SUPPLEMENTARY INFORMATION: In 2004, as part of the outreach efforts on courthouse accessibility, the Access Board established a Federal advisory committee to advise the Access Board on issues related to the accessibility of courthouses, particularly courtrooms, including best practices, design solutions, promotion of accessible features, educational opportunities, and the gathering of information on existing barriers, practices, recommendations, and guidelines. On October 12, 2004, the Access Board published a notice appointing 31 members to the Courthouse Access Advisory Committee. 69 FR 60608 (October 12, 2004). Members of the Committee include designers and architects, disability groups, members of the judiciary, court administrators, representatives of the codes community and standard-setting entities, government agencies, and others with an interest in the issues to be explored. The Committee held its initial meeting on November 4 and 5, 2004. Members discussed the current requirements for accessibility, committee goals and objectives, and the establishment of subcommittees. The Committee established three subcommittees: Education, Courtrooms and Courthouses (areas unique to courthouses other than courtrooms).

The Committee has held quarterly meetings in the following cities: Phoenix (February 2005), Washington, DC (May 2005), Chicago (August 2005), San Francisco (November 2005), Washington, DC (February 2006), and Miami (May 2006). At each of these meetings, Committee members toured area courthouses and held full Committee and subcommittee sessions. At the next meeting in Boston, members will continue to address issues in meetings of the full Committee and of each of the subcommittees. Meeting minutes and other information about the Committee are available on the Access Board's website at <http://www.access-board.gov/caac/index.htm>.

Committee meetings are open to the public and interested persons can attend the meetings and communicate their views. Members of the public will have an opportunity to address the Committee on issues of interest to them and the Committee during public comment periods scheduled on each day of the meeting. Members of groups or individuals who are not members of the Committee are invited to participate

on the subcommittees. The Access Board believes that participation of this kind can be very valuable for the advisory committee process.

The meeting will be held at a site accessible to individuals with disabilities. Real-time captioning will be provided. Individuals who require sign language interpreters should contact David Yanchulis by June 30, 2006. Persons attending Committee meetings are requested to refrain from using perfume, cologne, and other fragrances for the comfort of other participants. Notices of future meetings will be published in the **Federal Register**.

International Trade Administration

[A-570-900]

Notice of Amended Final Determination of Sales at Less Than Fair Value: Diamond Sawblades and Parts Thereof from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: June 22, 2006.

FOR FURTHER INFORMATION CONTACT:

Anya Naschak or Carrie Blozy, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC, 20230; telephone: (202) 482-6375 or 482-5403, respectively.

SUPPLEMENTARY INFORMATION:

Amendment to the Final Determination

In accordance with sections 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended, ("the Act"), on May 22, 2006, the Department of Commerce ("the Department") published its final determination of sales at less than fair value ("LTFV"). See *Final Determination of Sales at Less Than Fair Value and Final Partial Affirmative Determination of Critical Circumstances: Diamond Sawblades and Parts Thereof from the People's Republic of China*, 71 FR 29303 (May 22, 2006) ("Final Determination"). See *Final Determination* and corresponding Issues and Decision Memorandum, dated May 15, 2006.

Between May 23, 2006, and May 26, 2006, the following parties filed timely allegations that the Department made various clerical errors in the *Final Determination*. On May 23, 2006, the Diamond Sawblade Manufacturers'

Coalition ("Petitioner") filed a timely request pursuant to section 351.224(c)(2) of the Department's regulations, requesting that the Department correct alleged ministerial errors in the *Final Determination* in the calculation of a margin for Bosun Tools Group Co., Ltd. ("Bosun") and Beijing Gang Yan Diamond Product Company ("BGY") (included with Yichang HXF Circular Saw Industrial Co., Ltd. ("HXF") as a single entity, Advanced Technology & Materials Co., Ltd. ("AT&M")) (see *Final Determination*). Also on May 23, 2006, AT&M filed comments on the Department's draft customs instructions. On May 26, 2006, Hebei Jikai Industrial Group Co. Ltd. ("Hebei Jikai") filed a request that the Department correct certain clerical errors with respect to Hebei Jikai. On May 31, 2006, Petitioner filed comments rebutting Hebei Jikai's allegations.

A ministerial error is defined as an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Department considers ministerial. See 19 CFR 351.224(f).

After analyzing all interested party comments and rebuttals, we have determined, in accordance with 19 CFR 351.224(e), that we made ministerial errors in our calculations performed for the final determination with respect to Bosun and AT&M. However, the Department finds that the errors alleged by Hebei Jikai were not ministerial errors within the meaning of 19 CFR 351.224(f). For a detailed discussion of these ministerial errors, as well as the Department's analysis, see Memorandum to James C. Doyle from Anya Naschak: Antidumping Duty Investigation of Diamond Sawblades from the People's Republic of China: Analysis of Ministerial Error Allegations, dated June 15, 2006 ("Ministerial Error I&D Memo"). Additionally, in the *Final Determination*, we determined that several companies qualified for a separate rate. The margin we calculated in the *Final Determination* for these companies, which is the weighted average of the mandatory respondents' rates, was 20.72 percent. Because the rates of the mandatory respondents have changed since the *Final Determination*, we have recalculated the rate for the separate rate applicants. The new rate is 21.43 percent. See Ministerial Error I&D Memo at Attachment IV.

In addition, AT&M requested that the Department make certain changes to the Department's draft instructions to U.S. Customs and Border Protection ("CBP").
