OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket Number USTR–2018–0004; Dispute Number WT/DS541]

WTO Dispute Settlement Proceeding Regarding India—Export Related Measures

AGENCY: Office of the United States Trade Representative.

ACTION: Notice with request for comments.

SUMMARY: The Office of the United States Trade Representative (USTR) is providing notice that the United States has requested the establishment of a dispute settlement panel under the *Marrakesh Agreement Establishing the World Trade Organization* (WTO Agreement). That request may be found at www.wto.org in a document designated as WT/DS541/4. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments during the course of the dispute settlement proceedings, you should submit your comment on or before July 2, 2018, to be assured of timely consideration by USTR.

ADDRESSES: USTR strongly prefers electronic submissions made through the Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments in Section III below. The docket number is USTR–2018–0004. For alternatives to on-line submissions, please contact Sandy McKinzy at (202) 395–9483.

FOR FURTHER INFORMATION CONTACT: Assistant General Counsels Ross Bidlingmaier (202) 395–9409 or David Lee (202) 395–9511.

SUPPLEMENTARY INFORMATION:

I. Background

Section 127(b)(1) of the Uruguay Round Agreements Act (URAA) (19

U.S.C. 3537(b)(1)) requires notice and opportunity for comment after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Pursuant to this provision, USTR is providing notice that the United States has requested a dispute settlement panel pursuant to the *WTO Understanding on Rules Procedures Governing the Settlement of Disputes* (DSU). The panel will hold its meetings in Geneva, Switzerland.

II. Major Issues Raised by the United States

On March 14, 2018, the United States requested consultations concerning certain Indian export subsidies provided through: (1) The Export Oriented Units Scheme and sector specific schemes, including Electronics Hardware Technology Parks Scheme, (2) the Merchandise Exports from India Scheme, (3) the Export Promotion Capital Goods Scheme, (4) Special Economic Zones, and (5) a duty-free imports for exporters program. The parties failed to reach a mutually satisfactory resolution to this dispute. On May 17, 2018, the United States requested the establishment of a panel. The Dispute Settlement Body considered this request at its meeting of May 28, 2018, and established a panel to consider this dispute.

The United States alleges that India is providing prohibited export subsidies contrary to Articles 3.1(a) and 3.2 of the *Agreement on Subsidies and Countervailing Measures*.

III. Public Comments: Requirements for Submissions

USTR invites written comments concerning the issues raised in this dispute. All submissions must be in English and sent electronically via www.regulations.gov. To submit comments via www.regulations.gov, enter docket number USTR–2018–0004 on the home page and click “search.” The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice by selecting “notice” under “document type” on the left side of the search-results page, and click on the link entitled “comment now!” For further information on using the www.regulations.gov website, please consult the resources provided on the website by clicking on “How to Use Regulations.gov” on the bottom of the home page.

The www.regulations.gov website allows users to provide comments by filling in a “type comment” field, or by attaching a document using an “upload file” field. USTR prefers that comments

be provided in an attached document. If a document is attached, it is sufficient to type “see attached” in the “type comment” field. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If the submission is in an application other than those two, please indicate the name of the application in the “type comment” field.

For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters “BC”. Any page containing business confidential information must be clearly marked “BUSINESS CONFIDENTIAL” on the top and bottom of that page and the submission should clearly indicate, via brackets, highlighting, or other means, the specific information that is business confidential. If you request business confidential treatment, you must certify in writing that disclosure of the information would endanger trade secrets or profitability, and that the information would not customarily be released to the public. Filers of submissions containing business confidential information also must submit a public version of their comments. The file name of the public version should begin with the character “P”. The “BC” and “P” should be followed by the name of the person or entity submitting the comments or rebuttal comments. If this is not sufficient to protect business confidential information or otherwise protect business interests, please contact Sandy McKinzy at (202) 395–9483 to discuss whether alternative arrangements are possible.

USTR may determine that information or advice contained in a comment, other than business confidential information, is confidential in accordance with section 135(g)(2) of the Trade Act of 1974 (19 U.S.C. 2155(g)(2)). If a submitter believes that information or advice is confidential, s/he must clearly designate the information or advice as confidential and mark it as “SUBMITTED IN CONFIDENCE” at the top and bottom of the cover page and each succeeding page, and provide a non-confidential summary of the information or advice.

Pursuant to Section 127(e) of the URAA (19 U.S.C. 3537(e)), USTR will maintain a docket on this dispute settlement proceeding, docket number USTR–2018–0004, accessible to the public at www.regulations.gov. The public file will include non-confidential public comments USTR receives regarding the dispute. If a dispute settlement panel is convened, or in the
