

removing confusion that may result if the Independence Policy retained obsolete references or did not include all of the Affiliate SROs.

The Exchange notes that the proposed change would be consistent with changes made to the independence policy of the board of directors of ICE, and believes that making the Independence Policy more consistent with the ICE policy would add clarity and transparency to the Exchange Rules, allowing persons subject to the Exchange's jurisdiction, regulators, and investors to more easily navigate and understand the Exchange Rules, contributing to the orderly operation of the Exchange. The Exchange further believes that the proposed changes would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the Independence Policy to (a) streamline references to ICE subsidiaries that are national securities exchanges, (b) remove obsolete references, and (c) add references to NYSE National and CHX.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁸ and Rule 19b-4(f)(6) thereunder.¹⁹ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if

consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)²⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),²¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²² of the Act to determine whether the proposed rule change should be approved or disapproved.

DEPARTMENT OF STATE

[Public Notice: 10519]

Determinations Regarding Use of Chemical Weapons by Russia Under the Chemical and Biological Weapons Control and Warfare Elimination Act of 1991

AGENCY: Bureau of International Security and Nonproliferation, Department of State.

ACTION: Notice.

SUMMARY: The Department of State, acting under authority delegated to the Secretary of State pursuant to Executive Order 12851, has determined pursuant to Section 306(a) of the Chemical and Biological Weapons Control and Warfare Elimination Act of 1991 that the Government of the Russian Federation has used chemical weapons in violation of international law or lethal chemical weapons against its own nationals. In addition, the Department of State has determined and certified to Congress pursuant to Section 307(d) of the Act that it is essential to the national security interests of the United States to partially waive the application of the sanctions required under Section 307(a) of the Act with respect to foreign assistance, the licensing of defense articles and services, and the licensing of national security-sensitive goods and technology. The following is a notice of the sanctions to be imposed pursuant to Section 307(a) of the Act, subject to these waivers.

DATES: The determination is effective on August 27, 2018.

FOR FURTHER INFORMATION CONTACT: Pamela K. Durham, Office of Missile, Biological, and Chemical Nonproliferation, Bureau of International Security and Nonproliferation, Department of State, Telephone (202) 647-4930.

Section 5604(a) and Section 5605(a)), on August 6, 2018, the Deputy Secretary of State determined that the Government of the Russian Federation has used chemical weapons in violation of international law or lethal chemical weapons against its own nationals. As a result, the following sanctions are hereby imposed:

1. *Foreign Assistance:* Termination of assistance to Russia under the Foreign Assistance Act of 1961, except for urgent humanitarian assistance and food or other agricultural commodities or products.

2. *Arms Sales:* Termination of (a) sales to Russia under the Arms Export Control Act of any defense articles, defense services, or design and construction services, and (b) licenses for the export to Russia of any item on the United States Munitions List.

The Department of State has determined that it is essential to the national security interests of the United States to waive the application of this sanction with respect to the issuance of licenses in support of government space cooperation and commercial space launches, provided that such licenses shall be issued on a case-by-case basis and consistent with export licensing policy for Russia prior to the enactment of these sanctions.

3. *Arms Sales Financing:* Termination of all foreign military financing for Russia under the Arms Export Control Act.

4. *Denial of United States Government Credit or Other Financial Assistance:* Denial to Russia of any credit, credit guarantees, or other financial assistance by any department, agency, or instrumentality of the United States Government, including the Export-Import Bank of the United States.
