[Project No. 2602-007—North Carolina,
Dillsboro Hydroelectric Project]

Duke Power Company LLC; Notice of Revised Restricted Service List for a Memorandum of Agreement for Managing Properties Included in or Eligible for Inclusion in the National Register of Historic Places

June 23, 2006.

On May 12, 2006, the Federal Energy Regulatory Commission (Commission) issued notice of a proposed restricted service list for the preparation of a memorandum of agreement for managing properties included in, or eligible for inclusion in, the National Register of Historic Places at the Dillsboro Hydroelectric Project No. 2602. Rule 2010(d)(1) of the Commission's Rules of Practice and Procedure, 18 CFR 2010(d)(1) (2005), provides for the establishment of such a list for a particular phase or issue in a proceeding to eliminate unnecessary expense or improve administrative efficiency. Under Rule 2010(d)(4), persons on the official service list are to be given notice of any proposal to establish a restricted service list and an opportunity to show why they should also be included on the restricted service list or why a restricted service list should not be established.

On May 30, 2006, Jackson County, North Carolina; Macon County, North Carolina; the Town of Franklin, North Carolina; the Friends of Lake Glenville Association, Inc.; and the Dillsboro Inn and TJ Walker (jointly) filed a joint response to the notice, requesting that: (1) They be included in the development of the memorandum of agreement; (2) the Commission not establish a restricted service list; and (3) the Commission establish a protocol to protect cultural resource information during the development of the memorandum of agreement.

Under Rule 2010(d)(2), any restricted service list will contain the names of each person on the official service list, or the person's representative, who, in the judgment of the decisional authority establishing the list, is an active participant with respect to the phase or issue in the proceeding for which the list is established. The joint filers have identified an interest in issues relating to the management of historic properties at the Dillsboro Project. Therefore, they and their representatives will be added to the restrictive service list.
