

measures to avoid or lessen environmental impacts. The more specific your comments, the more useful they will be. To ensure that the Commission has the opportunity to consider your comments prior to making its decision on this project, it is important that we receive your comments in Washington, DC on or before 5:00 p.m. Eastern Time on September 28, 2018.

For your convenience, there are three methods you can use to file your comments to the Commission. In all instances, please reference the project docket number (CP18–13–000) with your submission. The Commission encourages electronic filing of comments and has staff available to assist you at (866) 208–3676 or [FercOnlineSupport@ferc.gov](mailto:FercOnlineSupport@ferc.gov).

(1) You can file your comments electronically using the eComment feature on the Commission's website ([www.ferc.gov](http://www.ferc.gov)) under the link to Documents and Filings. This is an easy method for submitting brief, text-only comments on a project;

(2) You can also file your comments electronically using the eFiling feature on the Commission's website ([www.ferc.gov](http://www.ferc.gov)) under the link to Documents and Filings. With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on eRegister. You must select the type of filing you are making. If you are filing a comment on a particular project, please select Comment on a Filing; or

(3) You can file a paper copy of your comments by mailing them to the following address: Kimberly D. Bose, Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Room 1A, Washington, DC 20426.

Any person seeking to become a party to the proceeding must file a motion to intervene pursuant to Rule 214 of the Commission's Rules of Practice and Procedures (18 CFR 385.214). Only intervenors have the right to seek rehearing or judicial review of the Commission's decision. The Commission may grant affected landowners and others with environmental concerns intervenor status upon showing good cause by stating that they have a clear and direct interest in this proceeding which no other party can adequately represent. Simply filing environmental comments will not give you intervenor status, but you do not need intervenor status to have your comments considered.

Additional information about the project is available from the

Commission's Office of External Affairs, at (866) 208–FERC, or on the FERC website ([www.ferc.gov](http://www.ferc.gov)) using the eLibrary link. Click on the eLibrary link, click on General Search, and enter the docket number in the Docket Number field, excluding the last three digits (*i.e.*, CP18–13). Be sure you have selected an appropriate date range. For assistance, please contact FERC Online Support at [FercOnlineSupport@ferc.gov](mailto:FercOnlineSupport@ferc.gov) or toll free at (866) 208–3676, or for TTY, contact (202) 502–8659. The eLibrary link also provides access to the texts of formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to [www.ferc.gov/docs-filing/esubscription.asp](http://www.ferc.gov/docs-filing/esubscription.asp).

Dated: August 29, 2018.

## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Docket No. ER18–2327–000]

#### Supplemental Notice That Initial Market-Based Rate Filing Includes Request for Blanket Section 204 Authorization: Riverhead Solar Farm, LLC

This is a supplemental notice in the above-referenced proceeding Riverhead Solar Farm, LLC's application for market-based rate authority, with an accompanying rate tariff, noting that such application includes a request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability.

Any person desiring to intervene or to protest should file with the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant.

Notice is hereby given that the deadline for filing protests with regard

to the applicant's request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability, is September 19, 2018.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 5 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.

The filings in the above-referenced proceeding are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for electronic review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the website that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov), or call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.

Dated: August 30, 2018.

## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Project No. 190–105]

#### Notice of Technical Conference and Environmental Site Review: Moon Lake Electric Association, Inc.

a. *Date and Time:* The technical conference will be on Wednesday, September 26, 2018, beginning at 9:00 a.m. (MDT) and concluding no later than 5:00 p.m. (MDT).

b. *Location:* Springhill Suites Marriott, 1205 West Highway 40, Vernal, Utah 84078. For directions, please contact the Springhill Suites Marriott at (435) 781–9000.

c. *FERC Contact:* Quinn Emmering at (202) 502-6382 or [quinn.emmering@ferc.gov](mailto:quinn.emmering@ferc.gov).

d. *Purpose of Meeting:* To discuss the need for additional studies related to aquatic and fisheries resources on Pole Creek (one of three water sources diverted for the project) for our environmental analysis as part of the relicensing process for the Uintah Project.

e. The technical conference will be recorded by a stenographer and will be placed in the public records of the project.

f. All local, state, and federal agencies, Indian tribes, and other interested parties are invited to participate either in person or by telephone. Please contact Quinn Emmering at (202) 502-6382 or by email at [quinn.emmering@ferc.gov](mailto:quinn.emmering@ferc.gov) by 4:00 p.m. (Eastern), September 20, 2018, to receive specific instructions on how to participate by telephone or have any questions.

g. In addition, Moon Lake Electric Association, Inc. (Moon Lake) and FERC staff will conduct an environmental site review of the project on Tuesday, September 25, 2018, starting at 9:00 a.m. (MDT). All interested individuals, organizations, and agencies are invited to attend. The Uintah Project is located approximately 15 miles north of Neola, Utah.

h. For the environmental site review, Moon Lake has made arrangements to provide transportation for participants from The Church of Jesus Christ of Latter-Day Saints parking lot located at 2062 W 9000N, Neola, Utah 84053 (at intersection with 2000W). Please note that the project tour is expected to take 4 hours, at minimum. No lunch is provided and food services in the Neola area are limited. Participants should make their own arrangements to bring food and beverages. Participants should dress appropriately for fall weather outdoors and wear hiking boots or similar footwear. Please RSVP Pat Corun at (435) 722-5406 or by email at [pcorun@mleainc.com](mailto:pcorun@mleainc.com) on or before September 14, 2018, if you plan to attend the environmental site review or have any questions.

Dated: August 30, 2018.

**Kimberly D. Bose,**  
Secretary.

## ENVIRONMENTAL PROTECTION AGENCY

[FRL-9983-39-OA]

### Notification of a Public Teleconference of the Chartered Science Advisory Board (SAB)

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** The Environmental Protection Agency (EPA), Science Advisory Board (SAB) Staff Office announces a public teleconference of the Chartered SAB to: Conduct two quality reviews of the draft SAB Review of EPA's Draft Toxicological Review of Ethyl Tertiary Butyl Ether and Draft Toxicological Review of tert-Butyl Alcohol; and the draft SAB review of the EPA's Framework for Assessing Biogenic CO<sub>2</sub> Emissions from Stationary Sources (2014); and receive updates on current SAB projects and future topics from the EPA.

**DATES:** The teleconference will be held on Wednesday, September 26, 2018, from 1:00 p.m. to 5:00 p.m. (Eastern Time).

**ADDRESSES:** The public teleconference will be held by telephone only.

**FOR FURTHER INFORMATION CONTACT:** Any member of the public wishing to obtain information concerning the public teleconference may contact Mr. Thomas Carpenter, Designated Federal Officer (DFO), EPA Science Advisory Board Staff Office (1400R), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue NW, Washington, DC 20460; by telephone/voice mail at (202) 564-4885 or at [carpenter.thomas@epa.gov](mailto:carpenter.thomas@epa.gov). General information about the SAB, as well as any updates concerning the meeting announced in this notice, may be found on the EPA website at <http://www.epa.gov/sab>.

**SUPPLEMENTARY INFORMATION:** The SAB was established pursuant to the Environmental Research, Development, and Demonstration Authorization Act (ERDDAA), codified at 42 U.S.C. 4365, to provide independent scientific and technical advice to the Administrator on the scientific and technical basis for Agency positions and regulations. The SAB is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), 5 U.S.C., App. 2. The SAB will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies. Pursuant to FACA and EPA policy, notice is hereby given that the SAB will hold a public teleconference to discuss and deliberate on the topics below.

*Quality Review of the draft SAB Review of EPA's Draft Assessments titled Toxicological Review of Ethyl Tertiary Butyl Ether and Toxicological Review of tert-Butyl Alcohol (tert-Butanol):* National Center for Environmental Assessment (NCEA) in the EPA's Office of Research and Development (ORD) develops toxicological reviews/assessments for various chemicals for the Integrated Risk Information System and requested that the SAB conduct a peer review of the two EPA draft assessments. NCEA is developing a draft Toxicological Review of tert-Butyl Alcohol (tert-butanol) and Toxicological Review of Ethyl Tertiary Butyl Ether (ETBE). These two draft EPA documents represent new IRIS assessments of tert-butanol and ETBE. Experimental animal data and other relevant data from studies of the noncancer and cancer effects of tert-butanol and ETBE are evaluated in these assessments. These assessments include an oral reference dose (RfD) and inhalation reference concentration (RfC) for noncancer effects as well as a cancer assessment. The cancer assessments characterize tert-butanol and ETBE as having suggestive evidence of carcinogenic potential to humans and include oral cancer slope factors for both compounds and an inhalation unit risk for ETBE. The EPA SAB Staff Office augmented the SAB CAAC with subject matter experts, to provide advice to the Administrator through the chartered SAB regarding these assessments. Background on the current advisory activity can be found on the SAB website at: <https://yosemite.epa.gov/sab/sabpeople.nsf/WebCommittees/BOARD>.

*Quality review of a draft SAB review report on the Framework for Assessing Biogenic CO<sub>2</sub> Emissions from Stationary Sources:* In 2012, the SAB completed a review of the first draft accounting framework addressing scientific and technical issues associated with biogenic carbon dioxide (CO<sub>2</sub>) emissions, *Accounting Framework for Biogenic CO<sub>2</sub> Emissions from Stationary Sources* (September 2011). The EPA subsequently revised the 2011 framework and requested the SAB to conduct a review of the *Framework for Assessing Biogenic CO<sub>2</sub> Emissions from Stationary Sources* (November 2014). The purpose of the 2014 framework is to develop a method for calculating the adjustment, or Biogenic Assessment Factor (BAF), for carbon emissions associated with the combustion of biogenic feedstocks considering the biological carbon cycle effects associated with their growth, harvest
