

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Water Act

On May 24, 2018, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Hawaii in the lawsuit entitled *United States of America v. Triple Dragon LLC et al.*, Civil Action No. 1:18-cv-152.

The Complaint in this Clean Water Act case was filed against the defendants on April 27, 2018. The Complaint alleges that the defendants, Triple Dragon LLC, Trung Anh Quach, and Aukusitino Lui Maui, are civilly liable for violations of Section 311 of the Clean Water Act ("CWA"), 33 U.S.C. 1321. Mr. Quach is the managing member of the company and Mr. Maui was the operator of the vessel at the time the Coast Guard discovered the violations. The Complaint alleges that the company and individuals are liable for violations related to the commercial longline fishing vessel *Triple Dragon's* operations based out of Honolulu, Hawaii. The Complaint addresses discharges of oily bilge waste from the vessel while fishing for tuna off Hawaii. The Complaint also includes a Clean Water Act claim for violations of the Coast Guard's pollution control regulations, including failure to provide sufficient capacity to retain all oily bilge water onboard the vessel. The United States seeks civil penalties and injunctive relief to deter future violations by the defendants and others in the industry.

Under the proposed Consent Decree, the defendants will perform corrective measures to remedy the violations and prevent future violations, including: (1) Repairing the vessel to reduce the quantity of oily waste generated during a fishing voyage; (2) providing crewmembers with training on the proper handling of oily wastes; (3) documenting proper oily waste management and disposal after returning to port; and (4) submitting compliance reports to the Coast Guard and the Department of Justice.

The consent decree also requires the company, company manager, and vessel operator to each pay a civil penalty. The penalty amounts were set considering each defendant's limited ability to pay a higher penalty, as demonstrated through documentation submitted to the United States and analyzed by a financial expert. Triple Dragon LLC must pay a civil penalty of \$15,000; the company manager, Trung Anh Quach, must pay a civil penalty of \$10,000; and

the vessel operator, Aukusitino Lui Maui, must pay a civil penalty of \$500. Under the terms of the Clean Water Act, the penalties paid for these discharges will be deposited in the federal Oil Spill Liability Trust Fund managed by the National Pollution Funds Center.
