

products for use in the illicit manufacture of methamphetamine. Burying one's head in the sand while his firm's products are being diverted may allow one to maximize profits. But it is manifestly inconsistent with public health safety and justifies the revocation of Respondent's registration.

In sum, factors one, four and five each independently support revocation. I have considered the mitigating evidence offered by Respondent including his cooperation with the investigation. I nonetheless conclude that revocation is necessary to adequately protect the public interest.

Order

Accordingly, pursuant to the authority vested in me by 21 U.S.C. 823 & 824, and 28 CFR 0.100(b) & 0.104, I hereby order that DEA Certificate of Registration, 003884DSY, issued to D & S Sales, be, and it hereby is, revoked. I further order that any pending applications for renewal or modification of such registration be, and they hereby are, denied. This order is effective July 31, 2006.

Dated: June 12, 2006.
