

the objectives of section 6(b)(5) of the Act,<sup>8</sup> in particular, in that it is designed to allow the Commission additional time to evaluate the AIM pilot programs, remove impediments to and perfect the mechanism of a free and open market and a national market system, and protect investors and the public interest.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange neither solicited nor received comments on the proposal.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) by its terms, become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(6) thereunder.<sup>10</sup>

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii)<sup>11</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay and designate the proposed rule change immediately operative upon filing. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because it would allow the pilots to continue without interruption until July 18, 2007. For this reason, the Commission designates the proposal to be effective and operative upon filing with the Commission.<sup>12</sup>

#### **Self-Regulatory Organizations; International Securities Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Payment for Order Flow Fee Changes**

July 14, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 3, 2006, the International Securities Exchange, Inc. ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The ISE has designated this proposal as one changing a fee imposed by the ISE under Section 19(b)(3)(A)(ii) of the Act<sup>3</sup> and Rule 19b-4(f)(2) thereunder,<sup>4</sup> which renders the proposal effective upon filing with the Commission. rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The ISE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

*A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

**1. Purpose**

The ISE is proposing to amend its Schedule of Fees regarding the payment for order flow ("PFOF") fees collected by the Exchange. The Exchange states that it currently operates a PFOF program as approved by the Commission.<sup>5</sup> The PFOF program is funded through a fee, currently set at \$0.55 per contract, paid by Exchange market makers for each customer contract they execute. Currently, all funds collected by the Exchange are administered by specified market makers.<sup>6</sup> PFOF fees collected by the Exchange that are not distributed are rebated back to the market makers.

The Exchange proposes to increase its PFOF fee to \$0.65 per contract to match the fee that the Chicago Board Options Exchange, Incorporated ("CBOE"), under the PFOF program it administers, currently charges its members. Additionally, the Exchange states that Complex Orders<sup>7</sup> are currently exempt from the ISE's PFOF fee. The Exchange represents that other options exchanges, however, notably CBOE, do not provide a similar exception. Accordingly, and also for competitive reasons, the Exchange proposes to charge a PFOF fee on Complex Orders traded on the ISE.

The ISE states that it is committed to matching other exchanges' PFOF programs in order to maintain its competitive position. The ISE states that its Board has provided management with delegated authority to increase the ISE's PFOF fee further in the event that increases in the PFOF fee of other

exchanges present competitive challenges to the ISE.

**2. Statutory Basis**

The Exchange believes that its proposal is consistent with Section 6(b) of the Act<sup>8</sup> in general, and furthers the objectives of Section 6(b)(4) of the Act<sup>9</sup> in particular, in that it is an equitable allocation of reasonable dues, fees, and other charges among ISE members and other persons using its facilities.

*B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>10</sup> and Rule 19b-4(f)(2)<sup>11</sup> thereunder, because it establishes or changes a due, fee, or other charge imposed by the Exchange. Accordingly, the proposal will take effect upon filing with the Commission. At any time within 60 days of the filing of such proposed rule change the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

**IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
