

“Comments on Scoping Document 1,” “Request for Cooperating Agency Status,” or “Communications to and from Commission Staff.” Any individual or entity interested in submitting study requests, commenting on the PAD or SD1, and any agency requesting cooperating status must do so by August 12, 2006.

Comments on the PAD and SD1, study requests, requests for cooperating agency status, and other permissible forms of communications with the Commission may be filed electronically via the Internet in lieu of paper. The Commission strongly encourages electronic filings. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission’s Web site (<http://www.ferc.gov>) under the “efiling” link.

p. Although our current intent is to prepare an environmental assessment (EA), there is the possibility that an Environmental Impact Statement (EIS) will be required. Nevertheless, this scoping process will satisfy the NEPA scoping requirements, irrespective of whether an EA or EIS is issued by the Commission.

Scoping Meetings

Commission staff will hold two scoping meetings in the vicinity of the project at the times and places noted below. The daytime meeting will focus on resource agency, Indian tribes, and non-governmental organization concerns, while the evening meeting is primarily for receiving input from the public. We invite all interested individuals, organizations, and agencies to attend these meetings, and to assist staff in identifying particular study needs, as well as the scope of environmental issues to be addressed in the environmental document. The times and locations of these meetings are as follows:

Evening Scoping Meeting

Date and Time: Wednesday, July 12, 2006, 7 p.m., EST.

Location: First Congregational Church of Stockbridge, 4 Main Street, Stockbridge, MA 01262. (413) 298–3137.

Daytime Scoping Meeting

Date and Time: Thursday, July 13, 2006, 10 a.m., EST.

SD1, which outlines the subject areas to be addressed in the environmental document, was mailed to the individuals and entities on the Commission’s mailing list. Copies of

SD1 will be available at the scoping meetings, or may be viewed on the Web at <http://www.ferc.gov>, using the “eLibrary” link. Follow the directions for accessing information in paragraph n. Depending on the extent of comments received, Scoping Document 2 may or may not be issued.

Site Visit

MeadWestvaco will conduct a site visit of the project on Wednesday, July 12, 2006, starting at 3 p.m. All participants should meet at the Willow Mill located off Willow Street on the south side of the Housatonic River. All participants are responsible for their own transportation. Anyone with questions about the site visit should contact Mr. Scott Phelps of MeadWestvaco at (413) 243–5963 on or before July 7, 2006.

Scoping Meeting Objectives

At the scoping meetings, staff will: (1) Present a proposed list of issues to be addressed in the EA; (2) review and discuss existing conditions and resource agency management objectives; (3) review and discuss existing information and identify preliminary information and study needs; (4) review and discuss the process plan and schedule for pre-filing activity that incorporates the time frames provided for in Part 5 of the Commission’s regulations and, to the extent possible, maximizes coordination of federal, state, and tribal permitting and certification processes; and (5) discuss requests by any federal or state agency or Indian tribe acting as a cooperating agency for development of an environmental document.

Meeting participants should come prepared to discuss their issues and/or concerns. Please review the PAD in preparation for the scoping meetings. Directions on how to obtain a copy of the PAD and SD1 are included in item n of this document.

Scoping Meeting Procedures

The meetings will be recorded by a stenographer and will become part of the formal Commission record on the project.
