#### BROADCASTING BOARD OF GOVERNORS

##### Notice of Meeting; Sunshine Act

**DATE AND TIME:** Tuesday, June 12, 2006, 2–3 p.m.

**PLACE:** RFE/RL Broadcast Center, Room 546, Prague, Czech Republic.

**CLOSED MEETING:** The members of the Broadcasting Board of Governors (BBG) will meet in closed session to review and discuss a number of issues relating to U.S. Government-funded non-military international broadcasting. They will address internal procedural, budgetary, and personnel issues, as well as sensitive foreign policy issues relating to potential options in the U.S. international broadcasting field. This meeting is closed because if open it likely would either disclose matters that would be properly classified to be kept secret in the interest of foreign policy under the appropriate executive order (5 U.S.C. 552b.(c)(1)) or would disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action. (5 U.S.C. 552b.(c)(9)(B)) In addition, part of the discussion will relate solely to the internal personnel and organizational issues of the BBG or the International Broadcasting Bureau. (5 U.S.C. 552b.(c)(2) and (6)).

##### FOR FURTHER INFORMATION CONTACT:

Nicole Bankhead, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482–9068.

##### SUPPLEMENTARY INFORMATION:

##### Background

On March 8, 2006, the Department of Commerce (“the Department”) published the preliminary results of the administrative review of the antidumping duty order on Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, from the People's Republic of China, covering the period February 1, 2004, through January 31, 2005. *See Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, From the People's Republic of China: Preliminary Results of Administrative Reviews and Preliminary Partial Rescission of Antidumping Duty Administrative Reviews*, 71 FR 11580 (March 8, 2006).

##### Extension of Time Limit for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), and section 351.213(h)(1) of the Department's regulations, the Department shall issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of the date of publication of the antidumping duty order. The Act further provides that the Department shall issue the final results of a review within 120 days after the date on which the notice of the

preliminary results was published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days and the 120-day period to 180 days.

The Department determines that the completion of the final results of this review within the statutory time period is not practicable. The Department requires additional time to analyze comments regarding the four companies involved in the instant review, each of which exported subject merchandise in at least one of the four classes or kinds of merchandise covered by this order, along with complex affiliation and agent sale issues. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of this review by 25 days until July 31, 2006.

Dated: June 2, 2006.

We have preliminarily determined that Gidasa Sabanci Gida Sanayi ve Ticaret A.S. did not receive countervailable subsidies during the period of review. If the final results remain the same as these preliminary results, we will instruct U.S. Customs and Border Protection to liquidate without regard to countervailing duties, as detailed in the "Preliminary Results of Review" section of this notice. Interested parties are invited to comment on these preliminary results (see the "Public Comment" section of this notice).

Brandon Farlander or Audrey Twyman, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0182 and (202) 482-3534, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 24, 1996, the Department of Commerce ("the Department") published in the **Federal Register** the countervailing duty order on certain pasta from Turkey. See *Notice of Countervailing Duty Order: Certain Pasta from Turkey*, 61 FR 38546 (July 24, 1996). On July 1, 2005, the Department published in the **Federal Register**, a notice of "Opportunity to Request Administrative Review" of this countervailing duty order. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 70 FR 38099 (July 1, 2005). We received one request for review on July 29, 2005, and initiated the review for calendar year 2004, on August 29, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 70 FR 51009 (August 29, 2005). In accordance with 19 CFR 351.213(b), this review of the order covers Gidasa Sabanci Gida Sanayi ve Ticaret A.S. ("Gidasa").

On September 8, 2005, we issued countervailing duty questionnaires to the Government of Turkey and Gidasa. We received responses to our questionnaires on November 14 and 17, 2005, and issued supplemental questionnaires on January 31, 2006. Responses to the supplemental questionnaires were received on February 23, and March 17, 2006.

On March 14, 2006, the Department postponed the preliminary results of review until June 5, 2006. See *Certain Pasta from Turkey: Extension of Time Limit for Preliminary Results of the Countervailing Duty Administrative Review*, 71 FR 13966 (March 20, 2006).

On April 5, 2006, we provided Gidasa an opportunity to place information on the record concerning the world market price for durum wheat, and international freight rates. We received Gidasa's submission on April 17, 2006.

##### Scope of Order

Covered by the order are shipments of certain non-egg dry pasta in packages of five pounds (2.27 kilograms) or less, whether or not enriched or fortified or containing milk or other optional

ingredients such as chopped vegetables, vegetable purees, milk, gluten, diastases, vitamins, coloring and flavorings, and up to two percent egg white. The pasta covered by this order is typically sold in the retail market, in fiberboard or cardboard cartons or polyethylene or polypropylene bags, of varying dimensions.

Excluded from the order are refrigerated, frozen, or canned pastas, as well as all forms of egg pasta, with the exception of non-egg dry pasta containing up to two percent egg white.

The merchandise under review is currently classifiable under subheading 1902.19.20 of the *Harmonized Tariff Schedule of the United States* ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, our written description of the scope of the order is dispositive.

##### Scope Ruling

To date, the Department has issued the following scope ruling:

On October 26, 1998, the Department self-initiated a scope inquiry to determine whether a package weighing over five pounds as a result of allowable industry tolerances may be within the scope of the countervailing duty order. On May 24, 1999, we issued a final scope ruling finding that, effective October 26, 1998, pasta in packages weighing or labeled up to (and including) five pounds four ounces is within the scope of the countervailing duty order. See Memorandum from John Brinkman to Richard Moreland, dated May 24, 1999, which is on file in the Central Records Unit ("CRU") in Room B-099 of the main Commerce building.

##### Period of Review

The period of review ("POR") for which we are measuring subsidies is from January 1, 2004, through December 31, 2004.

##### Analysis of Programs

I. Programs Preliminarily Determined To Not Provide a Countervailable Benefit

1. *Purchases of Domestic Wheat from the Turkish Grain Board ("TMO") under Decree 2003/5468*

There are three main ways for Turkish pasta producers to obtain wheat for semolina pasta: (1) from the TMO, (2) from local growers and traders, or (3) through imports. Prices for wheat in Turkey are set above world market prices as part of a price support scheme benefitting domestic wheat growers. However, companies holding an Inward Processing License can obtain lower
