New England Fishery Management Council; telephone: (978) 465-0492.

SUPPLEMENTARY INFORMATION:

Agenda

The Scallop Advisory Panel will review results from SARC 65 Benchmark Assessment and preliminary 2018 scallop survey results. They will discuss initial recommendations from the Scallop Plan Development Team (PDT) for FY 2019 and FY 2020 (default) fishery specifications (Framework 30); The panel will also review and provide input on Framework 30 management measures; which include standard default measures. They also plan to review and discuss results from Committee tasking on LAGC IFQ trip limits. The panel will receive an update on progress toward 2018 work priorities and develop a list of potential 2019 scallop work priorities. Other business may be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
