

**Rescission of Review**

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. The petitioner withdrew its request within the 90-day deadline. No other party requested an administrative review of the antidumping duty order. Therefore, in response to the timely withdrawal of the review request, Commerce is rescinding, in its entirety, the administrative review of the antidumping duty order on steel wire garment hangers from Taiwan.

**Assessment**

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP within 15 days after the publication of this notice in the **Federal Register**.

**Notification to Importers**

This notice serves as the only reminder to importers whose entries will be liquidated as a result of this rescission, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

**Notification Regarding Administrative Protective Order**

This notice serves as the only reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

**Notification to Interested Parties**

This notice is published in accordance with sections 751(a) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: July 23, 2018.

## Background

On January 16, 2018, Commerce published the *Preliminary Results*.<sup>1</sup> For the events that occurred since Commerce published the *Preliminary Results*, see Issues and Decision Memorandum.<sup>2</sup> Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Commerce exercised its discretion to toll all deadlines affected by the closure of the Federal Government from January 20 through 22, 2018. As a result, the revised deadline for the final results of this administrative review was May 22, 2018.<sup>3</sup> On May 15, 2018, we extended this deadline to July 18, 2018.<sup>4</sup>

## Scope of the Order

The product covered by the order is multilayered wood flooring from China. A full description of the scope of the order is contained in the Issues and Decision Memorandum.

## Analysis of Comments Received

All issues raised in the case and rebuttal briefs are addressed in the accompanying Issues and Decision Memorandum. A list of these issues is attached to this notice as an Appendix. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and electronic version of the Issues and Decision Memorandum are identical in content.

## Final Determination of No Shipments

In the *Preliminary Results*, we determined preliminarily that 16 companies did not have shipments of subject merchandise during the POR.<sup>5</sup> As we have not received any information to contradict our preliminary finding, we determine that these companies did not have any shipments of subject merchandise during the POR. We will issue appropriate instructions that are consistent with our “automatic assessment” clarification, for these final results.<sup>6</sup>

## Separate Rates

In the *Preliminary Results*, Commerce determined that Jiangsu Senmao and 69 additional companies not selected for individual review demonstrated their eligibility for separate rates.<sup>7</sup> Commerce also determined that Jinqiao Flooring, one of the companies that Commerce selected as a mandatory respondent in this administrative review, was ineligible for a separate rate and is part

of the China-wide entity, subject to the China-wide entity rate of 25.62 percent.<sup>8</sup> These determinations remain unchanged. See the Issues and Decision Memorandum for further discussion.

## Partial Rescission of Administrative Review

In accordance with the Court of International Trade's decision in *Changzhou Hawd Flooring Co., Ltd., et al. v. United States*,<sup>9</sup> and consistent with the amended final determination, dated concurrently with this notice,<sup>10</sup> we are excluding Fine Furniture (Shanghai) Limited and Dunhau City Jisen Wood Industry Co., Ltd., from the antidumping duty order. As a result, we are partially rescinding this administrative review with respect to these companies.

## Separate Rate Respondents

In accordance with the U.S. Court of Appeals for the Federal Circuit's decision in *Albemarle Corp. v. United States*,<sup>11</sup> we assigned to eligible non-selected respondents the separate rate we assigned to Jiangsu Senmao for the final results of this review.<sup>12</sup>

## Final Results

As a result of this administrative review, we determine that the following weighted-average dumping margins exist for the period December 1, 2015, through November 30, 2016:

<sup>11</sup> See *Albemarle Corp. & Subsidiaries v. United States*, 821 F.3d 1345 (Fed. Cir. 2016).

<sup>12</sup> The separate rate for non-selected companies is normally the amount equal to the weighted average of the calculated weighted-average dumping margins established for mandatory respondents, excluding any margins that are zero, *de minimis*, or based entirely on adverse facts available. ### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with these final results of review. Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of these final results. With regard to Jinqiao Flooring, we will instruct CBP to apply the China-wide assessment rate of 25.62 percent of the entered value of subject merchandise which was exported by this company during the POR. For Jiangsu Senmao and the other companies listed above that were not selected for individual review but were found eligible for separate rates, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Additionally, consistent with its assessment practice in non-market economy (NME) cases, for the 16 companies which Commerce determined had no shipments of the subject merchandise, any suspended entries made under those exporters' case numbers (*i.e.*, at the exporters' rates) will be liquidated at the China-wide rate.<sup>13</sup> These companies are listed in Appendix II.

With regard to Fine Furniture (Shanghai) Limited, and Dunhua City Jisen Wood Industry Co., Ltd., because of the pending litigation, as discussed above, we intend to provide CBP with appropriate instructions with respect to this review at a later time.

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of these final results of administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For companies which have received a separate rate in this segment of the proceeding, no cash deposit will be required; (2) for previously investigated or reviewed Chinese and non-Chinese exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-

wide entity; and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

### Reimbursement of Duties

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Dated: July 18, 2018.
