DEPARTMENT OF DEFENSE**Department of the Army****[Docket ID USA-2018-HQ-0014]****Privacy Act of 1974; System of Records****AGENCY:** Department of the Army, DoD.**ACTION:** Notice of a modified system of records.

SUMMARY: The Department of the Army is modifying its system of records notice entitled "Army Career Tracker (ACT), A0350-1b TRADOC". The Army Career Tracker (ACT) enables Soldiers and

Army civilians world-wide with career development and transition resources. ACT provides users with a more efficient and effective way to monitor their career development while allowing leaders to track and advise subordinates on personalized leadership development. As a leader development tool, it integrates data on training, education, and experiential learning from a number of source systems into one personalized and easy to use interface. ACT allows supervisors to track and advise employees on their leadership development and allows career program managers the ability to reach their geographically dispersed careerists. The Total Army Sponsorship Program is also administered through ACT. The sponsorship program provides Soldiers, Army civilians, and their families with resources to facilitate their transition and/or relocation between commands and duty assignments.

DATES: Comments will be accepted on or before July 23, 2018. This proposed action will be effective the date following the end of the comment period unless comments are received which result in a contrary determination.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Instructions: All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Ms. Tracy Rogers, Department of the Army, Privacy Office, U.S. Army Records Management and Declassification Agency, 7701 Telegraph Road, Casey Building, Suite 144, Alexandria, VA 22325-3905 or by calling (703) 428-7499.

SUPPLEMENTARY INFORMATION: The Army Career Tracker, initially implemented in

2011, is managed by the U.S. Army Training and Doctrine Command (TRADOC). It was developed under the authority of 5 U.S.C. 4103, Establishment of training programs and 10 U.S.C. 3013, Secretary of the Army. The ACT is a career management and development tool for Army enlisted, Officer, and civilian employees. While use of ACT is required for Soldiers, it is voluntary for the Army civilian workforce. The ACT leverages existing Army systems to capture and present career management data pertaining to training, education, and job assignments; it provides unique capabilities and does not replace or eliminate any other Army system of records. The system allows users to: Search course catalogs in Army training systems to identify courses they want to add to their Individual Development Plans (IDP); create IDP for short and long term goals; map out events, decision points, and outcomes; track progress against known career benchmarks; and receive personalized advice from mentors and leadership. This easy-to-use portal, effectively charts the user's career progression, manages career development activities, and connects the individual to mentors.

Additionally, ACT is the Army enterprise application that automates the sponsorship process for personnel relocations. The system ensures a virtual handshake between transitioning Soldiers and civilians and their designated sponsor prior to departure from the unit of current assignment. Army transitioning personnel utilize ACT to make known their sponsorship needs via the Department of the Army (DA) Form 5434, Sponsorship Program Counseling and Information Sheet, as part of the reassignment management process. The completed DA Form 5434 is transmitted to the gaining unit of assignment to ensure personnel receive information and assistance needed during their relocation. The automated and collaborative functions of the system are used to identify sponsors, send notifications, monitor status, provide reporting mechanism, and conduct individual satisfaction surveys.

This system of records notice is being modified to include four routine uses that were omitted in the previous notice. The additional routine uses are for disclosures to: DoD contractors in the performance of the contract; to the National Archives and Records Administration for records inspection purposes; and to another Federal agency for breach mitigation and notification. In addition, the authorities were updated to include 10 U.S.C. 1056, Relocation Assistance, which is the

implementing statute for Army Regulation 600–8–8, The Total Army Sponsorship Program. The categories of records was revised to clarify what information is collected on the DA Form 5434, and the description of the safeguards was expanded to address administrative and physical measures that are currently utilized to protect the system of records. All other changes to this notice are administrative in nature. The DoD is publishing the notice in its entirety to comply with current standards and formatting requirements prescribed in OMB Circular A–108, “Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act.”

The Department of the Army's notices for system of records subject to the Privacy Act of 1974, as amended, have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or from the Defense Privacy, Civil Liberties, and Transparency Division website at <http://defense.gov/privacy>.

The proposed systems reports, as required by the Privacy Act, as amended, were submitted on April 27, 2018, to the House Committee on Oversight and Government Reform, the Senate Committee on Homeland Security and Governmental Affairs, and the Office of Management and Budget (OMB) pursuant to OMB Circular No. A–108, “Federal Agency Responsibilities for Review, Reporting, and Publication Under the Privacy Act,” December 23, 2016 (December 23, 2016, 81 FR 94424).
