

Rules and Regulations

Federal Register

Vol. 83, No. 160

Friday, August 17, 2018

This section of the FEDERAL REGISTER contains regulatory documents having general applicability and legal effect, most of which are keyed to and codified in the Code of Federal Regulations, which is published under 50 titles pursuant to 44 U.S.C. 1510.

The Code of Federal Regulations is sold by the Superintendent of Documents.

DEPARTMENT OF AGRICULTURE

Agricultural Marketing Service

7 CFR Part 1205

[Doc. #AMS-CN-18-0013]

Cotton Board Rules and Regulations: Adjusting Supplemental Assessment on Imports (2018 Amendments)

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Direct final rule.

SUMMARY: The Agricultural Marketing Service (AMS) is amending the Cotton Board Rules and Regulations, increasing the value assigned to imported cotton for the purposes of calculating supplemental assessments collected for use by the Cotton Research and Promotion Program. This amendment is required each year to ensure that assessments collected on imported cotton and the cotton content of imported products will be the same as those paid on domestically produced cotton. In addition, AMS is updating the Harmonized Tariff Schedule (HTS) statistical reporting numbers that were amended since the last assessment adjustment in 2017.

DATES: This direct rule is effective October 16, 2018, without further action or notice, unless significant adverse comment is received by September 17, 2018. If significant adverse comment is received, AMS will publish a timely withdrawal of the amendment in the **Federal Register**.

ADDRESSES: Written comments may be submitted to the addresses specified below. All comments will be made available to the public. Please do not include personally identifiable information (such as name, address, or other contact information) or confidential business information that you do not want publically disclosed. All comments may be posted on the internet and can be retrieved by most

internet search engines. Comments may be submitted anonymously.

Comments, identified by AMS-CN-18-0013, may be submitted electronically through the *Federal eRulemaking Portal* at <http://www.regulations.gov>. Please follow the instructions for submitting comments. In addition, comments may be submitted by *mail or hand delivery* to Cotton Research and Promotion, Cotton and Tobacco Program, AMS, USDA, 100 Riverside Parkway, Suite 101, Fredericksburg, Virginia, 22406. Comments should be submitted in triplicate. All comments received will be made available for public inspection at Cotton and Tobacco Program, AMS, USDA, 100 Riverside Parkway, Suite 101, Fredericksburg, Virginia 22406. A copy of this document may be found at: www.regulations.gov.

FOR FURTHER INFORMATION CONTACT: Shethir M. Riva, Director, Research and Promotion, Cotton and Tobacco Program, AMS, USDA, 100 Riverside Parkway, Suite 101, Fredericksburg, Virginia, 22406, telephone (540) 361-2726, facsimile (540) 361-1199, or email at Shethir.Riva@ams.usda.gov.

SUPPLEMENTARY INFORMATION:

A. Background

Amendments to the Cotton Research and Promotion Act (7 U.S.C. 2101-2118) (Act) were enacted by Congress under Subtitle G of Title XIX of the Food, Agriculture, Conservation, and Trade Act of 1990 (Pub. L. 101-624, 104 Stat. 3909, November 28, 1990). These amendments contained two provisions that authorize changes in the funding procedures for the Cotton Research and Promotion Program. These provisions provide for: (1) The assessment of imported cotton and cotton products; and (2) termination of refunds to cotton producers. (Prior to the 1990 amendments to the Act, producers could request assessment refunds.)

As amended, the Cotton Research and Promotion Order (7 CFR part 1205) (Order) was approved by producers and importers voting in a referendum held July 17-26, 1991, and the amended Order was published in the **Federal Register** on December 10, 1991, (56 FR 64470). A proposed rule implementing the amended Order was published in the **Federal Register** on December 17, 1991, (56 FR 65450). Implementing rules were published on July 1 and 2,

1992, (57 FR 29181) and (57 FR 29431), respectively.

This direct final rule would amend the value assigned to imported cotton in the Cotton Board Rules and Regulations (7 CFR 1205.510(b)(2)) that is used to determine the Cotton Research and Promotion assessment on imported cotton and cotton products. The total value of assessment levied on cotton imports is the sum of two parts. The first part of the assessment is based on the weight of cotton imported—levied at a rate of \$1 per bale of cotton, which is equivalent to 500 pounds, or \$1 per 226.8 kilograms of cotton. The second part of the import assessment (referred to as the supplemental assessment) is based on the value of imported cotton lint or the cotton contained in imported cotton products—levied at a rate of five-tenths of one percent of the value of domestically produced cotton.

Section 1205.510(b)(2) of the Cotton Research and Promotion Rules and Regulations provides for assigning the calendar year weighted average price received by U.S. farmers for Upland cotton to represent the value of imported cotton. This is so that the assessment on domestically produced cotton and the assessment on imported cotton and the cotton content of imported products is the same. The source for the average price statistic is *Agricultural Prices*, a publication of the National Agricultural Statistics Service (NASS) of the Department of Agriculture. Use of the weighted average price figure in the calculation of supplemental assessments on imported cotton and the cotton content of imported products will yield an assessment that is the same as assessments paid on domestically produced cotton.

The current value of imported cotton as published in 2017 in the **Federal Register** (82 FR 41829) for the purpose of calculating assessments on imported cotton is \$0.011510 per kilogram. Using the average weighted price received by U.S. farmers for Upland cotton for the calendar year 2017, this direct final rule would amend the new value of imported cotton to \$0.011905 per kilogram to reflect the price paid by U.S. farmers for Upland cotton during 2017.

An example of the complete assessment formula and how the figures are obtained is as follows:
One bale is equal to 500 pounds.

One kilogram equals 2.2046 pounds.
One pound equals 0.453597 kilograms.

*One Dollar per Bale Assessment
Converted to Kilograms*

A 500-pound bale equals 226.8 kg. (500×0.453597).

\$1 per bale assessment equals \$0.002000 per pound or \$0.2000 cents per pound (1/500) or \$0.004409 per kg or \$0.4409 cents per kg. ($1/226.8$).

*Supplemental Assessment of 5/10 of
One Percent of the Value of the Cotton
Converted to Kilograms*

The 2017 calendar year weighted average price received by producers for Upland cotton is \$0.68 per pound or \$1.499128 per kg. (0.68×2.2046). Five tenths of one percent of the average price equals \$0.007496 per kg. (1.499128×0.005).

Total Assessment

The total assessment per kilogram of raw cotton is obtained by adding the \$1 per bale equivalent assessment of \$0.004409 per kg. and the supplemental assessment \$0.007496 per kg., which equals \$0.011905 per kg.

The current assessment on imported cotton is \$0.011510 per kilogram of imported cotton. The revised assessment in this direct final rule is \$0.011905, an increase of \$0.000395 per kilogram. This increase reflects the increase in the average weighted price of Upland cotton received by U.S. farmers during the period January through December 2017.

Import Assessment Table in section 1205.510(b)(3) indicates the total assessment rate (\$ per kilogram) due for each Harmonized Tariff Schedule (HTS) number that is subject to assessment. This table must be revised each year to reflect changes in supplemental assessment rates and any changes to the HTS numbers. In this direct final rule, AMS is amending the Import Assessment Table.

AMS believes that these amendments are necessary to ensure that assessments collected on imported cotton and the cotton content of imported products are the same as those paid on domestically produced cotton. Accordingly, changes reflected in this rule should be adopted and implemented as soon as possible since it is required by regulation.

As described in this **Federal Register** document, the amendment to the value used to determine the Cotton Research and Promotion Program importer assessment will be updated to reflect the assessment already paid by U.S. farmers. For the reasons mentioned above, AMS finds that publishing a proposed rule and seeking public

comment is unnecessary because the change is required annually by regulation in 7 CFR 1205.510.

Also, this direct-final rulemaking furthers the objectives of Executive Order 13563, which requires that the regulatory process “promote predictability and reduce uncertainty” and “identify and use the best, most innovative, and least burdensome tools for achieving regulatory ends.”

AMS has used the direct rule rulemaking process since 2013 and has not received any adverse comments; however, if AMS does receive significant adverse comment during the comment period, it will publish, in a timely manner, a document in the **Federal Register** withdrawing this direct final rule. AMS will then address public comments in a subsequent proposed rule and final rule based on the proposed rule.

B. Regulatory Impact Analysis

Executive Order 13175

This action has been reviewed in accordance with the requirements of Executive Order 13175, Consultation and Coordination with Indian Tribal Governments. The review reveals that this regulation would not have substantial and direct effects on Tribal governments and would not have significant Tribal implications.

Executive Orders 12866 and 13563

Executive Orders 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health, and safety effects; distributive impacts; and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. This action falls within a category of regulatory actions that the Office of Management and Budget (OMB) exempted from Executive Order 12866 review. Additionally, because this rule does not meet the definition of a significant regulatory action it does not trigger the requirements contained in Executive Order 13771. See OMB’s Memorandum titled “Interim Guidance Implementing Section 2 of the Executive Order of January 30, 2017 titled ‘Reducing Regulation and Controlling Regulatory Costs’” (February 2, 2017).

Executive Order 12988

This rule has been reviewed under Executive Order 12988, Civil Justice

Reform. It is not intended to have retroactive effect.

The Act provides that administrative proceedings must be exhausted before parties may file suit in court. Under section 12 of the Act, any person subject to an order may file with the Secretary of Agriculture (Secretary) a petition stating that the order, any provision of the plan, or any obligation imposed in connection with the order is not in accordance with law and requesting a modification of the order or to be exempted therefrom. Such person is afforded the opportunity for a hearing on the petition. After the hearing, the Secretary would rule on the petition. The Act provides that the District Court of the United States in any district in which the person is an inhabitant, or has his principal place of business, has jurisdiction to review the Secretary’s ruling, provided a complaint is filed within 20 days from the date of the entry of the Secretary’s ruling.

*Regulatory Flexibility Act and
Paperwork Reduction Act*

In accordance with the Regulatory Flexibility Act (RFA) (5 U.S.C. 601–612), AMS has examined the economic impact of this rule on small entities. The purpose of the RFA is to fit regulatory actions to the scale of businesses subject to such action so that small businesses will not be unduly or disproportionately burdened. The Small Business Administration defines, in 13 CFR part 121, small agricultural producers as those having annual receipts of no more than \$750,000 and small agricultural service firms (importers) as having receipts of no more than \$7,500,000. In 2017, an estimated 20,000 importers are subject to the rules and regulations issued pursuant to the Cotton Research and Promotion Order. Most are considered small entities as defined by the Small Business Administration.

This rule would only affect importers of cotton and cotton-containing products and would increase the assessments paid by the importers under the Cotton Research and Promotion Order. The current assessment on imported cotton is \$0.011510 per kilogram of imported cotton. The amended assessment would be \$0.011905, which was calculated based on the 12-month weighted average of price received by U.S. cotton farmers. Section 1205.510, “Levy of assessments”, provides “The rate of the supplemental assessment on imported cotton will be the same as that levied on cotton produced within the United States.” In addition, section 1205.510 provides that the 12-month weighted average of prices received by U.S.

farmers will be used as the value of imported cotton for the purpose of levying the supplemental assessment on imported cotton.

Under the Cotton Research and Promotion Program, assessments are used by the Cotton Board to finance research and promotion programs designed to increase consumer demand for Upland cotton in the United States and international markets. In 2016 (the last audited year), producer assessments totaled \$36.5 million and importer assessments totaled \$36.51 million. According to the Cotton Board, should the volume of cotton products imported into the U.S. remain at the same level in 2018, one could expect an increase of assessments by approximately \$1,278,951.

Imported organic cotton and products may be exempt from assessment if eligible under section 1205.519 of the Order.

There are no Federal rules that duplicate, overlap, or conflict with this rule.

In compliance with Office of Management and Budget (OMB) regulations (5 CFR part 1320) which implement the Paperwork Reduction Act (PRA) (44 U.S.C. Chapter 35) the information collection requirements contained in the regulation to be amended have been previously approved by OMB and were assigned control number 0581-0093, National Research, Promotion, and Consumer Information Programs. This rule does not result in a change to the information collection and recordkeeping requirements previously approved.

A 30-day comment period is provided to comment on the changes to the Cotton Board Rules and Regulations proposed herein. This period is deemed appropriate because an amendment is required to adjust the assessments collected on imported cotton and the cotton content of imported products to be the same as those paid on domestically produced cotton. Accordingly, the change in this rule, if adopted, should be implemented as soon as possible.

List of Subjects in 7 CFR Part 1205

Advertising, Agricultural research, Cotton, Marketing agreements, Reporting and recordkeeping requirements.

For the reasons set forth in the preamble, AMS amends 7 CFR part 1205 as follows:

PART 1205—COTTON RESEARCH AND PROMOTION

■ 1. The authority citation for part 1205 continues to read as follows:

Authority: 7 U.S.C. 2101–2118; 7 U.S.C 7401.

■ 2. In § 1205.510, paragraph (b)(2) and the table in paragraph (b)(3) are revised to read as follows:

§ 1205.510 Levy of assessments.

* * * * *

(b) * * *
(2) The 12-month average of monthly weighted average prices received by U.S. farmers will be calculated annually. Such weighted average will be used as the value of imported cotton for the purpose of levying the supplemental assessment on imported cotton and will be expressed in kilograms. The value of imported cotton for the purpose of levying this supplemental assessment is \$1.1905 cents per kilogram.

[Docket No. CFPB–2016–0032]

RIN 3170–AA60

Amendment to the Annual Privacy Notice Requirement Under the Gramm-Leach-Bliley Act (Regulation P)

AGENCY: Bureau of Consumer Financial Protection.

ACTION: Final rule.

SUMMARY: The Bureau of Consumer Financial Protection (Bureau) is amending Regulation P, which requires, among other things, that financial institutions provide an annual notice describing their privacy policies and practices to their customers. The amendment implements a December 2015 statutory amendment to the Gramm-Leach-Bliley Act providing an exception to this annual notice requirement for financial institutions that meet certain conditions.

DATES: The amendments to Regulation P in this final rule will become effective on September 17, 2018.

FOR FURTHER INFORMATION CONTACT: Monique Chenault, Paralegal Specialist; Joseph Devlin, Senior Counsel; Office of Regulations, at (202) 435–7700.

SUPPLEMENTARY INFORMATION:

I. Summary of the Final Rule

Title V, Subtitle A of the Gramm-Leach-Bliley Act (GLBA) ¹ and Regulation P, which implements the GLBA, mandate that financial institutions provide their customers with annual notices regarding those institutions' privacy policies. If financial institutions share certain consumer information with particular types of third parties, the annual notices must also provide customers with an opportunity to opt out of the sharing. Regulation P sets forth requirements for how financial institutions must deliver these annual privacy notices. In certain circumstances, Regulation P permits financial institutions to use an alternative delivery method to provide annual notices. This method requires, among other things, that the annual notice be posted on a financial institution's website.

On December 4, 2015, Congress amended the GLBA as part of the Fixing America's Surface Transportation Act (FAST Act). This amendment, titled Eliminate Privacy Notice Confusion,² added new GLBA section 503(f). This subsection provides an exception under which financial institutions that meet certain conditions are not required to provide annual privacy notices to customers. Section 503(f)(1) requires that to qualify for this exception, a financial institution must not share nonpublic personal information about customers except as described in certain statutory exceptions. (Sharing as described in these specified statutory exceptions does not trigger the customer's statutory right to opt out of the financial institution's sharing.) In addition, section 503(f)(2) requires that the financial institution must not have changed its policies and practices with regard to disclosing nonpublic personal information from those that the institution disclosed in the most recent privacy notice it sent.

Section 503(f) took effect upon enactment in December 2015. In July 2016 the Bureau proposed to update Regulation P to reflect the change in the underlying law. As part of its implementation, the Bureau is also amending Regulation P to provide timing requirements for delivery of annual privacy notices in the event that a financial institution that qualified for this annual notice exception later changes its policies or practices in such a way that it no longer qualifies for the exception. The Bureau is further
