's compliance and supervisory system. Additionally, under proposed Amex Rule 320(e), the individual designated pursuant to Amex Rule 320(c) to assume authority and responsibility for the member's or member organization's compliance with securities laws, regulations and Exchange rules would be required to provide reports, at least annually, to the member's or member organization's senior management summarizing: (1) The system of supervisory controls, (2) The system of follow-up and review to verify that any delegated authority and responsibility is being properly exercised, (3) any additional or amended compliance or supervisory programs that have been created and implemented during the course of the previous twelve months, and (4) any supervisory procedures created as a result of changes in the system of follow

up and review that have been revised or added in the past twelve months.

The Exchange also proposes to adopt new Commentary .08 to Amex Rule 320 to provide that a member or member organization consisting of a single individual (for example, a sole proprietorship) must maintain a written compliance manual specifying (1) the obligations to which such member or member organization is subject under applicable securities laws and regulations and Exchange rules and (2) the processes and controls in place that are reasonably designed to achieve compliance with such obligations. Because these members and member organizations do not have employees to supervise, proposed Amex Rule 320(e) would not require that they establish or maintain either a system of supervisory controls or written supervisory policies and procedures, or that they implement annual reporting requirements to the member's or member organization's senior management concerning supervisory controls.

The Exchange also proposes to amend sections (b) and (c) of Amex Rule 320 to include references to compliance with Exchange rules, in addition to the current references to compliance with securities laws and regulations, in order to explicitly reference a member's and member organization's obligation to comply with Exchange rules in addition to all applicable securities laws and regulations.

Finally, the Exchange proposes technical conforming changes to: (1) Replace references to "member firm" with a reference to "member organization," and (2) clarify references to "member organization" as applying to "member or member organization," as appropriate, throughout Amex Rule 320.

2. Statutory Basis

Amex believes that the proposed rule change is consistent with section 6(b) of the Act,<sup>4</sup> in general, and furthers the objectives of section 6(b)(5) of the Act,<sup>5</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.

*B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange believes that the proposed rule change does not impose any burden on competition that is not

necessary or appropriate in furtherance of the purposes of the Act.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve such proposed rule change, as amended, or

(B) Institute proceedings to determine whether the proposed rule change, as amended, should be disapproved.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53704; File No. SR-Amex-2006-37]

### Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Floor Participant Technology Fee

April 21, 2006.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on April 20, 2006, the American Stock Exchange LLC ("Amex" or "Exchange") submitted to the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. Amex filed the proposed rule change pursuant to section 19(b)(3)(A)(ii) of the Act<sup>3</sup> and Rule 19b-4(f)(2) thereunder,<sup>4</sup> which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to increase the technology fee charged to the floor participants from its current rate of \$3,000 per year (\$250 per month) to \$6,000 per year (\$500 per month). The text of the proposed rule change is available on Amex's Web site at <http://www.amex.com>, at the principal office of Amex, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Amex included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Amex has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The purpose of this proposal is to amend the Amex's Floor Fee Schedule to increase the technology fee and to remove any obsolete items. Since the technology fee has not been increased since December 2001,<sup>5</sup> the Exchange believes that an increase in the technology fee is appropriate at this time to cover increased costs resulting from the enhancement and development of trading technology, including new data centers, the Auction and Electronic Market Integration ("AEMI"), and improvements to the Amex New Trading Environment ("ANTE"), as well as other technology costs. The current technology fee is \$3,000 per year or \$250 per month. The Exchange proposes to increase the fee to \$6,000 per year or \$500 per month. The Exchange also proposes to remove references to fees that are no longer applicable due to their expiration so that the Floor Fee Schedule reflects the fees for current service levels.

The Exchange asserts that the proposal is equitable as required by section 6(b)(4) of the Act.<sup>6</sup> In connection

with an increase to the technology fee from \$3,000 per year (or \$250 per month) to \$6,000 per year (or \$500 per month), the Exchange believes that said increase is reasonable and appropriate to cover the Exchange's rising costs associated with a number of technology initiatives benefiting floor members.

###### 2. Statutory Basis

Amex believes that the proposed rule change is consistent with section 6(b) of the Act,<sup>7</sup> in general, and furthers the objectives of section 6(b)(4) of the Act,<sup>8</sup> in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using exchange facilities.

##### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition.

##### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

#### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change establishes or changes a due, fee, or other charge applicable only to a member imposed by the Exchange, and, therefore, has become effective pursuant to section 19(b)(3)(A)(ii) of the Act<sup>9</sup> and subparagraph (f)(2) of Rule 19b-4 thereunder.<sup>10</sup> At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
