Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. 6. *Other Submission Requirements:* Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the Comprehensive Program—CFDA Number 84.116B must be submitted electronically using e-Application available through the Department’s e-Grants system, accessible through the e-Grants portal page at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30 p.m., Washington, DC time, on the application deadline date. The e-Application system will not accept an application for this program after 4:30 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The regular hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7 p.m. Wednesday; and 6 a.m. Thursday until midnight Saturday, Washington, DC time. Please note that the system is unavailable on Sundays, and between 7 p.m. on Wednesdays and 6 a.m. on Thursdays, Washington, DC time, for maintenance. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for

an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including the Application for the Comprehensive Program (ED 40–514), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified above or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the Comprehensive Program Title Page (Form No. ED 40–514) to the Application Control Center after following these steps:

- (1) Print the Comprehensive Program Title Page (ED 40–514) from e-Application.

- (2) The applicant's Authorizing Representative must sign this form (ED 40–514).

- (3) Place the PR/Award number in the upper right hand corner (Item 1) of the hard-copy signature page of the ED 40–514.

- (4) Fax the signed ED 40–514 to the Application Control Center at (202) 245–6272.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application System Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2) (a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) The e-Application system is unavailable for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under For Further Information Contact (see section VII. Agency Contact) or (2) the e-Grants help desk at 1–888–336–8930. If the system is down and therefore the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of the Department's e-Application system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the e-Application system because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to the Department's e-Application system; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Cassandra Courtney, FIPSE Comprehensive Program Coordinator, U.S. Department of Education, 1990 K Street, NW., Room 6166, Washington, DC 20006–8544. FAX: (202) 502–7877.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* The success of FIPSE's Comprehensive Program depends upon (1) the percentage of projects that are adopted in full or in part, or whose materials are used by other institutions and (2) the percentage of projects with a high likelihood of sustainability beyond Federal funding, based on the project officer's determination. These two results constitute FIPSE's indicators of the success of the program.

If funded, you will be asked to collect and report data in your project's annual performance report (EDGAR, 34 CFR 75.590) on steps taken toward these goals. Consequently, applicants to FIPSE's Comprehensive Program are advised to include these two indicators in conceptualizing the design, implementation and evaluation of the proposed project. Consideration of FIPSE's two performance indicators is an important part of many of the review criteria. Thus, it is important to the success of your application that you include these indicators. Their measure should be a part of the project evaluation plan, along with measures of goals and objectives specific to your project.

This priority is:

Postsecondary Education Programs for Individuals who are Deaf

Background

Section 682(d)(1)(B) of IDEA requires the Secretary of Education to provide not less than \$4,000,000 of the funds appropriated under Part D, subparts 2 and 3 of IDEA to address the postsecondary, vocational, technical, continuing, and adult education needs of individuals with deafness. The Secretary intends to meet this requirement through funding new awards under this competition in fiscal year 2007 and by providing continuation awards in fiscal years 2008 through 2011.

Priority

This priority provides support for four regional centers that will help secondary and postsecondary institutions more effectively address the postsecondary, vocational, technical, continuing, and adult education needs of individuals with deafness, including those who are deaf with co-occurring disabilities such as learning and emotional disabilities.

With the objective of improving results for students who are deaf, each
