Title, Associated Form, and OMB

Control Number: Application for Department of Defense Impact Aid for Children with Severe Disabilities; SD Form 816 and SD Form 816C, OMB Control Number 0704-0425.

Needs and Uses: Department of Defense funds are authorized for local educational agencies (LEA)s that educate military dependent students with severe disabilities and meet certain criteria. Eligible LEAs are determined by their responses to the U.S. Department of Education (ED) from information they submitted on children with disabilities, when they completed the Impact Program form for the Department of Education. This application will be requested of LEAs who educate military dependent students with disabilities, who have been deemed eligible for the U.S. Department of Education Impact Aid program, to determine if they meet the criteria to receive additional funds from the Department of Defense due to high special education costs of the

military dependents with severe disabilities that they serve.

Affected Public: State, local or tribal government.

Annual Burden Hours: 400.

Number of Respondents: 50.

Responses per Respondent: 1.

Average Burden per Response: 8.

Frequency: On occasion.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The National Defense Authorization Act for Fiscal Year 2001, Public Law 106-398, Section 363, authorizes the Secretary of Defense to make payments to each local educational agency (LEA) eligible to receive a payment for a qualifying military dependent child. In order for a local education agency (LEA) to be determined eligible to receive a payment for costs incurred in providing a free appropriate public education to each military [as described in subparagraph (A)(i), (B), (D)(ii) of section 8003(a)(1) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7703(a)(1))], the LEA must provide educational and related services to two or more children with severe disabilities, and satisfy certain criteria. Payments will be made by the Department of Defense to LEAs only on behalf of each such child whose individual educational or related services costs exceeds either (a) five times the national or State average per pupil expenditure (whichever is lower) for an out-of-district special education (SPED) program, or (b) three times the State average per pupil expenditure for SPED programs offered by the district or within the district boundaries. The Application for Department of Defense Impact Aid for Children with Severe Disabilities, SD Form 816 and SD Form 816C, provides the format for eligible LEAs to submit information on high costs of educating military dependent children with severe disabilities. When the appropriate information is received, the Department of Defense will be able to determine eligibility and calculate payments for eligible LEAs who have high costs for educating military dependent children with severe disabilities.
