Coast Guard

33 CFR Part 165

[Docket No. USCG–2018–0519]

RIN 1625–AA00

Safety Zone; LAZ Trommler Fireworks, Sandusky Bay, Marblehead, OH

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in the Captain of the Port Detroit Zone on Sandusky Bay, in the vicinity of Marblehead, OH. This Zone is intended to restrict vessels from portions of the Sandusky Bay for the LAZ Trommler Fireworks Display. Persons and vessels are prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port Detroit, or his designated representative. This temporary safety zone is necessary to protect spectators and vessels from the hazards associated with fireworks displays.

DATES: This regulation is effective from 9 p.m. on July 4, 2018 until 10:30 p.m. on July 5, 2018.

ADDRESSES: Documents mentioned in this preamble are part of docket USCG–2018–0519. I. Background Information and Regulatory History

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a)

of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule. The event sponsor notified the Coast Guard with insufficient time to accommodate the comment period. Thus, delaying the effective date of this rule to wait for the comment period to run would be impracticable and contrary to the public interest because it would prevent the Captain of the Port Detroit from keeping the public safe from the hazards associated with a maritime fireworks displays.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Waiting for a 30-day effective period to run is impracticable and contrary to the public interest for the reasons discussed in the preceding paragraph.

II. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port Detroit (COTP) has determined that potential hazards associated with fireworks displays starting after 9:30 p.m. on July 4, 2018 will be a safety concern for anyone within a 500 foot radius of the launch site. The likely combination of recreational vessels, darkness punctuated by bright flashes of light, and fireworks debris falling into the water presents risks of collisions which could result in serious injuries or fatalities. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during the fireworks display.

III. Discussion of the Rule

This rule establishes a safety zone that will be enforced from 9 p.m. until 10:30 p.m. on July 4, 2018 with a rain date of July 5, 2018 from 9 p.m. until 10:30 p.m. The safety zone will encompass all U.S. navigable waters of the Sandusky Bay within a 500 foot radius of the fireworks launch site located at position 41°30′16″ N, 083°48′08″ W. All geographic coordinates are North American Datum of 1983 (NAD 83).

The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable

waters during the fireworks display. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port, Sector Detroit or his designated representative. The Captain of the Port, Sector Detroit or his designated representative may be contacted via VHF Channel 16.

IV. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 (“Regulatory Planning and Review”) and 13563 (“Improving Regulation and Regulatory Review”) direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits including potential economic, environmental, public health and safety effects, distributive impacts, and equity. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. Executive Order 13771 (“Reducing Regulation and Controlling Regulatory Costs”), directs agencies to reduce regulation and control regulatory costs and provides that “for every one new regulation issued, at least two prior regulations be identified for elimination, and that the cost of planned regulations be prudently managed and controlled through a budgeting process.”

The Office of Management and Budget (OMB) has not designated this rule a significant regulatory action under section 3(f) of Executive Order 12866. Accordingly, the Office of Management and Budget (OMB) has not reviewed it. As this rule is not a significant regulatory action, this rule is exempt from the requirements of Executive Order 13771. See OMB’s Memorandum titled “Interim Guidance Implementing Section 2 of the Executive Order of January 30, 2017 titled ‘Reducing Regulation and Controlling Regulatory Costs’” (February 2, 2017).

This regulatory action determination is based on the size, location, and duration of the safety zone. The majority of vessel traffic will be able to safely transit around the safety zone, which will impact only a portion of the Sandusky Bay in Marblehead, OH for a short period time. Under certain conditions, moreover, vessels may still

transit through the safety zone when permitted by the Captain of the Port.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered the impact of this temporary rule on small entities. While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have

analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting 90 minutes that will prohibit entry within a 500 foot radius from where a fireworks display will be conducted. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to

coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

- 2. Add § 165.T09–0519 to read as follows:

§ 165.T09–0519 Safety Zone; LAZ Trommler Fireworks, Sandusky Bay, Marblehead, OH.

(a) *Location.* The following area is a temporary safety zone: All U.S. navigable waters of the Sandusky Bay within a 500 foot radius of the fireworks launch site located at position 41°30'16" N 083°48'08" W. All geographic coordinates are North American Datum of 1983 (NAD 83).

(b) *Enforcement period.* This regulation will be enforced from 9 p.m. until 10:30 p.m. on July 4, 2018 with a rain date of July 5, 2018 from 9 p.m. until 10:30 p.m. The Captain of the Port Detroit, or a designated representative may suspend enforcement of the safety zone at any time.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23, entry into, transiting or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Detroit, or his designated representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Detroit or his designated representative.

(3) The “designated representative” of the Captain of the Port Detroit is any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port Detroit to act on his behalf. The designated representative of the Captain of the Port Detroit will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Captain of the Port Detroit or his designated representative may be contacted via VHF Channel 16.

(4) Vessel operators desiring to enter or operate within the safety zone shall

contact the Captain of the Port Detroit or his designated representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Detroit or his designated representative.

Dated: June 6, 2018.

Jeffrey W. Novak,

Captain, U.S. Coast Guard, Captain of the Port Detroit.

RIN 2126–AB97

Process for Department of Veterans Affairs (VA) Physicians To Be Added to the National Registry of Certified Medical Examiners

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Final rule.

SUMMARY: FMCSA amends the Federal Motor Carrier Safety Regulations (FMCSRs) to establish an alternative process for qualified advanced practice nurses, doctors of chiropractic, doctors of medicine, doctors of osteopathy, physician assistants, and other medical professionals who are employed in the VA and are licensed, certified, or registered in a State to perform physical examinations (qualified VA examiners) to be listed on the Agency’s National Registry of Certified Medical Examiners, as required by the Fixing America’s Surface Transportation (FAST) Act and the Jobs for Our Heroes Act. After successful completion of online training and testing developed by FMCSA, these qualified VA examiners will become certified VA medical examiners who can perform medical examinations of, and issue Medical Examiner’s Certificates to, commercial motor vehicle operators who are military veterans enrolled in the VA healthcare system. This rule will reduce the costs for qualified VA examiners to be listed on the National Registry.

DATES: This final rule is effective August 10, 2018. Petitions for Reconsideration of this final rule must be submitted to the FMCSA Administrator no later than July 11, 2018.
