Rescission of Administrative Review

On February 16, 2006, Essar asserted that it had made no shipments of subject merchandise during the POR and requested that the Department rescind the review. The petitioner did not comment on Essar's claim of no shipments. On February 27, 2006, the Department conducted a customs query to ascertain whether there were any entries of the subject merchandise from Essar during the POR; the query showed that there were none. See the March 15, 2006, Memorandum to the File from the Team regarding Customs Query, the public version of which is on file in the Central Records Unit ("CRU"). Thus, the Department was able to confirm that Essar had no entries of subject merchandise during the POR.

Pursuant to 19 CFR 351.213(d)(3), the Department may rescind an administrative review if the Secretary concludes that during the POR, there were no entries, exports, or sales of the subject merchandise, as the case may be. See *Certain Hot-Rolled Lead and Bismuth Carbon Steel Products From Germany: Notice of Termination of Countervailing Duty Administrative Review*, 64 FR 44489 (August 16, 1999), and *Final Results and Partial Rescission of Countervailing Duty Administrative Review: Stainless Steel Sheet and Strip From the Republic of Korea*, 68 FR 13267 (March 19, 2003). Therefore, because Essar had no entries of subject merchandise during the POR, consistent with the regulation and our practice, we determine to rescind this review.

Cash Deposit Requirements

We will instruct CBP to continue to collect cash deposits for Essar at the rate set forth in the most recently completed administrative review.

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information

disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and this notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 11, 2006.

Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION: The subject permit is requested under the authority of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*) and the regulations governing the taking, importing, and exporting of endangered and threatened species (50 CFR 222-226).

The proposed research would evaluate modifications to commercial fishing gear to mitigate sea turtle interactions and capture. These evaluations and subsequent gear modifications would help to reduce incidental turtle bycatch in the gear types studied. By assessing those animals incidentally captured, the research would also provide new data to improve stock assessments, assess the impact of anthropogenic activities, better manage and, ultimately, recover these species. The research would take up to 253 loggerhead, 101 Kemp's ridley, 112 leatherback, 51 green, 37 hawksbill, 36 olive ridley sea turtles, and 88 unidentified hardshell species (e.g., a turtle that escaped from the gear before identification could be made). Animals would be handled, measured, weighed, photographed, flipper tagged, passive integrated transponder tagged, skin biopsied, and released. A subset of these animals would be captured by trawl research authorized by the permit. The research would take place in waters of the Atlantic Ocean, Gulf of Mexico, Caribbean Sea and their tributaries. The permit would be issued for 5 years.

Dated: July 13, 2006.

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Determination under the African Growth and Opportunity Act

July 12, 2006.

AGENCY: Committee for the Implementation of Textile Agreements (CITA)

ACTION: Directive to the Commissioner of Customs and Border Protection.

SUMMARY: The Committee for the Implementation of Textile Agreements (CITA) has determined that certain textile and apparel goods from Madagascar shall be treated as "handloomed, handmade, folklore articles, or ethnic printed fabrics" and qualify for preferential treatment under the African Growth and Opportunity Act. Imports of eligible products from Madagascar with an appropriate visa will qualify for duty-free treatment.

EFFECTIVE DATE: July 17, 2006.

FOR FURTHER INFORMATION CONTACT: Anna Flaaten, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-3400.

SUPPLEMENTARY INFORMATION:

Authority: Sections 112(a) and 112(b)(6) of the African Growth and Opportunity Act (Title I of the Trade and Development Act of 2000, Pub. L. No. 106-200) ("AGOA"), as amended by Section 7(c) of the AGOA Acceleration Act of 2004 (Pub. L. 108-274) ("AGOA Acceleration Act") (19 U.S.C. §§ 3721(a) and (b)(6)); Sections 2 and 5 of Executive Order No. 13191 dated January 17, 2001; Sections 25-27 and Paras. 13-14 of Presidential Proclamation 7912 dated June 29, 2005.

AGOA provides preferential tariff treatment for imports of certain textile and apparel products of beneficiary sub-Saharan African countries, including handloomed, handmade, or folklore articles of a beneficiary country that are certified as such by the competent authority in the beneficiary country. The AGOA Acceleration Act further expanded AGOA by adding ethnic printed fabrics to the list of products eligible for the preferential treatment described in section 112(a) of the AGOA. In Executive Order 13191 and Presidential Proclamation 7912, the President authorized CITA to consult with beneficiary sub-Saharan African countries and to determine which, if any, particular textile and apparel goods shall be treated as handloomed, handmade, folklore articles, or ethnic printed fabrics. **See Executive Order 13191, 66 FR 7271, 7272 (January 22, 2001); Presidential Proclamation 7912,**

70 FR 37959, 37961 & 63 (June 30, 2005).

In a letter to the Commissioner of Customs dated January 18, 2001, the United States Trade Representative directed Customs to require that importers provide an appropriate export visa from a beneficiary sub-Saharan African country to obtain preferential treatment under section 112(a) of the AGOA (66 FR 7837). The first digit of the visa number corresponds to one of nine groupings of textile and apparel products that are eligible for preferential tariff treatment. Grouping "9" is reserved for handmade, hand-loomed, folklore articles, or ethnic printed fabrics.

CITA has consulted with Malagasy authorities and has determined that handloomed fabrics, handloomed articles (e.g., handloomed rugs, scarves, place mats, and tablecloths), and handmade articles made from handloomed fabrics, if produced in and exported from Madagascar, are eligible for preferential tariff treatment under section 112(a) of the AGOA, as amended. After further consultations with Malagasy authorities, CITA may determine that additional textile and apparel goods shall be treated as folklore articles or ethnic printed fabrics. In the letter published below, CITA directs the Commissioner of Customs and Border Protection to allow duty-free entry of such products under U.S. Harmonized Tariff Schedule subheading 9819.11.27 if accompanied by an appropriate AGOA visa in grouping "9".
