

information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118. In addition, to satisfy the requirements of the absolute priority in this notice, you must submit annual data on each scholar who receives grant support through your project.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), the Department has established a set of performance measures that are designed to yield information on the effectiveness of the Personnel Development program. These measures include: (1) The percentage of projects that incorporate scientifically- or evidence-based practices, (2) the percentage of scholars who exit training programs prior to completion due to poor academic performance, (3) the percentage of degree or certification recipients employed upon program completion who are working in the area(s) for which they were trained, (4) the percentage of degree or certification recipients employed upon program completion who are working in the area(s) for which they were trained and are fully qualified under IDEA; and (5) the percentage of degree/certification recipients who maintain employment in the area(s) for which they are trained for three or more years and are fully qualified under IDEA.

Grantees will be required to collect and report data on grant-supported scholars through the PPD Web site at <http://www.oespppd.org> (see paragraph (d)(5) under the absolute priority section of this notice).

The Department also has developed long-term measures that are designed to yield information on various aspects of program quality. These measures include: (1) The percentage of scholars completing IDEA-funded training programs who are knowledgeable and skilled in scientifically- or evidence-based practices for infants, toddlers, children and youth with disabilities; and (2) the percentage of low incidence positions that are filled by personnel who are fully qualified under IDEA. Grantees may be asked to participate in assessing and providing information on these long-term aspects of program quality.

[El Paso Natural Gas Company]

Notice of Report Filing

August 7, 2006.

Take notice that on August 1, 2006, El Paso Natural Gas Company (EPNG) submitted an "MDO Report" that details

the results of its recently completed open bidding process by which delivery point operators were able to request higher Maximum Daily Obligations (MDOs) under their related Rate Schedule OPAS agreements. EPNG requests that the Commission substitute this report for the MDO Report filed July 24, 2006 in the above listed proceeding.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Such protests must be filed on or before the date as indicated below. Anyone filing a protest must serve a copy of that document on all the parties to the proceeding.

The Commission encourages electronic submission of protests in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.
