EFFECTIVE DATE: May 9, 2006.

Initiation and Preliminary Results of Changed Circumstances Review, and Intent to Revoke Order in Part

At the request of AFMC, and in accordance with sections 751(d)(1) and 751(b)(1) of the Act and 19 CFR 351.216, the Department is initiating a changed circumstances review of wooden bedroom furniture from the People's Republic of China to determine whether partial revocation of the AD order is warranted with respect to jewelry armoires that have at least one side door, whether or not the door is lined with felt or felt-like material. Section 782(h)(2) of the Act and 19 CFR 351.222(g)(1)(i) provide that the Department may revoke an order (in whole or in part) if it determines that producers accounting for substantially all of the production of the domestic like product have no further interest in the order, in whole or in part. In addition, in the event the Department determines that expedited action is warranted, 19 CFR 351.221(c)(3)(ii) permits the Department to combine the notices of initiation and preliminary results.

In accordance with section 751(b) of the Act, and 19 CFR 351.222(g)(1)(i) and 351.221(c)(3), we are initiating this changed circumstances review and have determined that expedited action is warranted. In accordance with 19 CFR 351.216(c), we find that the petitioners' affirmative statement of no interest constitutes good cause for the conduct of this review. Additionally, our decision to expedite this review stems from the domestic industry's lack of interest in applying the AD order to the specific wooden bedroom furniture (*i.e.*, jewelry armoires discussed above) covered by this request.

Based on the expression of no interest by the petitioners and absent any objection by any other domestic interested parties, we have preliminarily determined that substantially all of the domestic producers of the like product have no interest in the continued application of the AD order on wooden bedroom furniture to the merchandise that is subject to this request. Therefore, we are notifying the public of our intent to revoke, in part, the AD order as it relates to imports of the jewelry armoires from the People's Republic of China that have at least one side door,

whether or not the door is lined with felt or felt-like material.

Therefore, we intend to change footnote 11 of the scope on wooden bedroom furniture from the People's Republic of China to read as follows: Any armoire, cabinet or other accent item for the purpose of storing jewelry, not to exceed 24" in width, 18" in depth, and 49" in height, including a minimum of 5 lined drawers lined with felt or felt-like material, at least one side door (whether or not the door is lined with felt or felt-like material), with necklace hangers, and a flip-top lid with inset mirror. See Memorandum from Laurel LaCivita to Laurie Parkhill, Office Director, Issues and Decision Memorandum Concerning Jewelry Armoires and Cheval Mirrors in the Antidumping Duty Investigation of Wooden Bedroom Furniture from the People's Republic of China dated August 31, 2004. See Wooden Bedroom Furniture from the People's Republic of China: Notice of Final Results of Changed Circumstances Review and Revocation in the Part (FR citation and date to be added).

Public Comment

Interested parties are invited to comment on these preliminary results. Written comments may be submitted no later than 14 days after the date of publication of these preliminary results. Rebuttals to written comments, limited to issues raised in such comments, may be filed no later than 21 days after the date of publication. The Department will issue the final results of this changed circumstances review, which will include the results of its analysis raised in any such written comments, no later than 270 days after the date on which this review was initiated, or within 45 days if all parties agree to our preliminary results. See 19 CFR 351.216(e).

If final revocation occurs, we will instruct U.S. Customs and Border Protection to end the suspension of liquidation for the merchandise covered by the revocation on the effective date of the notice of revocation and to release any cash deposit or bond. See 19 CFR 351.222(g)(4). The current requirement for a cash deposit of estimated AD duties on all subject merchandise will continue unless and until it is modified pursuant to the final results of this changed circumstances review.

This initiation and preliminary results of review and notice are in accordance with sections 751(b) of the Act and 19 CFR 351.216, 351.221, and 351.222.

Dated: April 27, 2006.

*Assistant Secretary 6 for Import
Administration.*
