FEDERAL RETIREMENT THRIFT INVESTMENT BOARD

5 CFR Parts 1630, 1651, 1653, and 1690

Thrift Savings Plan Service Office and ThriftLine Contact Information

AGENCY: Federal Retirement Thrift Investment Board.

ACTION: Final Rule.

SUMMARY: The Federal Retirement Thrift Investment Board (Agency) is adopting as final, without change, its proposed rule updating the Thrift Savings Plan's (TSP) participant services' contact information. The mailing addresses for the TSP's benefits processing units (e.g., correspondence, benefits request forms, court orders and legal process actions, death benefit claims) has changed from National Finance Center, P.O. Box 61500, New Orleans, Louisiana 70161-1500 to the current addresses provided at <http://www.tsp.gov>. (These units were formerly known collectively as the TSP Service Office.) Additionally, the TSP's ThriftLine telephone number has changed from (504) 255-8777 to (877) 968-3778.

DATES: This final rule is effective: August 25, 2006.

FOR FURTHER INFORMATION CONTACT: Merritt Willing on (202) 942-1666.

SUPPLEMENTARY INFORMATION: The Agency administers the TSP, which was established by the Federal Employees' Retirement System Act of 1986 (FERSA), Public Law 99-335, 100 Stat. 514. The TSP provisions of FERSA are codified, as amended, largely at 5 U.S.C. 8351 and 8401-79. The TSP is a tax-deferred retirement savings plan for Federal civilian employees and members of the uniformed services. The TSP is similar to cash or deferred arrangements established for private-sector employees under section 401(k) of the Internal Revenue Code (26 U.S.C. 401(k)).

On July 14, 2006, the Agency published a proposed rule with request for comments in the **Federal Register** (71 FR 40034). The Agency received no comments on the proposed rule. Therefore, the Agency is publishing the proposed rule as final without change.

The rule provides current contact information for the Agency's processing units and ThriftLine. In addition to providing participants with accurate contact information, the rule often directs participants to the TSP Web site as opposed to a specific address. Use of the Web site for reference will reduce Agency resources used to update such contact information.

Pursuant to the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 602, 632, 653, 1501-1571, the effects of this regulation on state, local, and tribal governments and the private sector have been assessed. This regulation will not compel the expenditure in any one year of \$100 million or more by state, local, and tribal governments, in the aggregate, or by the private sector. Therefore, a statement under section 1532 is not required.

Submission to Congress and the General Accounting Office

Pursuant to 5 U.S.C. 810(a)(1)(A), the Agency submitted a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States before publication of this rule in the **Federal Register**. [Docket No. APHIS 2006-0096]

RIN 0579-AC06

Agricultural Inspection and AQI User Fees Along the U.S./Canada Border

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Interim rule and request for comments.

SUMMARY: We are amending the foreign quarantine and user fee regulations by removing the exemptions from inspection for imported fruits and vegetables grown in Canada and the exemptions from user fees for commercial vessels, commercial trucks, commercial railroad cars, commercial aircraft, and international air passengers entering the United States from Canada. As a result of this action, all agricultural products imported from Canada will be subject to inspection, and commercial conveyances, as well as airline passengers arriving on flights from Canada, will be subject to inspection and user fees. We are taking this action in part because we are not recovering the costs of our current inspection activities at the U.S./Canada border. In addition, our data show an increasing number of interceptions on the U.S./Canada border of prohibited material that originated in regions other than Canada that presents a high risk of introducing plant pests or animal diseases into the United States. These findings, combined with additional Canadian airport preclearance data on interceptions of ineligible agricultural products approaching the U.S. border from Canada, strongly indicate that we need to expand and strengthen our pest exclusion and smuggling interdiction efforts at that border. In order to do this and to recover the costs of our existing inspection activity, we need to collect user fees for inspection of commercial conveyances and international air passengers entering the United States from Canada.

DATES: This interim rule is effective November 24, 2006. We will consider all comments we receive on or before November 24, 2006.

SUPPLEMENTARY INFORMATION:

Background

The regulations in 7 CFR part 319 prohibit or restrict the importation of certain plants and plant products into the United States to prevent the introduction of plant pests. Similarly, the regulations in 9 CFR subchapter D prohibit or restrict the importation of certain animals and animal products into the United States to prevent the introduction of pests or diseases of livestock. The regulations in 7 CFR part 354 provide rates and requirements for overtime services relating to imports and exports and for user fees.

The existing regulations in "Subpart-Fruits and Vegetables" (§§ 319.56 through 319.56-8) require, with very few exceptions, a specific written permit for the importation of fresh fruits or vegetables into the United States. The imported fruits and vegetables are
