

Does this extension allow nationals of El Salvador (or aliens having no nationality who last habitually resided in El Salvador) who entered the United States after February 13, 2001, to file for TPS?

No. This is a Notice of an extension of TPS, not a Notice of re-designation of TPS for El Salvador. An extension of TPS does not change the required dates of continuous residence or continuous physical presence in the United States. This extension does not expand TPS availability to those beyond the current TPS eligibility requirements of El Salvador. To be eligible for benefits under this extension, nationals of El Salvador (or aliens having no nationality who last habitually resided in El Salvador) must have continuously resided in the United States since February 13, 2001, and been continuously physically present in the United States since March 9, 2001, the date of the most recent designation of TPS for El Salvador.

What is late initial registration?

Some persons may be eligible for late initial registration under 8 U.S.C. 1254a(c)(1)(A)(iv) and 8 CFR 244.2(f)(2) and (g). In order to be eligible for late initial registration an applicant must:

- (1) Be a national of El Salvador (or alien who has no nationality and who last habitually resided in El Salvador);
- (2) Have continuously resided in the United States since February 13, 2001;
- (3) Have been continuously physically present in the United States since March 9, 2001; and
- (4) Be both admissible as an immigrant, except as provided under section 244(c)(2)(A) of the Act, and not ineligible under section 244(c)(2)(B) of the Act.

Additionally, the applicant must be able to demonstrate that during the initial registration period (from March 9, 2001 to September 9, 2002), he or she:

- (1) Was a nonimmigrant or had been granted voluntary departure status or any relief from removal;
- (2) Had an application for change of status, adjustment of status, asylum, voluntary departure, or any relief from removal or change of status pending or subject to further review or appeal;
- (3) Was a parolee or had a pending request for parole; or
- (4) Is the spouse or child of an alien currently eligible to be a TPS registrant.

An applicant for late initial registration must file an application for late registration no later than 60 days after the expiration or termination of the conditions described above. 8 CFR 244.2(g). All late initial registration

applications for TPS, pursuant to the TPS designation of El Salvador, should be submitted to the aforementioned Lockbox address in Chicago, Illinois listed under Category 2.

What happens when this extension of TPS expires on September 9, 2007?

At least 60 days before this extension of TPS designation of El Salvador expires on September 9, 2007, the Secretary of Homeland Security, after consultation with appropriate agencies of the Government, will review conditions in El Salvador and determine whether the conditions for TPS designation continue to be met at that time, or whether the TPS designation should be terminated. 8 U.S.C. 1254a(b)(3). Notice of that determination, including the basis for the determination, will be published in the **Federal Register**.

Notice of extension of designation of TPS for El Salvador.

By the authority vested in DHS under sections 244(b)(1)(B), (b)(3)(A), and (b)(3)(C) of the Act, DHS has determined, after consultation with the appropriate Government agencies, that the conditions that prompted designation of El Salvador for TPS continue to be met. Accordingly, DHS orders as follows:

- (1) The designation of El Salvador under section 244(b)(1)(B) of the Act is extended for an additional 12-month period from September 9, 2006, to September 9, 2007. 8 U.S.C. 1254a(b)(3)(C).
- (2) There are approximately 225,000 nationals of El Salvador (or aliens having no nationality who last habitually resided in El Salvador) who have been granted TPS and who may be eligible for re-registration.

(3) To maintain TPS, a national of El Salvador (or an alien having no nationality who last habitually resided in El Salvador) who was granted TPS during the initial designation period and the subsequent extensions of this designation, or who was granted TPS during late initial registration, must re-register for TPS during the 60-day re-registration period from July 3, 2006, to September 1, 2006.

(4) To re-register, aliens must follow the aforementioned filing procedures set forth in this Notice.

(5) At least 60 days before this extension ends on September 9, 2007, the Secretary of Homeland Security, after consultation with appropriate agencies of the Government, will review the designation of El Salvador for TPS and determine whether the conditions for designation continue to be met. 8

U.S.C. 1254a(b)(3)(A). Notice of that determination, including the basis for the determination, will be published in the **Federal Register**. *Id.*

(6) Information concerning the extension of designation of El Salvador for TPS will be available at local USCIS offices upon publication of this Notice and on the USCIS Web site at <http://www.uscis.gov>.
