ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it has instituted reviews pursuant to the Tariff Act of 1930 (“the Act”), as amended, to determine whether revocation of the antidumping duty orders on silicomanganese from India, Kazakhstan, and Venezuela would be likely to lead to continuation or recurrence of material injury. DATES: Instituted September 4, 2018. To be assured of consideration, the deadline for responses is October 4, 2018. Comments on the adequacy of responses may be filed with the Commission by November 19, 2018.

SUPPLEMENTARY INFORMATION:

Background.—On May 23, 2002, the Department of Commerce issued antidumping duty orders on imports of silicomanganese from India, Kazakhstan, and Venezuela (67 FR 36149). Following the first five-year reviews by Commerce and the Commission, effective November 30, 2007, Commerce issued a continuation of the antidumping duty orders on imports of silicomanganese from India, Kazakhstan, and Venezuela (73 FR 841, January 4, 2008). Following the second five-year reviews by Commerce and the Commission, effective October 2, 2013, Commerce issued a continuation of the antidumping duty orders on imports of silicomanganese from India, Kazakhstan, and Venezuela (78 FR 60846). The Commission is now conducting third five-year reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission’s Rules of Practice and Procedure at 19 CFR parts 201, subparts A and B and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission’s determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as

defined by the Department of Commerce.

(2) The *Subject Country* in these reviews are India, Kazakhstan, and Venezuela.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, its expedited first five-year review determinations, and its full second five-year review determinations, the Commission found a single *Domestic Like Product* consisting of all forms, sizes, and compositions of silicomanganese, except low-carbon silicomanganese, coextensive with Commerce’s scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, its expedited first five-year review determinations, and its full second five-year review determinations, the Commission found a single *Domestic Industry* consisting of all domestic producers of silicomanganese, except low-carbon silicomanganese.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the proceeding and public service list.—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission’s rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission’s designated agency ethics official has advised that a five-year review is not the
