Additionally, the Exchange proposes to remove SWH (Software HOLDERS) from the list of Premium Products on the Schedule of Fees. SWH has been delisted from ISE and no longer trades on the Exchange.

2. Statutory Basis

The Exchange believes that the proposed rule change, as amended, does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53914; File No. SR-ISE-2006-25]

Self-Regulatory Organizations; International Securities Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment No. 1 Thereto Relating to Fee Changes

May 31, 2006.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 5, 2006, the International Securities Exchange, Inc. ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the ISE. On May 23, 2006, ISE filed Amendment No. 1 to the proposed rule change.³ The ISE has designated this proposal as one establishing or changing a due, fee, or other charge imposed by the ISE under section 19(b)(3)(A)(ii) of the Act,⁴ and Rule 19b-4(f)(2) thereunder,⁵ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to amend its Schedule of Fees to establish fees for transactions in options on two Premium Products.⁶ The text of the proposed rule change, as amended, is available on the ISE's Web site (http://www.iseoptions.com/legal/proposed_rule_changes.asp), at the principal office of the ISE, and at the Commission's Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ Amendment No. 1 added clarifying language to the purpose section of the filing regarding fees charged to non-ISE Market Makers for transactions in options on the Premium Products and made a technical change to the text of Exhibit 5 (ISE's Schedule of Fees) correcting the symbol for the Mini FTSE 100 Index from UKZ to UKX. The correction to Exhibit 5 does not affect the fees covered by this filing.

⁴ 15 U.S.C. 78s(b)(3)(A)(ii).

⁵ 17 CFR 240.19b-4(f)(2).

⁶ Premium Products is defined in the Schedule of Fees as the products enumerated therein.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the ISE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The ISE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend its Schedule of Fees to establish fees for transactions in options on the following two Premium Products: Mini FTSE 100 Index ("UKX") and Mini FTSE 250 Index ("FTZ").⁷ Specifically, the Exchange is proposing to adopt an execution fee and a comparison fee for all transactions in options on UKX and FTZ.⁸ The amount of the execution fee and comparison fee for products covered by this filing shall be \$0.15 and \$0.03 per contract, respectively, for all Public Customer Orders⁹ and Firm Proprietary orders. The amount of the execution fee and comparison fee for all ISE Market Maker transactions and all non-ISE Market Maker transactions shall be equal to the execution fee and comparison fee currently charged by the Exchange for ISE Market Maker transactions and non-ISE Market Maker transactions in equity options.¹⁰ All of the applicable fees covered by this filing are identical to fees charged by the Exchange for all other Premium Products. The Exchange believes the proposed rule change will further the Exchange's goal of introducing new

products to the marketplace that are competitively priced.

Additionally, the Exchange has entered into a license agreement with FTSE International Limited in connection with the listing and trading of options on UKX and FTZ. As with certain other licensed options, the Exchange is adopting a fee of ten (10) cents per contract for trading in these options to defray the licensing costs. The Exchange believes charging the participants that trade this instrument is the most equitable means of recovering the costs of the license. However, because of competitive pressures in the industry, the Exchange proposes to exclude Public Customer Orders from this surcharge fee. Accordingly, this surcharge fee will only be charged to Exchange members with respect to non-Public Customer Orders (e.g., ISE Market Maker, non-ISE Market Maker & Firm Proprietary orders) and shall apply to Linkage Orders¹¹ under a pilot program that is set to expire on July 31, 2006. Further, since options on UKX and FTZ are not multiply-listed, the Payment for Order Flow fee shall not apply.

2. Statutory Basis

The Exchange believes that the proposed rule change, as amended, is consistent with section 6(b)(4) of the Act,¹² which requires that an exchange have an equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A)

of the Act¹³ and Rule 19b-4(f)(2)¹⁴ thereunder because it changes a fee imposed by the Exchange. At any time within 60 days of the filing of such amended proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁵

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

⁸ The Exchange represents that these fees will be only charged to Exchange members. Under a pilot program that is set to expire on July 31, 2006, these fees will also be charged to Linkage Orders (as defined in ISE Rule 1900).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.⁵

www.nasdaqtrader.com. These rules will become effective when Nasdaq fulfills certain conditions and commences operations as a national securities exchange, which became effective April 17, 2006, but has not yet been published. See Exchange Act Release No. 53128 (January 13, 2006), 71 FR 3550 (January 23, 2006) [File No. 10-131]. Nasdaq modified the title to Rule 4350. This filing reflects the revised title.

⁵ The Commission has modified portions of the text of the summaries prepared by the Nasdaq.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq Rule 4350(l) currently allows an issuer to establish a DRS for its shareholders provided the issuer, directly or through its transfer agent, participates in an electronic link with a clearing agency registered under Section 17A of the Exchange Act. DRS permits an investor's ownership position to be recorded and maintained in book-entry form on the records of the issuer or its transfer agent. Because ownership positions are recorded in book-entry form, investors receive an account statement from the issuer or its transfer agent as evidence of ownership instead of receiving a physical certificate. Brokerage firms and transfer agents are linked through an electronic system administered by The Depository Trust Company ("DTC") thereby permitting securities positions to be electronically transferred between a broker-dealer and a transfer agent without the need to transfer for physical certificates.⁶

Nasdaq believes that DRS will be an important step in reducing the use of physical certificates which will facilitate efficiencies and reduced risks in securities transactions and could eventually lead to lower costs for issuers and investors.⁷ As such, to encourage the use of DRS, Nasdaq is proposing to amend its rules to require that all listed securities be eligible to participate in DRS.⁸ While this proposed rule change would require that issuers' securities be eligible for DRS, it would not require issuers to participate in DRS and would

⁶ Currently, the only registered clearing agency operating a DRS is DTC. For a description of DRS and the DRS facilities administered by DTC, see Securities Exchange Act Release Nos. 37931 (November 7, 1996), 61 FR 58600 (November 15, 1996), [File No. SR-DTC-96-15] (order granting approval to establish DRS) and 41862 (September 10, 1999), 64 FR 51162 (September 21, 1999), [File No. SR-DTC-99-16] (order approving implementation of the Profile Modification System).

⁷ In March 2004, the Commission published a concept release that discussed, among other things, whether more should be done to reduce the use of physical certificates by individual investors. The Commission noted that the use of physical certificates increases the costs and risks of clearing and settling securities transactions, costs that most often are ultimately born by investors. Securities Exchange Act Release 8398 (March 11, 2004), 69 FR 12922 (March 18, 2004) [File No. S7-13-04] (Securities Transaction Settlement concept release).

⁸ The New York Stock Exchange LLC and the American Stock Exchange LLC have also filed proposed rule changes with the Commission that would require certain listed companies securities DRS eligible. Securities Exchange Act Release Nos. 53912 (May 31, 2006) [File No. SR-NYSE-2006-29] and 53911 (May 31, 2006) [File No. SR-Amex-2006-40].

³ Nasdaq refers to a Direct Registration System as a Direct Registration Program. For purposes of clarity and consistency with other related filings referred to below, the term Direct Registration System or DRS will be used in place of Direct Registration Program or DRP in this notice.
