

Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

We have analyzed this rule under Commandant Instruction M16475.1D, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, we believe that this rule should be categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction, from further environmental documentation. This event establishes a safety zone therefore paragraph (34)(g) of the Instruction applies.

A preliminary “Environmental Analysis Check List” is available in the docket where indicated under **ADDRESSES**. Comments on this section will be considered before we make the final decision on whether the rule should be categorically excluded from further environmental review.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1

■ 2. A new temporary § 165.T09–115 is added to read as follows:

§ 165.T09–115 Safety Zone; NY.

(a) *Location.* The following area is a temporary safety zone: all waters of the Seneca River within 800 foot radius of the fireworks barge moored/anchored in approximate position 43°09'30" N, 076°20'23" W (NAD 83).

(b) *Effective time and date.* This section is effective from 9 p.m. (local) until 10 p.m. (local) on September 2, 2006.

(c) Regulations.

(1) In accordance with the general regulations in § 165.23 of this part, entry into this safety zone is prohibited unless authorized by the Coast Guard Captain of the Port Buffalo or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic except as may be permitted by the Captain of the Port Buffalo or his designated on-scene representative.

(3) The “on-scene representative” of the Captain of the Port is any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to act on his behalf. The on-scene representative of the Captain of the Port will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Buffalo or his on-scene representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone shall comply with all directions given to them by the Captain of the Port Buffalo or his on-scene representative.

Dated: July 6, 2006.

S.J. Ferguson,

Captain, U.S. Coast Guard, Captain of the Port Buffalo, Sector Buffalo.

BILLING CODE 4910–15–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[CGD09–06–114]

RIN 1625–AA00

Safety Zone; Cleveland National Air Show, Lake Erie, OH

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on Lake Erie. This zone is intended to restrict vessels from a portion of Lake Erie and Cleveland Harbor during the Cleveland National Air Show from August 31, 2006 to September 4, 2006. This safety zone is necessary to protect persons and vessels from the potential safety hazards associated with high speed, low altitude acrobatic and military aircraft.

DATES: This rule is effective from 10 a.m. on August 31, 2006 through 6 p.m. on September 4, 2006. The rule will be enforced from 10 a.m. to 6 p.m. on August 31, 2006; from 10 a.m. to 6 p.m. on September 1, 2006; from 10 a.m. to 6 p.m. on September 2, 2006; from 10 a.m. to 6 p.m. on September 3, 2006; and from 10 a.m. to 6 p.m. on September 4, 2006. All times are local.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket CGD09–06–114 and are available for inspection or copying at MSU Cleveland, 1055 East 9th Street, Cleveland, OH 44114 between 8 a.m. and 3:30 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Lieutenant (LT) Nicole Starr, U.S. Coast Guard Marine Safety Unit Cleveland, at (216) 937–0128.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. The permit application was not received in time to publish an NPRM followed by a final rule before the effective date.

Under 5 U.S.C. 533(d)(3), good cause also exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying this rule would be contrary to the public interest of ensuring the safety of spectators and vessels during this event, and immediate action is necessary to prevent possible loss of life or property. The Coast Guard has not received any complaints or negative comments previously with regard to this event.

Background and Purpose

This safety zone is necessary to protect persons and vessels from the potential safety hazards associated with high speed, low altitude acrobatic and military aircraft.

Discussion of Rule

The Coast Guard is establishing a temporary safety zone for the Cleveland National Air Show. The zone covers the waters of Lake Erie and Cleveland Harbor (near Burke Lakefront Airport) from position 41°30.34' N 081°42.33' W to 41°30.84' N 081°42.82' W then to 41°32.15' N 081°39.82' W then to 41°31.88' N 081°39.40' W then east to 41°31.71' N 081°39.76' W. The event sponsor will establish marker buoys to outline the safety zone at regular intervals to assist vessels in recognizing this area as a safety zone during the times of enforcement. These coordinates are based upon North American Datum 1983 (NAD 83).

The Coast Guard will notify the public in advance by way of Ninth Coast Guard District Local Notice to Mariners, Marine Information Broadcasts, and for those who request it from Marine Safety Unit Cleveland, by facsimile.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed this rule under that Order.

We expect the economic impact of this rule to be so minimal that a full regulatory evaluation is unnecessary.

This determination is based on the size and location of the safety zone within the water. Commercial vessels will not be hindered by the safety zone, as all commercial traffic will be diverted through the Lake Approach Channel. Recreational vessels will not be allowed to transit through the designated safety zone during the specified times.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule will have a significant impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 05(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which might be small entities: the owners or operators of commercial vessels intending to transit a portion of the safety zone.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: the zone is only in effect for the Labor Day Weekend, a holiday known to have minimal commercial traffic in the area of the safety zone. Before the activation of the safety zone, the Coast Guard will issue maritime advisories available to users who may be impacted through notification in the **Federal Register**, the Ninth District Coast Guard Local Notice to Mariners, Marine Information Broadcasts and when requested by facsimile.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offered to assist small entities in understanding this rule so that they can better evaluate its effects and participate in the rulemaking process. If the rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Lieutenant Nicole Starr, U.S. Coast Guard Marine Safety Unit Cleveland, 1055 East 9th Street, Cleveland, OH 44114.

The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Small businesses may send comments on the actions of Federal employees who enforce or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's

responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

The Coast Guard has analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments,

because it will not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedure; and related management system practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Commandant Instruction M16475.1D and Department of Homeland Security Management Directive 5100.1, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction, from further environmental documentation. Because this event establishes a safety zone,

paragraph (34)(g) of the Instruction applies.

A final "Environmental Analysis Check List" and final "Categorical Exclusion Determination" are available in the docket where indicated under **ADDRESSES**.

List of Subjects in 33 CFR Part 165

Harbors, Marine Safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Public Law 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. A new temporary § 165.T09–114 is added to read as follows:

§ 165.T09–114 Safety Zone; Cleveland National Air Show, Lake Erie, OH.

(a) *Location.* The following is a safety zone: All waters of Lake Erie and Cleveland Harbor (near Burke Lakefront Airport) from position 41°30.34' N 081°42.33' W to 41°30.84' N 081°42.82' W then to 41°32.15' N 081°39.82' W then to 41°31.88' N 081°39.40' W then east to 41°31.71' N 081°39.76' W. These coordinates are based upon North American Datum 1983 (NAD 83). The event sponsor will establish marker buoys to outline the safety zone at regular intervals to assist vessels in recognizing this area as a safety zone during the times of enforcement.

(b) *Effective Period.* The safety zone in paragraph (a) of this section is effective from 10 a.m. on August 31, 2006 through 6 p.m. on September 4, 2006. The rule will be enforced from 10 a.m. to 6 p.m. on August 31, 2006; from 10 a.m. to 6 p.m. on September 1, 2006; from 10 a.m. to 6 p.m. on September 2, 2006; from 10 a.m. to 6 p.m. on September 3, 2006; and from 10 a.m. to 6 p.m. on September 4, 2006. All times are local.

(c) *Regulations.* Entry into, transit through, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative. The designated on-scene representative will be the Coast Guard Patrol Commander. The Coast Guard Patrol Commander may be contacted via VHF Channel 16.

Dated: July 6, 2006.

S.J. Ferguson,

Captain, U.S. Coast Guard, Captain of the Port Buffalo.

BILLING CODE 4910–15–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 180

[EPA–HQ–OPP–2006–0529; FRL–8083–8]

Lepidopteran Pheromones; Exemption from the Requirement of a Tolerance

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: This regulation amends the existing exemption from the requirement of a tolerance for residues of the biochemicals classified as lepidopteran pheromones, which are naturally occurring compounds, or identical or substantially similar synthetic compounds to include use as a "post-harvest treatment" on all stored food commodities. Bedoukian Research, Inc. submitted a petition to EPA under the Federal Food, Drug, and Cosmetic Act (FFDCA), as amended by the Food Quality Protection Act of 1996 (FQPA), requesting an exemption from the requirement of a tolerance. This regulation eliminates the need to establish a maximum permissible level for residues of biochemicals classified as lepidopteran pheromones.

DATES: This regulation is effective August 9, 2006. Objections and requests for hearings must be received on or before October 10, 2006, and must be filed in accordance with the instructions provided in 40 CFR part 178 (see also Unit I.C. of the **SUPPLEMENTARY INFORMATION**).

ADDRESSES: EPA has established a docket for this action under docket identification (ID) number EPA–HQ–OPP–2006–0529. All documents in the docket are listed in the index for the docket. Although listed in the index, some information is not publicly available, e.g., Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the Internet and will be publicly available only in hard copy form. Publicly available docket materials are available in the electronic docket at <http://www.regulations.gov>, or, if only available in hard copy, at the OPP Regulatory Public Docket in Rm. S–
