Notice of Correction to Notice of Availability of the Record of Decision for the Jack Morrow Hills Coordinated Activity Plan and Green River Resource Management Plan Amendment, Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of correction.

SUMMARY: The Bureau of Land Management (BLM) inadvertently published an incorrect version of this notice in the **Federal Register** on July 20, 2006 [71 FR 41234]. The BLM is republishing the revised version of this notice.

In accordance with the Federal Land Policy and Management Act and the National Environmental Policy Act, the Bureau of Land Management (BLM) announces the availability of the Record

of Decision (ROD) for the Jack Morrow Hills Coordinated Activity Plan (JMH CAP) and Green River Resource Management Plan (GRRMP) Amendment. The ROD documents the BLM's decision to approve a land use plan amendment that addresses approximately 574,800 acres of public land located in Sweetwater, Sublette, and Fremont counties in southwestern Wyoming. The JMH CAP/GRRMP Amendment contains land use plan decisions that supersede previous land use planning decisions made in the GRRMP and completes decisions deferred in the GRRMP. The JMH CAP/ROD went into effect on the date the Wyoming State Director signed the ROD.

ADDRESSES: The ROD will be available electronically on the following Web site: www.wy.blm.gov/jmhcap.

Copies of the JMH CAP/ROD are available for public inspection at the following BLM office locations:

- Bureau of Land Management, Wyoming State Office, 5353 Yellowstone Road, Cheyenne, Wyoming 82003.

- Bureau of Land Management, Rock Springs Field Office, 280 Highway 191 North, Rock Springs, Wyoming 82901.

To request a copy of the ROD, please write or telephone the BLM contacts listed below.

FOR FURTHER INFORMATION CONTACT:

Michael R. Holbert, Field Manager, or Renee Dana, JMH CAP Team Leader, Bureau of Land Management, Rock Springs Field Office, 280 Highway 191 North, Rock Springs, Wyoming 82901. Requests for a copy of the ROD may be sent electronically to: rock_springs_wymail@blm.gov with "JMH CAP" in the subject line. Mr. Holbert and Ms. Dana may be reached at (307) 352-0256.

SUPPLEMENTARY INFORMATION: The JMH CAP/ROD was developed with broad public participation through a 4-year collaborative planning process. The JMH CAP/ROD provides management direction designed to achieve or maintain desired future conditions developed through the planning process. To meet the desired resource conditions, the plan includes a series of management actions for resources in the area including upland and riparian vegetation, wildlife habitats, heritage and visual resources, air quality, sensitive species, special management areas, livestock grazing, minerals including oil and gas, and recreation.

In response to the 30-day protest period that ended on August 16, 2004, a total of 1,011 protests were received

by BLM. The BLM reviewed and responded to all submittals.

The JMH CAP and ROD modify existing special management areas and establish new management objectives for other areas. The JMH planning area includes five Areas of Critical Environmental Concern (ACECs) previously designated under the Green River RMP. Four of the designated five ACECs remain unchanged. The fifth, Steamboat Mountain ACEC, has been expanded by about 4,000 acres and includes the Indian Gap trail and key habitats types such as the rare sagebrush/scurfpea vegetation type.

To protect important scientific values, the West Sand Dunes Archaeological District is identified as a new management area. The JMH CAP establishes the Steamboat Mountain Management Area where BLM will emphasize management of a portion of the public lands with important Native American cultural values, important watershed values, unique wildlife habitat, and crucial big game habitat.

The JMH CAP is essentially the same as the Proposed Plan in the JMH CAP/FEIS with some reorganization and clarifications as a result of the Governor's consistency review, public comments and protests. There are no significant changes from the Proposed JMH CAP/FEIS published in July, 2004.

No inconsistencies with State or local plans, policies, or programs were identified during the Governor's consistency review of the JMH CAP/FEIS. No significant changes or modifications were necessary as a result of comments or protests. As a result, only editorial modifications were made in the JMH CAP. These modifications correct and clarify errors that were noted during review of the JMH CAP/FEIS and provide further clarification for some of the decisions.

Dated: July 27, 2006.

Donald A. Simpson,

Acting Associate State Director.

Notice of Realty Action: Modified Competitive Sale of Public Land in Langlade County, WI

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Realty Action.

SUMMARY: The Bureau of Land Management (BLM) proposes to sell a 1.18 acre parcel of land located in Langlade County, Wisconsin at not less than the appraised fair market value (FMV). The Bureau of Land Management-Eastern States (BLM-ES), Milwaukee Field Manager has determined the parcel will be offered for sale only to the current adjoining landowners under modified competitive sale procedures because the parcel has no legal access via a public road and is surrounded by private lands.

DATES: Comments regarding the proposed sale must be in writing and received by the Field Manager, BLM-ES, Milwaukee at the address below not later than September 18, 2006. Sealed bids must be received by BLM not later than 4:30 p.m. CDT, October 2, 2006.

ADDRESSES: BLM-ES, Milwaukee Field Office, 626 East Wisconsin Avenue, Suite 200, Milwaukee, Wisconsin 53202. Comments received in electronic form such as e-mail or facsimile will not be considered.

Address all sealed bids, marked as specified below, to the address above.

FOR FURTHER INFORMATION CONTACT: Marcia Sieckman at 414-297-4402 or BLM-ES, Milwaukee Field Office, 626 East Wisconsin Avenue, Suite 200, Milwaukee, Wisconsin 53202.

SUPPLEMENTARY INFORMATION: In accordance with the provisions of 43 CFR parts 2710 and 2720, the following described land is proposed to be sold pursuant to the authority provided in Sections 203 and 209 of the Federal Land Policy and Management Act of 1976 (FLPMA) as amended (43 U.S.C. 1713, 1719). The parcel to be sold is identified as suitable for disposal in the Wisconsin Resource Management Plan Amendment (2001).

Publication of this notice in the **Federal Register** shall segregate the lands described below from appropriation under the public land laws. The segregative effect of this notice shall terminate upon issuance of patent, upon publication in the **Federal Register** of a termination of the segregation or May 28, 2007, whichever occurs first.

Fourth Principal Meridian

T. 33 N., R. 10 E.,
Sec. 25, lot 17.

The area described contains 1.18 acres in Langlade County.

The appraised market value is \$85,000. This parcel cannot be legally accessed by a public road. It is surrounded by private property and isolated from other Federal lands. There are no encumbrances reported on the

records maintained by the BLM-ES, Milwaukee Field Office.

This parcel of land is being offered for sale through modified competitive bid procedures to the adjacent landowners who have repeatedly expressed an interest in acquiring the property. A modified competitive sale will protect the on-going uses of the parcel, assure compatibility of the future uses with adjacent lands, and allow the adjacent landowners an equal opportunity to successfully bid on the property. Bidding is only open to the following adjacent landowners (designated bidders): Martha Johnson and Jerrold and Barb Plamann.

Offers to purchase the parcel will be made by sealed bid only. All bids must be received at the BLM-ES, Milwaukee Field Office, Attention: Marcia Sieckman, 626 East Wisconsin Avenue, Suite 200, Milwaukee, Wisconsin 53202, not later than 4:30 p.m. CDT, October 2, 2006.

Sealed bids will be opened to determine the high bid at 10 a.m. CDT, October 3, 2006 at the BLM-ES, Milwaukee Field Office.

Bids must be for not less than the appraised market value for the parcel, as reviewed and approved in advance of the sale by the BLM. Each sealed bid must be accompanied by a certified check, postal money order, bank draft, or cashier's check made payable in U.S. currency to the Bureau of Land Management for an amount not less than 20 percent of the total amount of the bid. Personal checks will not be accepted.

The bid envelope also must contain a signed statement giving the total amount bid for the parcel and the bidder's name, mailing address, and phone number. As provided in the regulations at 43 CFR 2711.302(a)(1)(ii), bidders shall be designated by the BLM and limited to the adjoining landowners. Bids submitted by persons or entities other than the designated bidders will be rejected. If BLM receives two or more valid high bids offering an identical amount for the parcel, BLM will notify the apparent high bidders of further procedures to determine the highest qualifying bid.

The successful bidder will be allowed 180 days from the date of sale to submit the remainder of the full bid price. Failure to timely submit full payment shall result in forfeiture of the bid deposit to the BLM, and the parcel will be offered to the second highest qualifying bidder at their original bid. If there are no acceptable bids, the parcel may continue to be re-offered on a continuing basis in accordance with the competitive sale procedures described

in 43 CFR 2711.3-1. Sealed bids, at not less than the appraised value, prepared and submitted in the manner described above will be accepted from any qualified bidder. Bids will be opened at 10 a.m. (local time), on the first Friday of each month until the offer is cancelled.

By law, public lands may be conveyed only to (1) Citizens of the United States who are 18 years old or older, (2) a corporation subject to the laws of any State or of the United States, (3) an entity including, but not limited to, associations or partnerships capable of acquiring and owning real property, or interests therein, under the laws of the State of Wisconsin, or (4) a State, State instrumentality, or political subdivision authorized to hold real property.

No warranty of any kind, express or implied, is given by the United States as to the title, physical condition, or potential uses of the parcel proposed for sale.

The Federal mineral interests underlying this parcel have no known mineral value and will be conveyed with the sale of the parcel. A sealed bid for the above described parcel constitutes an application for conveyance of those mineral interests. In addition to the full purchase price, a successful bidder must pay a separate nonrefundable filing fee of \$50 for the mineral interests to be conveyed simultaneously with the sale of the land.

Detailed information concerning the proposed land sale, including sale procedures, terms of sale, proposed patent provisions, appraisals, planning and environmental documents, and the mineral report is available for review at the BLM-ES, Milwaukee Field Office, 626 East Wisconsin Avenue, Suite 200, Milwaukee Wisconsin 53202. Normal business hours are 7:30 a.m. to 4:30 p.m. CDT, Monday through Friday, except Federal holidays.

The general public and interested parties may submit written comments regarding the proposed sale to the Field Manager, BLM-ES, Milwaukee Field Office at the above address not later than September 18, 2006. Comments received during this process, including respondent's name, address, and other contact information, will be available for public review. Individual respondents may request confidentiality. If you wish to request that BLM consider withholding your name, address, and other contact information (phone number, e-mail address, or fax number, etc.) from public review or disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your

comment. The BLM will honor requests for confidentiality on a case-by-case basis to the extent allowed by law. The BLM will make available for public review, in their entirety, all comments submitted by businesses or organizations, including comments by an individual in their capacity as an official or representative of a business or organization.

Any adverse comments will be reviewed by the State Director, who may sustain, vacate, or modify this realty action. In the absence of timely filed objections, this realty action will become the final determination of the Department of the Interior.

Authority: 43 Code of Federal Regulations 2711.1-2(a).

Dated: July 26, 2006.

Michael D. Nedd,

State Director, Eastern States.

DEPARTMENT OF THE INTERIOR

Bureau of Reclamation

Quarterly Status Report of Water Service, Repayment, and Other Water-Related Contract Negotiations

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice.

SUMMARY: Notice is hereby given of contractual actions that have been proposed to the Bureau of Reclamation (Reclamation) and are new, modified, discontinued, or completed since the last publication of this notice on May 25, 2006. This notice is one of a variety of means used to inform the public about proposed contractual actions for capital recovery and management of project resources and facilities consistent with section 9(f) of the Reclamation Project Act of 1939. Additional announcements of individual contract actions may be published in the **Federal Register** and in newspapers of general circulation in the areas determined by Reclamation to be affected by the proposed action.

ADDRESSES: The identity of the approving officer and other information pertaining to a specific contract proposal may be obtained by calling or writing the appropriate regional office at the address and telephone number given for each region in the **SUPPLEMENTARY INFORMATION** section.

FOR FURTHER INFORMATION CONTACT: Sandra L. Simons, Manager, Contract Services Office, Bureau of Reclamation,

PO Box 25007, Denver, Colorado 80225-0007; telephone 303-445-2902.

SUPPLEMENTARY INFORMATION: Consistent with section 9(f) of the Reclamation Project Act of 1939 and the rules and regulations published in 52 FR 11954, April 13, 1987 (43 CFR 426.22), Reclamation will publish notice of proposed or amendatory contract actions for any contract for the delivery of project water for authorized uses in newspapers of general circulation in the affected area at least 60 days prior to contract execution. Announcements may be in the form of news releases, legal notices, official letters, memorandums, or other forms of written material. Meetings, workshops, and/or hearings may also be used, as appropriate, to provide local publicity. The public participation procedures do not apply to proposed contracts for the sale of surplus or interim irrigation water for a term of 1 year or less. Either of the contracting parties may invite the public to observe contract proceedings. All public participation procedures will be coordinated with those involved in complying with the National Environmental Policy Act. Pursuant to the "Final Revised Public Participation Procedures" for water resource-related contract negotiations, published in 47 FR 7763, February 22, 1982, a tabulation is provided of all proposed contractual actions in each of the five Reclamation regions. When contract negotiations are completed, and prior to execution, each proposed contract form must be approved by the Secretary of the Interior, or pursuant to delegated or redelegated authority, the Commissioner of Reclamation or one of the regional directors. In some instances, congressional review and approval of a report, water rate, or other terms and conditions of the contract may be involved.

Public participation in and receipt of comments on contract proposals will be facilitated by adherence to the following procedures:

1. Only persons authorized to act on behalf of the contracting entities may negotiate the terms and conditions of a specific contract proposal.

2. Advance notice of meetings or hearings will be furnished to those parties that have made a timely written request for such notice to the appropriate regional or project office of Reclamation.

3. Written correspondence regarding proposed contracts may be made available to the general public pursuant to the terms and procedures of the Freedom of Information Act, as amended.

4. Written comments on a proposed contract or contract action must be submitted to the appropriate regional officials at the locations and within the time limits set forth in the advance public notices.

5. All written comments received and testimony presented at any public hearings will be reviewed and summarized by the appropriate regional office for use by the contract approving authority.

6. Copies of specific proposed contracts may be obtained from the appropriate regional director or his designated public contact as they become available for review and comment.

7. In the event modifications are made in the form of a proposed contract, the appropriate regional director shall determine whether republication of the notice and/or extension of the comment period is necessary.

Factors considered in making such a determination shall include, but are not limited to (i) the significance of the modification, and (ii) the degree of public interest which has been expressed over the course of the negotiations. At a minimum, the regional director shall furnish revised contracts to all parties who requested the contract in response to the initial public notice.

The February 23, 2006, notice should be used as a reference point to identify changes. The numbering system in this notice corresponds with the numbering system in the February 23, 2006, notice.
