DEPARTMENT OF HEALTH AND HUMAN SERVICES

Request for Applications for the Targeting Obesity in Young Women to Prevent the Development of Type II Diabetes Program

AGENCY: Office on Women’s Health, Office of Public Health and Science, Office of the Secretary, DHHS.

ACTION: Notice.

Announcement Type: Competitive Cooperative Agreement—FY 2006 Initial announcement.

Funding Opportunity Number: Not applicable.

OMB Catalog of Federal Domestic Assistance: The OMB Catalog of Federal Domestic Assistance number is 93.022.

DATES: *Letter of Intent:* June 29, 2006.

Application Deadline: July 20, 2006.

Anticipated Award Date: August 4, 2006.

SUMMARY: The Office on Women’s Health (OWH) is the focal point for women’s health within the Department of Health and Human Services (DHHS). Under the direction of the Deputy Assistant Secretary for Women’s Health, OWH provides leadership to promote the health equity for women and girls through gender-specific approaches. To that end, OWH has established public/private partnerships to address critical women’s health issues nationwide. These include supporting collaborative efforts to provide accurate prevention education and programs for young women at risk for developing type II diabetes because they are overweight or obese.

These awards focus on the HHS initiative *Emphasize Healthy Living and Prevention of Disease, Illness, and Disability* in the “One Department. One Direction” Department-wide Objectives.

This program is authorized by 42 U.S.C. 300u–2(a).

I. Funding Opportunity Description

A. Populations

This cooperative grant announcement focuses on the development and demonstration of creative and innovative approaches that are effective in reducing the prevalence of overweight/obesity in young women, ages 16–24, by increasing the number of women who adopt positive, healthy, lifestyles. Organizations will be provided with funding that will aid in the development, expansion, or sustainment of effective obesity-related programs in order to effect lifestyle changes that will prevent the development of type II diabetes in the targeted population. The interventions implemented must be substantive in nature, incorporating evidenced-based nutrition, physical activity, and health/wellness components, while also positively impacting knowledge, attitudes, and behaviors.

Proposals must include programs for women who are members of racial and ethnic minority populations who are disproportionately affected by overweight/obesity. Grantees will be asked to describe the characteristics of its target population. Programs that seek to target audiences with a prevalence of overweight/obesity greater than 25% are particularly encouraged to submit proposals.

B. Program Planning, Development, and Recruitment

i. Post-Award Orientation

The grantee shall send two representatives to a two-day post-award orientation meeting in Washington, DC. This meeting shall occur within 2 months of grant award. The project manager of the program and a representative who holds a leadership position in the organization must attend the meeting. Travel funds for this meeting must come out of the total award funding and should be included in the applicant’s cost proposal.

The purpose of the post-award orientation meeting will be to clarify tasks and requirements and answer any questions that grantees may have. Grantees shall also share their program plans, approaches, and best practices with each other through presentations and roundtable discussions.

ii. Curriculum Development

A multi-disciplinary planning committee shall be formed consisting of representatives from the organizations, health care professionals, and educators (one member with at least a B.S. in human nutrition, preferably a registered
