

preliminary results. An interested party may request a hearing within 30 days of publication of these preliminary results. See 19 CFR 351.310(c). Interested parties may submit written comments (case briefs) within 30 days of publication of the preliminary results and rebuttal comments (rebuttal briefs), which must be limited to issues raised in the case briefs, within five days after the time limit for filing case briefs. See 19 CFR 351.309(c)(1)(ii) and 19 CFR 351.309(d). Parties who submit arguments are requested to submit with the argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Further, the Department requests that parties submitting written comments provide the Department with a diskette containing the public version of those comments. Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, the Department will issue the final results of this new shipper review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days of publication of these preliminary results. The assessment of antidumping duties on entries of merchandise covered by this review and future deposits of estimated duties shall be based on the final results of this review.

#### Assessment Rates

Upon issuing the final results of the review, the Department shall determine, and CBP shall assess and liquidate, antidumping duties on all appropriate entries. The Department will issue appropriate appraisement instructions for the companies subject to this review directly to CBP within 15 days of publication of the final results of this review. Pursuant to 19 CFR 351.212(b)(1), we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of the dumping margins calculated for the examined sales to the total entered value of those same sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above *de minimis*.

#### Cash Deposit Requirements

Upon completion of this review, we will require cash deposits at the rate established in the final results as further described below.

Bonding will no longer be permitted to fulfill security requirements for shipments of certain preserved mushrooms from the PRC produced by

CXF and exported by Eastwing that are entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this new shipper review. See 19 CFR 351.214(e). The following cash deposit requirements will be effective upon publication of the final results of this new shipper review for all shipments of subject merchandise from Eastwing entered, or withdrawn from warehouse, for consumption on or after the publication date: (1) for subject merchandise manufactured by CXF and exported by Eastwing, the cash deposit rate will be the rate established in the final results of this review, except that no cash deposit will be required if the cash deposit rate calculated in the final results is zero or *de minimis*; and (2) for subject merchandise exported by Eastwing but not manufactured by CXF, the cash deposit rate will continue to be the PRC-wide rate (*i.e.*, 198.63 percent); and (3) for subject merchandise produced by CXF but not exported by Eastwing, the cash deposit rate will be the rate applicable to the exporter. These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review and notice are in accordance with sections 751(a)(1), 751(a)(2)(B), and 777(i) of the Act and 19 CFR 351.214(h)(i).

Dated: June 27, 2006.

#### SUPPLEMENTARY INFORMATION:

##### Background

On February 1, 2006, the Department published in the **Federal Register** (71 FR 5239) a notice of "Opportunity to Request an Administrative Review" of the antidumping duty order on stainless steel butt-weld pipe fittings from the Philippines for the period February 1, 2005, through January 31, 2006. On February 28, 2006, petitioners (Flowline Division of Markovitz Enterprises, Inc., Gerlin, Inc., Shaw Alloy Piping Products, Inc., and Taylor Forge Stainless, Inc.) requested an administrative review of Tung Fong Industrial Co., Inc. (Tung Fong) and Enlin Steel Corporation (Enlin) for this period. On April 5, 2006, the Department published a notice of initiation of an administrative review of the antidumping duty order on stainless steel butt-weld pipe fittings from the Philippines with respect to these two companies. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Administrative Reviews*, 71 FR 17077 (April 5, 2006).

##### Rescission of Review

On June 19, 2006, petitioners withdrew their request for an administrative review of Tung Fong's and Enlin's sales during the above-referenced period. Section 351.213(d)(1) of the Department's regulations stipulates that the Secretary will rescind an administrative review if the party that requests a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. In this case, petitioners have withdrawn their

#### Wooden Bedroom Furniture From the People's Republic of China: Final Changed Circumstances Review, and Determination To Revoke Order in Part

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* July 7, 2006.

**SUMMARY:** On May 9, 2006, the Department of Commerce ("the Department") published a notice of initiation and preliminary results of a changed circumstances antidumping duty review with intent to revoke, in part, the antidumping duty ("AD") order on wooden bedroom furniture from the People's Republic of China ("PRC"). See *Wooden Bedroom Furniture from the People's Republic of China: Notice of Initiation and Preliminary Results of Changed Circumstances Review, and Intent to Revoke Order in Part*, 71 FR 26928 (May 9, 2006) ("*Initiation and Preliminary Results*"). We are now revoking this order in part, with regard to the following product: Jewelry armoires that have at least one side door, whether or not the door is lined with felt or felt-like material, as described in the "Scope" section of this notice, based on the fact that domestic parties have expressed no further interest in the relief provided by the order with respect to the imports of these jewelry armoires, as so described.

**FOR FURTHER INFORMATION CONTACT:** Will Dickerson or Robert Bolling, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone (202) 482-1778 and (202) 482-3434, respectively.

## Background

On February 2, 2006, and in an amendment on March 16, 2006, the Department of Commerce (the "Department") received a request on behalf of the petitioners, the American Furniture Manufacturers Committee for Legal Trade and its individual members (the "AFMC") for revocation in part of the AD order on wooden bedroom furniture from the PRC pursuant to sections 751(b)(1) and 782(h) of the Tariff Act of 1930, as amended ("the Act"), with respect to jewelry armoires that have at least one side door, whether or not lined with felt or felt-like material. In its February 2, 2006, submission, AFMC stated that it no longer has any interest in antidumping relief from imports of such jewelry armoires.

On May 17, 2006, L. Powell Company ("Powell") submitted comments on our preliminary results of the changed circumstances review. Powell stated that it supports the Department's preliminary ruling that jewelry armoires that have at least one side door, whether or not the door is lined with felt or felt-like material are excluded from the wooden bedroom furniture order. Also, Powell requested that the Department rule on an expedited basis that the above-mentioned merchandise is excluded from the order.

## Scope of Changed Circumstances Review
