## SECURITIES AND EXCHANGE COMMISSION

# **Proposed Collection; Comment Request**

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Form 2–E under Rule 609; SEC File No. 270–222; OMB Control No. 3235–0233

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information

summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

• Form 2–E under the Securities Act of 1933, Report of Sales pursuant to Rule 609 of Regulation E. Rule 609 under the Securities Act of 1933, Report of Sales

Under Rule 609 under the Securities Act of 1933 (17 CFR 230.609), Form 2-E under the Securities Act of 1933 (17 CFR 239.201) is used by small business investment companies or business development companies engaged in limited offerings of securities to report semi-annually the progress of the offering, including the number of shares sold. The form solicits information such as the dates an offering has commenced and has been completed, the number of shares sold and still being offered, amounts received in the offering, and expenses and underwriting discounts incurred in the offering. This information assists the staff in determining whether the issuer has stayed within the limits of an offering exemption.

Form 2–E must be filed semi-annually during an offering and as a final report at the completion of the offering. Less frequent filing would not allow the Commission to monitor the progress of the limited offering in order to ensure that the issuer was not attempting to avoid the normal registration provisions of the securities laws.

During the calendar year 2005, there were 36 filings of Form 2–E by 24 respondents. The Commission estimates, based on its experience with disclosure documents generally and Form 2–E in particular, and based on informal contacts with the investment company industry, that the total annual burden associated with information collection, Form 2–E preparation, and submission is four hours per filing or 144 hours for all respondents.

The estimates of average burden hours are made solely for the purposes of the Act and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of

information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Informtion Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312, or send an e-mail to: *PRA\_Mailbox@sec.gov*.

Extension: Form 24F–2; SEC File No. 270–399; OMB Control No. 3235–0456.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for extension of the previously approved collections of information discussed below.

Rule 24f-2 (17 CFR 270.24f-2) under the Investment Company Act of 1940 requires any open-end management companies ("mutual funds"), unit investment trusts ("UITs") or faceamount certificate companies (collectively, "funds") deemed to have registered an indefinite amount of securities to file, not later than 90 days after the end of any fiscal year in which it has publicly offered such securities, Form 24F-2 with the Commission.<sup>1</sup> Form 24F-2 is the annual notice of securities sold by funds that accompanies the payment of registration fees with respect to the securities sold during the fiscal year.

The Commission estimates that 5,509 funds file Form 24F–2 on the required annual basis. The average annual burden per respondent for Form 24F–2 is estimated to be two hours. The total annual burden for all respondents to

Form 24F–2 is estimated to be 11,018 hours. The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules.

Compliance with the collection of information required by Form 24F–2 is mandatory. The Form 24F–2 filing that must be made to the Commission is available to the public. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or e-mail to: David\_Rostker@omb.eop.gov; and (ii) R.
