

goal of introducing new products to the marketplace by encouraging trading in these products. To the extent that the proposed change incentivizes any market participants to direct their order flow to the Exchange, all market participants would benefit from increased liquidity and trading opportunities on the Exchange. Finally, the Exchange notes that offering market participants incentives to trade in certain newly offered products is not new or novel.¹⁰

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act, the Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes the proposed transaction fees for NYSE FANG+ would not place an unfair burden on competition as it would apply to all similarly situated non-Customer/non-Market Maker participants. The Exchange also believes the proposed pricing for NYSE FANG+ is procompetitive as it would further the Exchange's goal of introducing new products to the marketplace and encouraging Market Makers to make a market in these products, which would in turn, benefit market participants. Market participants that do not wish to trade in or seek an appointment in NYSE FANG+ are not obliged to do so.

The Exchange does not believe that the proposed change will impair the ability of any market participants or competing order execution venues to maintain their competitive standing in the financial markets. Further, the fees would be applied to all similarly situated participants (*i.e.*, non-Customers), and, as such, the proposed change would not impose a disparate burden on competition either among or between classes of market participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing of Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹¹ of the Act and subparagraph (f)(2) of Rule 19b-4¹² thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹³ of the Act to determine whether the proposed rule change should be approved or disapproved.
