BILLING CODE 4910-13-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

21 CFR Part 520

Oral Dosage Form New Animal Drugs; Oxytetracycline

AGENCY: Food and Drug Administration, HHS.

ACTION: Final rule.

SUMMARY: The Food and Drug Administration (FDA) is amending the animal drug regulations to reflect approval of a supplemental new animal drug application (NADA) filed by Pfizer, Inc. The supplemental NADA revises labeling of oxytetracycline soluble powder with the current genus for the causative bacteria for American foul brood of honeybees.

DATES: This rule is effective June 27, 2006.

FOR FURTHER INFORMATION CONTACT: Joan C. Gotthardt, Center for Veterinary Medicine (HFV-130), Food and Drug Administration, 7500 Standish Pl., Rockville, MD 20855, 301-827-7571, e-mail: joan.gotthardt@fda.hhs.gov.

SUPPLEMENTARY INFORMATION: Pfizer, Inc., 235 East 42d St., New York, NY 10017-5755, filed a supplement to NADA 8-622 that provides for use of TERRAMYCIN-343 (oxytetracycline HCl) Soluble Powder for treatment of various bacterial diseases of livestock. The supplemental NADA revises labeling with the current genus for the causative bacteria for American foul brood of honeybees. The supplemental

NADA is approved as of May 9, 2006, and the regulations in 21 CFR 520.1660d are amended to reflect the approval.

Approval of this supplemental NADA did not require review of additional safety or effectiveness data or information. Therefore, a freedom of information summary is not required.

FDA has determined under § 25.33(a)(1) that this action is of a type that does not individually or cumulatively have a significant effect on the human environment. Therefore, neither an environmental assessment nor an environmental impact statement is required.

This rule does not meet the definition of “rule” in 5 U.S.C. 804(3)(A) because it is a rule of “particular applicability.” Therefore, it is not subject to the congressional review requirements in 5 U.S.C. 801-808.

List of Subjects in 21 CFR Part 520

Animal drugs.

■ Therefore, under the Federal Food, Drug, and Cosmetic Act and under authority delegated to the Commissioner of Food and Drugs and redelegated to the Center for Veterinary Medicine, 21 CFR part 520 is amended as follows:

PART 520—ORAL DOSAGE FORM NEW ANIMAL DRUGS

■ 1. The authority citation for 21 CFR part 520 continues to read as follows:

Authority: 21 U.S.C. 360b.

§ 520.1660d [Amended]

■ 2. In paragraph (d)(2)(ii) of § 520.1660d, remove “*Bacillus*” and add in its place “*Paenibacillus*”.

Dated: June 7, 2006.

Steven D. Vaughn,

Director, Office of New Animal Drug Evaluation, Center for Veterinary Medicine.

BILLING CODE 4160-01-S

DEPARTMENT OF LABOR

Mine Safety and Health Administration

30 CFR Part 57

RIN 1219-AB29

Diesel Particulate Matter Exposure of Underground Metal and Nonmetal Miners

AGENCY: Mine Safety and Health Administration (MSHA), Labor.

ACTION: Final rule; corrections.

SUMMARY: This document contains corrections to the final rule addressing

“Diesel Particulate Matter Exposure of Underground Metal and Nonmetal Miners,” and published in the **Federal Register** on Thursday, May 18, 2006 (71 FR 28924).

DATES: The corrections to the preamble are effective June 27, 2006. The correction to § 57.5060(d) is effective August 16, 2006.

FOR FURTHER INFORMATION CONTACT: Patricia W. Silvey, Acting Director, Office of Standards, Regulations, and Variances, MSHA, 1100 Wilson Blvd., Room 2350, Arlington, Virginia 22209-3939; 202-693-9440 (telephone); or 202-693-9441 (facsimile).

This document is available on the Internet at <http://www.msha.gov/REGSINFO.HTM>.

SUPPLEMENTARY INFORMATION: As published, the preamble and rule text contain errors which may be misleading and need to be corrected.

Accordingly, the preamble is corrected as follows:

1. On page 28926, in the second column, in the third full paragraph, at the end of the paragraph, insert “(70 FR 55019).”

2. On page 28926, in the third column, at the end of the third line, insert “(71 FR 4331).”

3. On page 28928, in the first column, in the second paragraph, eighth line from the bottom, change “regulation” to “standard.”

4. On page 28929, in Table IV-3, under the column entitled, “Description,” in the fourth paragraph, in the last line, change “PM10” to “PM₁₀.”

5. On page 28971, in the first column, first full paragraph, in the last line, delete the word “approach,” and replace it with the word “be.”

6. On page 29007, in the second column, in the reference for “Gavett,” in the last line, change “0124(l-3)” to “0124(1-3).”

7. On page 29007, in the third column, in the tenth line from the bottom, change “12(l-2)” to “12(1-2).”

8. On page 29008, in the first column, in the eighth line from the bottom, change “B6C3F1” to “B6C3F1.”

In addition, the rule text is corrected as follows:

§ 57.5060 [Corrected]

■ 1. On page 29012, in the first column, under § 57.5060 paragraph (d), fourth line, delete the “s” from the word “exposures” so that the sentence now reads, “The mine operator must install, use, and maintain feasible engineering and administrative controls to reduce a miner’s exposure to or below the applicable DPM PEL established in this section.”

Dated: June 21, 2006.

Patricia W. Silvey,

Acting Director, Office of Standards,
Regulations and Variances.

BILLING CODE 4510-43-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[CGD09-06-063]

RIN 1625-AA00

Safety Zone; City Fireworks Celebration, Syracuse, NY

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone encompassing the navigable waters of the Syracuse Inner Harbor on the southern end of Onondaga Lake during the City Fireworks Celebration on June 30, 2006. This safety zone is necessary to ensure the safety of spectators and vessels from the hazards associated with fireworks displays. This safety zone is intended to restrict vessel traffic from a portion of Onondaga Lake, Syracuse, New York.

DATES: This rule will be effective from 9:30 p.m. (local) until 10 p.m. (local) on June 30, 2006.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket [CGD09-06-063] and are available for inspection or copying at: U.S. Coast Guard Sector Buffalo, 1 Fuhrmann Blvd., Buffalo, New York 14203, between 8 a.m. and 4 p.m., Monday through Friday, except federal holidays.

FOR FURTHER INFORMATION CONTACT: LT Tracy Wirth, U.S. Coast Guard Sector Buffalo, at (716) 843-9573.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. The permit application was not received in time to publish an NPRM followed by a final rule before the effective date.

Under 5 U.S.C. 553(d)(3), good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying this rule would be contrary to the public interest

of ensuring the safety of spectators and vessels during this event, and immediate action is necessary to prevent possible loss of life or property. The Coast Guard has not received any complaints or negative comments previously with regard to this event.

Background and Purpose

Temporary safety zones are necessary to ensure the safety of vessels and spectators from the hazards associated with fireworks displays. Based on recent accidents that have occurred in other Captain of the Port zones, and the explosive hazard of fireworks, the Captain of the Port Buffalo has determined fireworks launches in close proximity to watercraft pose significant risks to public safety and property. The likely combination of large numbers of recreational vessels, congested waterways, darkness punctuated by bright flashes of light, alcohol use, and debris falling into the water could easily result in serious injuries or fatalities. Establishing a safety zone to control vessel movement around the locations of the launch platforms will help ensure the safety of persons and property at these events and help minimize the associated risk.

The safety zone consists of all navigable waters of Onondaga Lake within a 300 foot radius of the fireworks launch site in approximate position 43°03'37" N, 076°09'59" W. All Geographic coordinates are North American Datum of 1983 (NAD 83). The size of this zone was determined using the National Fire Prevention Association guidelines and local knowledge concerning wind, waves, and currents.

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on-scene representative. The Captain of the Port of Buffalo, or his designated on-scene representative, has the authority to terminate the event. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that

Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

This determination is based on the minimal time that vessels will be restricted from the zone and the zone is an area where the Coast Guard expects insignificant adverse impact to mariners from the zones' activation.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities.

This rule would affect the following entities, some of which might be small entities: The owners or operators of commercial vessels intending to transit a portion of the Onondaga Lake during the activated safety zone.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: This safety zone is only in effect for a very limited duration from 9:30 p.m. (local) until 10 p.m. (local) on the day of the event. Vessel traffic can safely pass outside the safety zone during the event.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offered to assist small entities in understanding this rule so that they can better evaluate its effects and participate in the rulemaking process. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact U.S. Coast Guard Sector Buffalo (see **ADDRESSES**).

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine
