- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.* permitting electronic submission of responses.

You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission's regulations.[1] The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from *http://www.cftc.gov* that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the Information Collection Request will be retained in the public comment file and will be considered as required under the Administrative Procedures Act and other applicable laws, and may be accessible under the Freedom of Information Act.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The UISFL program provides grants for planning, developing, and carrying out programs to strengthen and improve undergraduate instruction in international studies and foreign languages in the United States.

Priorities: This notice contains two competitive preference priorities and two invitational priorities. Competitive Preference Priority 1 is from the notice of final priority (NFP) published in the **Federal Register** on June 11, 2014 (79 FR 33432). Competitive Preference Priority 2 is from 34 CFR 658.35(a).

Competitive Preference Priorities: For FY 2018, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), an applicant is eligible to receive an additional two or three points depending on how well the application meets Competitive Preference Priority 1 and up to an additional two points depending on how well the application meets Competitive Preference Priority 2. An applicant may receive a total of up to 5 additional points under the competitive preference priorities.

These priorities are:

Competitive Preference Priority 1 (2 or 3 points).

Applications from Minority-Serving Institutions (MSIs) (as defined in this notice) or community colleges (as defined in this notice), whether as individual applicants or as part of a consortium of institutions of higher education (IHEs) (consortium) or a partnership between nonprofit educational organizations and IHEs (partnership).

An application from a consortium or partnership that has an MSI or community college as the lead applicant will receive more points under this priority than applications in which the MSI or community college is a member of a consortium or partnership but not the lead applicant.

A consortium or partnership must undertake activities designed to incorporate foreign languages into the curriculum of the MSI or community college and to improve foreign language and international or area studies instruction on the MSI or community college campus.

Note: We will award either 2 or 3 points to an application that meets this priority. If an MSI or community college is a single applicant, or the lead applicant in a consortium or partnership, the application will receive 3 additional points. If an MSI or community college is a member of a consortium or partnership, but not the lead applicant, the application will receive 2 additional points. No application will receive more than 3 additional points for this priority.

Competitive Preference Priority 2 (0 or 2 points).

Applications from IHEs or consortia of these institutions that require entering students to have successfully completed at least 2 years of secondary school foreign language instruction or that require each graduating student to earn two years of postsecondary credit in a foreign language (or have demonstrated equivalent competence in the foreign language) or, in the case of a 2-year degree granting institution, offer two years of postsecondary credit in a foreign language.

Invitational Priorities: For FY 2018, these priorities are invitational priorities. Under 34 CFR 75.105(c)(1), we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1—Substantive Training and Thematic Focus on Less Commonly Taught Languages.

Applications that propose programs or activities focused on language instruction or development of area or international studies programs to include substantive training and thematic focus on any modern foreign languages, except French, German, or Spanish.

Invitational Priority 2—Developing Interdisciplinary Curriculum.

Applications that propose to create innovative curricula that combine the teaching of international studies with one of the following academic fields of study: science, technology, engineering, mathematics, business, economics, public health, international and comparative education and computer science. Programs can be located within the applicant's home IHE or within an IHE that is part of the consortium/partnership applying for the grant.

Definitions: The following definitions are from the NFP published in the **Federal Register** on June 11, 2014 (79 FR 33432).

Minority-Serving Institution means an institution that is eligible to receive assistance under sections 316 through 320 of part A of title III, under part B of title III, or under title V of the HEA.

(2) An assurance that the faculty and administrators of all relevant departments and programs served by the applicant are involved in ongoing collaboration with regard to achieving the stated objectives of the application;

(3) An assurance that students at the applicant institutions, as appropriate, will have equal access to, and derive benefits from, the UISFL Program;

(4) An assurance that each applicant, consortium, or partnership will use the Federal assistance provided under the UISFL Program to supplement and not supplant non-Federal funds the

institution expends for programs to improve undergraduate instruction in international studies and foreign languages;

(5) A description of how the applicant will provide information to students regarding federally funded scholarship programs in related areas;

(6) An explanation of how the activities funded by the grant will reflect diverse perspectives and a wide range of views, and generate debate on world regions and international affairs, where applicable; and

2. *Review and Selection Process:* We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

The Secretary, to the extent practicable and consistent with the criterion of excellence, seeks to encourage diversity by ensuring that a variety of types of projects and institutions receive funding.

3. *Risk Assessment and Specific Conditions:* Consistent with 2 CFR 200.205, before awarding grants under this competition the Department conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose specific conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

4. *Integrity and Performance System:* If you are selected under this competition to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently $150,000), under 2 CFR 200.205(a)(2) we must make a judgment about your integrity, business ethics, and record of performance under Federal awards—that is, the risk posed by you as an applicant—before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that, if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds $10,000,000, the reporting requirements in 2 CFR part 200, Appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2 CFR part 200, Appendix XII, if this grant plus all the other Federal funds you receive exceed $10,000,000.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved

application as part of your binding commitments under the grant.

3. *Open Licensing Requirements:* Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.

4. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to *www.ed.gov/fund/grant/apply/appforms/appforms.html.* Performance reports for the UISFL program must be submitted electronically into the office of International and Foreign Language Education web-based reporting system, International Resource Information System (IRIS). For information about IRIS and to view the reporting instructions, please go to *http://iris.ed.gov/iris/pdfs/UISFL.pdf.*

5. *Performance Measures:* Under the Government Performance and Results Act, the Department will use the following performance measures to evaluate the success of the UISFL program: Percentage of UISFL projects that added or enhanced courses in international studies in critical world areas and priority foreign languages; and percentage of UISFL consortium projects that established certificate and/or undergraduate degree programs in international or foreign language studies.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
