Abstract: The Pittman-Robertson Wildlife Restoration Act (16 U.S.C. 669 *et seq.*) and the Dingell-Johnson Sport Fish Restoration Act (16 U.S.C. 777 *et seq.*, except 777e-1) provide authority for Federal assistance to the States for management and restoration of fish and wildlife. These Acts and our regulations in the Code of Federal Regulations (CFR) at 50 CFR 80, subpart D, require that States, territories, and the District of Columbia annually certify their hunting and fishing license sales. States, territories, and the District of Columbia that receive grants under these Acts use FWS Forms 3-154 (Certification and Summary of Hunting and Sport Fishing Licenses Issued) to certify the number of hunting and fishing licenses sold and the amount of sales. We use the information collected to apportion and distribute funds according to the formula specified in each Act.

With this renewal request, the Service plans to consolidate two forms previously approved by OMB into a single form. FWS Forms 3-154a (Part I—Certification) and 3-154b (Part II—Summary of Hunting and Sport Fishing Licenses Issued), will be combined into a single Form 3-154, Certification and Summary of Hunting and Sport Fishing Licenses Issued. We made no substantive changes to the questions on the final consolidated form. This change will streamline the submission process on the public.
