Summary of Information Collection

The National Defense Authorization Act for Fiscal Year 2001, Public Law 106-398, Section 363, authorizes the Secretary of Defense to make payments to each local educational agency (LEA) eligible to receive a payment for a qualifying military dependent child. In order for a local education agency (LEA) to be determined eligible to receive a payment for costs incurred in providing a free appropriate public education to each military [as described in subparagraph (A)(i), (B), (D)(ii) of section 8003(a)(1) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7703(a)(1))], the LEA must provide educational and related services to two or more children with severe disabilities, and satisfy certain criteria. Payments will be made by the Department of Defense to LEAs only on behalf of each such child whose individual educational or related services costs exceeds either (a) five times the national or State average per pupil expenditure (whichever is lower) for an out-of-district special education (SPED) program, or (b) three times the State average per pupil expenditure for SPED programs offered by the district or within the district boundaries. The Application for Department of Defense Impact Aid for Children with Severe Disabilities, SD Form 816 and SD Form 816C, provides the format for eligible LEAs to submit information on high costs of educating military dependent children with severe disabilities. When the appropriate information is received, the Department of Defense will be able to determine eligibility and calculate payments for eligible LEAs who have high costs for educating military dependent children with severe disabilities.
