### Synopsis

After reviewing each of the state and U.S. territory applications received, the Bureau has determined that:

(1) The TRS programs of the listed states and U.S. territories meet or exceed all operational, technical, and functional minimum standards contained in § 64.604 of the Commission's rules;

(2) The TRS programs of the listed states and U.S. territories make available adequate procedures and remedies for enforcing the requirements of their state and U.S. territory programs; and

(3) The TRS programs of the listed states and U.S. territories in no way conflict with federal law.

The Bureau also has determined that, where applicable, the intrastate funding mechanisms of the listed states and U.S. territories are labeled in a manner that promotes national understanding of TRS and does not offend the public, consistent with § 64.606(d) of the Commission's rules.

## FEDERAL TRADE COMMISSION

### Granting of Requests for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination—on the dates indicated—of the waiting period provided by law and the premerger notification rules. The listing for each transaction includes the transaction number and the parties to the transaction. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.
