

manner and certain procedural requirements have been met. In Presidential Proclamation 7351, the President proclaimed that this treatment would apply to apparel articles from fabrics or yarn designated by the appropriate U.S. government authority in the **Federal Register**. In Executive Order 13191, the President authorized CITA to determine whether yarns or fabrics cannot be supplied by the domestic industry in commercial quantities in a timely manner.

On February 7, 2006, the Chairman of CITA received a petition from Sandler, Travis, and Rosenberg, P.A., on behalf of B*W*A, alleging that certain 100 percent cotton, yarn-dyed 3- or 4-thread twill weave, flannel fabrics, of combed, ring spun single yarns, of the specifications detailed below, classified in HTSUS subheading 5208.43.0000, for use in woven cotton shirts, blouses, and dressing gowns, cannot be supplied by the domestic industry in commercial quantities in a timely manner. It requested quota and duty free treatment under the CBTPA for woven cotton shirts, blouses, and dressing gowns that are both cut and sewn or otherwise assembled in one or more CBTPA beneficiary countries from such fabrics. On February 13, 2006, CITA requested public comment on the petition. See **Request for Public Comment on Commercial Availability Petition under the United States - Caribbean Basin Trade Partnership Act (CBTPA)** (71 FR 7542). On March 1, 2006, CITA and the U.S. Trade Representative (USTR) offered to hold consultations with the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate (collectively, the Congressional Committees). On March 22, 2006 the U.S. International Trade Commission provided advice on the petition.

Based on the information and advice received and its understanding of the industry, CITA determined that the fabrics set forth in the petition cannot be supplied by the domestic industry in commercial quantities in a timely manner. On April 7, 2006, CITA and USTR submitted a report to the Congressional Committees that set forth the action proposed, the reasons for such action, and the advice obtained. A period of 60 calendar days since this report was submitted has expired.

CITA hereby designates as eligible for preferential treatment under HTSUS subheading 9820.11.27, products in Categories 340, 341, and 350, that are both cut and sewn or otherwise assembled in one or more eligible CBTPA beneficiary countries, from certain 100 percent cotton, 3- or 4-

thread twill weave, flannel fabrics, of yarn-dyed, combed, and ring spun single yarns, of the specifications detailed below, classified in HTSUS subheading 5208.43.0000 not formed in the United States. The referenced apparel articles are eligible provided that all other fabrics are wholly formed in the United States from yarns wholly formed in the United States, subject to the special rules for findings and trimmings, certain interlinings and de minimis fibers and yarns under section 211(b)(2)(A)(vii) of the CBTPA, and that such articles are imported directly into the customs territory of the United States from an eligible CBTPA beneficiary country.

An "eligible CBTPA beneficiary country" means a country which the President has designated as a CBTPA beneficiary country under section 213(b)(5)(B) of the CBERA (19 U.S.C. 2703(b)(5)(B)) and which has been the subject of a finding, published in the **Federal Register**, that the country has satisfied the requirements of section 213(b)(4)(A)(ii) of the CBERA (19 U.S.C. 2703(b)(4)(A)(ii)) and resulting in the enumeration of such country in U.S. note 1 to subchapter XX of Chapter 98 of the HTSUS.
