Chemist Certification Information Collection

Currently, we are seeking comments
on the following information collection:

Title: Applications, Notices, and
Record Related to the Voluntary
Chemist Certification Program for the
Analysis of Wine, Distilled Spirits, and
Beer for Export.

OMB Number: 1513-NEW.

Abstract: The TTB chemist
certification program, established under
the authority of section 105(e) of the
Federal Alcohol Administration Act
(FAA Act; 27 U.S.C. 205(e)), is a
voluntary program that certifies private
industry chemists to analyze alcohol
beverages and report the results of
specific chemical analyses on alcohol
beverages to the governments of
importing countries. As a condition of
importation, some countries require that
their own government laboratories (or
laboratories certified by their
government) perform these analyses,
while other countries allow a person
certified by the government of the
exporting country to perform the
analyses. TTB conducts its chemist
certification program as a service to the
alcohol beverage industry to facilitate
the export of domestic alcohol beverage
products. This certification program
helps ensure that chemists, enologists,
brewers, and technicians (referred to in
this document collectively as
“chemists”) generate quality data and
have the required proficiencies to
conduct chemical analyses associated
with exportation of alcohol beverages
from the United States.

The information collected under
TTB's chemist certification program
includes: Letterhead applications for
chemist certification and supporting
documentation such as copies of
diplomas, transcripts, accreditation
certificates, and laboratory verification
statements; results of qualifying
analyses of TTB-supplied alcohol
beverage samples made by applicants;
and miscellaneous letterhead
applications and notices to TTB such as
applications and supporting documents
related to requests for certification in
additional types of analysis, requests for
TTB-affirmed reports of analysis, and
notices of changes in employment place
or status. TTB believes the burden
associated with the application portion
of this information collection is minimal
and is the minimum necessary to ensure
that certified chemists are professionally
qualified to conduct analyses of alcohol
beverages for export purposes.

Certified chemists also must retain,
and allow TTB inspection of, records of
all analysis results conducted under the
authority of a TTB certificate, for a
period of up to two years. In addition,
the laboratories of certified chemists
must retain for a similar period, and
allow TTB inspection of, records related
to laboratory equipment, laboratory
quality control policies, procedures and
systems, analyst training and
competence, and analysis records
pertaining to certified tests. TTB
believes that the required records are

usual and customary records that chemists and laboratories keep during the normal course of business, regardless of any TTB requirement to do so, and, as such, the keeping of such records imposes no additional burden on respondents.

Current Actions: TTB is submitting this new information collection for approval by the Office of Management and Budget.

Type of Review: Approval of new collection.

Affected Public: Individuals; businesses and other for-profits.

Estimated Number of Respondents: 310.

Estimated Total Annual Burden Hours: 495.

Dated: July 12, 2018.

Amy R. Greenberg,

Director, Regulations and Rulings Division.

BILLING CODE 4810-31-P

DEPARTMENT OF THE TREASURY

Departmental Offices; Debt Management Advisory Committee; Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 2, 110(a)(2), that a meeting will be held at the Hay-Adams Hotel, 16th Street and Pennsylvania Avenue NW, Washington, DC on July 31, 2018 at 9:30 a.m. of the following debt management advisory committee: Treasury Borrowing Advisory Committee of The Securities Industry and Financial Markets Association.

The agenda for the meeting provides for a charge by the Secretary of the Treasury or his designate that the Committee discuss particular issues and conduct a working session. Following the working session, the Committee will present a written report of its recommendations. The meeting will be closed to the public, pursuant to 5 U.S.C. App. 2, 10(d) and Public Law 103-202, § 202(c)(1)(B)(31 U.S.C. 3121 note).

This notice shall constitute my determination, pursuant to the authority placed in heads of agencies by 5 U.S.C. App. 2, 10(d) and vested in me by Treasury Department Order No. 101-05, that the meeting will consist of discussions and debates of the issues presented to the Committee by the Secretary of the Treasury and the making of recommendations of the Committee to the Secretary, pursuant to Public Law 103-202, § 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the

meeting is concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decisions on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

Treasury staff will provide a technical briefing to the press on the day before the Committee meeting, following the release of a statement of economic conditions and financing estimates. This briefing will give the press an opportunity to ask questions about financing projections. The day after the Committee meeting, Treasury will release the minutes of the meeting, any charts that were discussed at the meeting, and the Committee's report to the Secretary.

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552(b). The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Fred Pietrangeli, Director for Office of Debt Management (202) 622-1876.

Dated: July 6, 2018.

Fred Pietrangeli,

Director, Office of Debt Management.
